

# FREELAND TRIBUNE.

VOL. XV. NO. 95.

FREELAND, PA., FRIDAY, FEBRUARY 6, 1903.

TRI-WEEKLY

## Stop a Moment!

There is only one thing in a Rubber Boot or Shoe that has any wearing qualities, and that is Rubber. There is absolutely no wear in any of the other ingredients.

There is only one way to reduce the cost, and that is to take out rubber and put in its place other things in which there is no wearing quality whatever.

Every time the quality of a Rubber Boot or Shoe is reduced to per cent, its durability is reduced over 20 per cent.

It is the falsest kind of false economy to buy anything but the purest Rubbers. Buckskin Rubber Boots and Shoes cost but little more than other kinds, and are sold by

## SCHOOL BOARD.

### Director's Meet and Transact Routine Business Last Evening.

Directors Brogan, Buckley, Fetterman, Isaac, McGeehan, Shelhamer and Slattery attended last evening's meeting of the school board. Director-elect John C. Boyle, of the Sixth ward, presented his oath of office and was seated as a member of the board.

The secretary reported having received copies of the school laws of the state from Hon. H. W. Haworth, for which the thanks of the board will be tendered.

The water meter in Eckley B. Cox building was reported out of order. The cost of water consumed until it is repaired will be averaged by the cost of previous months.

Supervising Principal Hanlon's report for the fourth month showed an enrollment of 1,016 and an average attendance of 775, or 87 per cent. The epidemic of mumps was given as the reason for the falling off in the attendance.

The report asked that additional textbooks and supplies be furnished, and the secretary was authorized to procure the articles needed.

The board decided to observe Washington's birthday by closing the schools on the 23d inst.

The following bills were ordered paid: Upper Lehigh Coal Company, coal, \$9.14; Matthias Schwabe, coal, \$12.80; Cox Bros. & Co., coal, \$17.60; Electric Light Company, \$2.09; M. J. Geary, supplies, \$10.25; Freeland Water Company, \$7.43; L. H. Lentz, repairs, \$6.36; Anthony Gallagher, cleaning, \$5; P. J. Boyle, hauling coal, \$6.50; Bernard Boyle, hauling coal, \$7.50.

A bill for \$77.80 from M. M. O'Boyle, for supplies and repairs to boiler in Eckley B. Cox building, was laid over.

## Death of Daniel Shovlin.

Daniel Shovlin, of South Washington street, died at 2 o'clock this morning at the Miners hospital, Hazleton, where he was being treated for a broken arm, received by falling on the ice in December. Death came to him suddenly and was a surprise to the attendants. He was in good spirits a short time before the end came.

The deceased was a resident of this section for about forty years and resided at Buck Mountain and Sandy Run before making his home here. He was a prominent politician of the Fifth ward and served last year as street commissioner of the borough.

Mr. Shovlin was aged 55 years and is survived by his wife and seven children as follows: Ellen, John, James, William and Mrs. Jacob Dipple, of Long Island, N. Y.; Kate and Frank; also two brothers and two sisters, James, of Drifton; John, of Green Mountain; Mrs. Frank McHugh, of Mount Carmel, and Mrs. Peter Kennedy, of New York. The remains were removed to his home this morning. The funeral will take place on Monday at 9 a. m., followed by a requiem mass at St. Ann's church. Interment at St. Ann's cemetery.

## Matrimonial Topics.

Guy Hoover, a former resident of Upper Lehigh and at one time a school teacher in Foster township, will be married next Wednesday to Miss Eleanor Nungesser, of Philadelphia. The wedding will come as an end to a pretty romance which began some months ago at Mt. Carmel, where Miss Nungesser was engaged as nurse at the smallpox hospital and Mr. Hoover as a reporter on a paper of that town. Mr. Hoover is at present a resident of Philadelphia and the young couple will reside there.

Announcement has been made of the engagement of John P. Gallagher, secretary of District 7, United Mine Workers, and Miss Nellie Farrell, of Washington street. The wedding will take place some time after Lent, and they will make their home in Hazleton.

Wassil Sutayak and Miss Mary Petrik, both of Eckley, will be married tomorrow at the Greek Catholic church. Stanislaus Bartoszewicz, of Freeland, and Miss Mary Vedro, of Pond Creek, will be united in marriage at St. Kasimer's Polish Catholic church next week.

## Pollock Captured.

James Pollock broke jail at Wilkes-barre for the third time and has not yet been recaptured. He forced aside a bar in the main corridor window while out of his cell for exercise and pulled himself through, leaving shreds of flesh and parts of clothing attached to the bars to show how close the squeeze was. The window sill was decked with blood.

He was serving a three-year sentence for burglary. Twice before within the last seven months he broke jail. Once he gave himself up and once he was recaptured.

Pollock was captured this morning in a hotel at Noxen, near Harvey's Lake, and has been returned to the jail.

## BASKET BALL.

### Crescents Easily Defeat Parsons Club. Atlantic City This Evening.

The Crescents won easily from Parsons Wednesday evening by a score of 22 to 8. The game was interesting from the start and was clean throughout. The locals played a snappy game at all times. In the first half the Crescents scored four baskets, which gave them 8 points. The visitors scored but one basket and a mark on a free throw, which gave them 3 points for the half.

In the second half the locals set a fast pace and succeeded in running up seven baskets or 14 points. The visitors were only successful in scoring two baskets and a free throw, 5 points in all for the half. The attendance was large and the proceeds were donated to Mrs. John McGeary.

The game this evening will probably be the greatest of the season. During the past few months the Crescents have met many strong teams, but none had the reputation of the Atlantic City club, which will be their opponents tonight. The visitors are considered the crack team of New Jersey and has so far defeated the strongest clubs of state and eastern Pennsylvania. Notwithstanding this record, the local boys are prepared to give them a hard battle, and no honorable opportunity to win will be permitted to pass. Coach Kelly, of Minersville, will have charge of the Crescents tonight and will probably play in one of the halves. A record-breaking attendance is looked for at this evening's game.

Thorburn will give an address and the Ladies' Glee Club will sing one or more selections. We shall be pleased to see all our friends at this meeting.

Andrew Breslin, of Summit Hill, took in the basket ball game Wednesday evening.

Mrs. John Brelsford, of Allentown, is visiting Mrs. Joseph Johnson, Front street.

James K. Boyle is making improvements to his property on Centre street.

## Woman for School Director.

The residents of Porter township, Pike county, have nominated Mrs. Sarah Miller for school director, and, as she has no opposition, her election is assured. Porter township has so few voters that Squire Phil Clark was compelled to fill several offices, but objected to be constable to his own court of justice. At the last Democratic primary they have no Republican voters—there was a shortage for school director. Mrs. Sarah Miller was therefore nominated and will be unanimously elected. As the law permits women to serve as school directors, the candidate will be seated as a member of the board.

Brokerage Office Opened.  
W. A. Macdonald & Co., members New York Consolidated Stock Exchange, 47 Broadway, have opened an office at No. 10 East Broad street, Hazleton, where they will do a general brokerage business in stocks, wheat, cotton, etc., and will buy and sell for cash or on margin. Will buy any stock and deliver certificate next day—slight draft attached.

### DO YOU STOP TO SIFT

The wheat from the chaff, the good from the bad, the truth from the false? You read some mighty nice stories in the papers nowadays of big reductions, but when you examine facts back of the words you are more than likely to find promises which the makers cannot fulfill and would not if they could.

For our part we would rather shut up our store and be idle than give anybody the right to say of it: "That store is not as careful of its reputation as it used to be." Reputation is the bread and butter of this business, and is worth more to us than the few paltry dollars an end of the season's sale brings, if conducted under false pretenses.

The middle of the winter finds us with quite an assortment of seasonable goods, including Rubber Boots and Shoes, Hats and Caps, Gloves, Extra Heavy Underwear, Heavy Hosiery, and other articles designed for wear during this weather. These we have reduced in price—not to less than half their cost—but to a figure which will pleasantly surprise the buyer.

In Winter Neckwear, Collars, Cuffs, Men's Dress and Working Shoes, Women's and Children's Shoes, Gents' Furnishings, etc., our lines are very complete and the stock is of that same high-grade which you always found in our store.

We are pleased to quote you prices and have you examine the goods at any time. Do not forget that a child can buy here as cheaply and to as good advantage as the adult.
