

SPRING Announcement of the Leading Freeland Stores!

To the Public:

We take pleasure in announcing that our stock of new spring goods is now ready for your inspection. We are positive that never before has such a fine assortment of Clothing, Shoes, Hats, Caps and Gents' Furnishing Goods been displayed in Freeland. Everything is new and up-to-date and of the very latest style. Our stock is so large and our assortment so varied that we are sure the most fastidious will find here just what they want.

We respectfully call your attention to the fact that the major portion of the goods we sell is of our own make, made up especially for us, and we can therefore guarantee every article to be just as represented. The garments sold by us have hand-padded collars, the new concave shoulders, the sta-there fronts—in fact, they are hand-tailored throughout and we fear no honest comparison which any buyer may make with clothes for which others charge 20 per cent more.

We also wish to call your attention to our Merchant Tailoring Department, which is the most complete and the only modern establishment of its kind in the town. In this department we employ more hands than any other tailor in the territory between Wilkesbarre and Pottsville, we turn out more work than any other shop in Luzerne and Schuylkill counties and we give better value and better workmanship than can be obtained elsewhere throughout the anthracite coal field.

In Footwear, Headgear, Furnishings, etc., our stores are the acknowledged leaders. We are outfitters from head to feet, and cordially invite you to inspect our stock.

Respectfully yours,

WEAR WELL Clothing and Shoe House, M. Refowich, Proprietor.
