FREELAND, PA., APRIL 15, 1903.

Child Slavery in the North. A great deal has been written of late about child labor in the south and especially by our esteemed northern contemporaries.

Nothing Lost. A request from Miss Hannah McLaughlin, asking that her application for a diploma from Bloomsburg normal school be endorsed by the board, was granted.

Reappointed Solicitor. Charles F. McHugh, formerly of Freeland, who has served as city collector of Wilkesbarre for the past four years, has been tendered an unanimous re-election for a term of three years, and the Wilkesbarre Record says:

Good for Children. The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and Laryngitis because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble.

Then He Said It. De Borem.—The saddest words are sometimes the sweetest. Now, there's "goodby" for instance.

Point of View. Aunt Jane (to Bobby, who has had a fall)—Oh, I wouldn't cry, Bobby.

Resonant. Hurlough—How did you ever happen to pick out such a suit of clothes?

A Pleased Auditor. Patience—She says some one was pleased to hear her talk for an hour.

THE HOTTENTOT.

This poor unfortunate Hottentot He was not content with his lottentot; Quoth he, "For my dinner, As I am a sinner, There's nothing to put in the lottentot!"

This poor unfortunate Hottentot Cried: "Yield to starvation I'll nottenot. I'll get me a cantaloupe, Or else a young antelope, One who'll enjoy being shottentot."

This poor unfortunate Hottentot His bow and his arrows he gottentot, And, being stout hearted, At once he departed And struck through the bush at a trottentot.

This poor unfortunate Hottentot, When several miles from his cottentot, He chanced to set eyes on A snake that was p'ison A-tying itself in a knottentot.

Then this poor unfortunate Hottentot Remark'd: "This for me is no spottentot! I'd better be going; There's really no knowing If he's trying to charm me or whattentot!"

This poor unfortunate Hottentot Was turning to flee to his grottentot When a lioness met him And suddenly "et" him, As a penny's engulfed by the slottentot.

MORAL. This poor unfortunate Hottentot Had better have borne with his lottentot And grown even thinner For lack of a dinner, But I should have had, then, no plottentot! —Laura E. Richards in St. Nicholas.

Nothing Lost. A request from Miss Hannah McLaughlin, asking that her application for a diploma from Bloomsburg normal school be endorsed by the board, was granted.

The monthly report of Supervisor Principal Hanlon showed the enrollment for the fifth month to be 931; average attendance, 744; percentage of attendance, 83.

The report stated that new primers and first readers are needed and those were ordered purchased. Some repairs at E. B. Cox school were also ordered attended to.

The report also gave a full explanation of the suspension of John Popsin, aged 12 years, a pupil of Daniel Cox school, who was caught in the act of committing a nuisance in E. B. Cox building.

For some months the directors and teachers have been annoyed by deceptions committed at this building, and the sentiment of the board was that the time had come to put a stop to the destruction of school property.

It was decided that the matter be placed in charge of the building committee and the president and secretary, with full power to act, and to prosecute the offender if, after a conference with the collector, that course should be deemed to be the best for the interest of the district.

Treasurer Timony's report showed a balance in the treasury on April 1 of \$1,166.18.

A discussion on the question of adding another month to the school term then took place, but no definite action was taken, the board deciding to meet at the call of the chair before the 23d inst. to further consider the subject.

The following bills were ordered paid: J. H. Kocher, repairing lock and chair, 50c; Electric Light Company, February and March light, \$2.10; Bernard Boyle, hauling coal, \$7.50; P. J. Boyle, hauling coal, \$2.25; Tribune Printing Company, Limited, printing and supplies, \$5; Freeland Water Company, \$13.34; John Montgomery, supplies, \$3.05; A. Oswald, cleaning supplies, \$3.10; Cox Bros. & Co., February coal, \$55.10.

A Sweet Breath is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders.

By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." School Board Meeting.

Directors Brogan, Brennan, Boyle, Buckley, Isaac, Fetterman, Kline, McGeehan, Shelhamer and Timony were present at the regular monthly meeting of the borough school board Monday evening.

Correspondence that passed between the secretary and Cox Bros. & Co. was read. This related to the action of the company in advancing the price of coal in January without notice to the board.

In violation of a verbal agreement made in December. The only excuse offered by the corporation for its breach of faith was that the price had been advanced to all outside parties on January 9.

A request from Miss Hannah McLaughlin, asking that her application for a diploma from Bloomsburg normal school be endorsed by the board, was granted.

The monthly report of Supervisor Principal Hanlon showed the enrollment for the fifth month to be 931; average attendance, 744; percentage of attendance, 83.

We further certify that we have carefully examined the foregoing accounts of the collector, secretary and treasurer, and that we have found the same true and correct. Signed and sealed this twenty-fifth day of March, 1903.
