MINERS' TROUBLES.

Friction Developed at a Large Number of Collieries on Saturday.

Saturday again brought forth a number of disputes between operators and miners in various sections of the region. Notices were posted at all the Reading Company's collieries in the Schuylkill district in the morning requiring employees to work nine hours on Saturdays. Some of the bosses further informed the mine workers that if they did not work the nine hours they should consider themselves discharged. At the Indian Ridge colliery of the Reading the employees quit at noon, and also at Packer No. 3 colliery of the Lehigh Company. All other collieries quit at seven hours.

Notices bearing the signatures of the chief officials of the company were also posted Saturday morning at all the collieries owned by the Lehigh Valley Company throughout that region requesting the men to work the nine-hour day on Saturday the same as the rest of the week. At half-past 2 Saturday afternoon, which marked the end of the eight-hour day, the men laid down their tools and quit.

At Mahanoy City colliery the bosses attempted to stop a stampede of the miners who quit work at the end of seven hours in spite of the nine-hour order, but they were swept aside.

The driver boys employed at No. 1 Red Ash colliery, Wilkesbarre, are on a strike and operations at the mine have been suspended. The boys claim that they are compelled to go to work at 6:30 o'clock in the morning and continue until 5 o'clock in the afternoon, with only a half hour for dinner. This, they allege, is nine and a half hours, and for this they are only paid for eight hours' work.

Fifty men employed in the Laurel Hill colliery of the Lehigh Valley Coal Company, at Hazleton, went on strike Saturday morning. Previous to the award of the Strike Commission they were obliged to work nine hours, in which time they had to load three cars of coal for a shift. Since that time they believe they should work one hour less and claim it is impossible to load that number of cars.

The joint meeting of the three district executive boards of the United Mine Workers, called for today at Wilkesbarre, has been postponed until tomorrow, on account of National President Mitchell not arriving until this evening.

Discharged the Fireman.

From the Hazleton Standard.
Thomas Holland, employed as fireman at Stockton No. 7 for Coxe Bros. & Co., was discharged on Saturday by orders of Superintendent Kudlick, who has the exclusive management of this particular colliery of the Coxe operations. Holland was discharged because he refused to work on Sunday. At this colliery as applying to the firemen the award of the Strike Commission is not being observed. Instead of having three shifts at the boiler house there are but two, and the night man is regarded as a watchman and works fourteen hours for a shift, while the man employed by day works ten hours for a shift.
Holland was employed by day and had every Sunday off since the award went into effect on April 1, but was requested to work yesterday, but refused and for this reason was discharged.

RAILROADS.

To avoid damage from floods, the tracks of the D. S. & S. Railroad are to be relaid between Gum Run and Tomhicken. The new roadbed will be placed several feet farther up the mountain side than at present. The tracks now run alongside a creek, the waters of which give the railroad company much trouble at certain times of the year.

Employees of the Lehigh Valley's Freeland branch are anxiously awaiting the announcement of the spring timetable. It is said that further retrenchment will be ordered, while others firmly maintain that the branch will get back some of the trains which were recently abandoned.

Pardee & Co. propose to do extensive stripping near Cranberry, along the present route of the D. S. & S., and the tracks will have to be removed a considerable distance. A large amount of cutting and grading will be required for the new roadbed and part of a very large slate bank must be removed to give the railroad a new route.

A new timetable went into effect on the Wilkesbarre and Hazleton Railway yesterday. The principal change is the addition of another train for Wilkesbarre, leaving Hazleton at 6 a. m.

Will Retain Control.

The question of retaining control of the Grand opera house or leasing it was settled yesterday afternoon by the Young Men's C. T. A. B. Corps, the owners of the building. The sentiment of the members was practically unanimous in favor of retaining control, and this was the final decision of the society. J. J. McMenamin, the present manager, was re-elected to the position for the season of 1903-1904.

Notwithstanding the fact that the season opened very late, the showing made by Mr. McMenamin and the board of directors has been excellent and the society feels that it is more profitable to continue its present plan than to lease the property.

Held a Short Session.

An adjourned meeting of the borough school board was held Saturday evening with Directors Brogan, Buckley, Boyle, Isaac, McGeehan, Timony and Slattery present.

After some discussion on the question of extending the length of the term a motion was made to reconsider the board's action last August, when seven months was fixed as the period for the schools to be open.

The motion received the votes of all members present, excepting Director Isaac, who voted against it. Failing to secure a majority vote of the whole board, the motion was declared lost, after which the directors adjourned.

Daniel Kugler Buried.

The funeral of the late Daniel Kugler took place this afternoon from the family residence on Birkbeck street. Services were conducted by Rev. J. J. Kuntz, after which the remains were interred at Freeland cemetery. Mr. Kugler died Saturday morning after an illness of about one month. He was aged 79 years and is survived by a wife and the following sons and daughters: Mrs. Joseph Hinkle, Upper Lehigh; Mrs. J. L. Metz, Ashley; Mrs. John Wido, Wilkesbarre; John, Frank and Louis, Freeland, and one step-son, A. J. Beltz, Drifton.

A Sweet Breath

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years—tried all kind of remedies but but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Grover's City drug store.

THEATRICAL.

The indications are that the Grand opera house will be well filled this evening, when the three-act opera, "The Minstrel of Capri," will be produced for the benefit of St. Anthony's Italian Catholic church. The cast of characters is as follows:

Morantina, the Minstrel... Millie Bonomo
Mary } American Girls } Annie Bonomo
Katie } who are sisters } Lizzie Jenkins
Aunt Phoebe, their Aunt. Mrs. O'Donnell
Lady Arabella..... Mattie Brown
Queen Margherita..... Bertha Wenner
Maid of Honor } Stella Rugan
} Emily Eckert
Pages } Florence DePiero
} Annie Capece
Elizabeth, Maid of Lady Arabella...
} Millie Capece
} Spencer Edmunds
James, Footman to Lady Arabella...
} Irene Wenner
Rosetta, Innkeeper.....
Stella, her Maid..... Millie Llewellyn

The characters represent persons inhabiting the Isle of Capri, where all the scenes of the play are laid.

A toy symposium rendered in comical costumes, and the Strike Commissioners in local burlesque, are specialties which will follow the close of the opera.

An attractive stranger will visit this town on Thursday evening, when Miss Mabel Pennock, supported by the new Baker and Gibson Company of metropolitan players, will appear at the Grand opera house in what is promised as a sumptuous revival of "East Lynne," the version to be used being that prepared by the late Ada Gray, who appeared in it more than 7,000 times. One is not accustomed to hear of "East Lynne," popular as it has always been, being revived in handsome fashion, with regard to either scenery or dresses, but we are told that this production consists of four artistic sets of scenery and that the women in the cast will wear gowns made from the very latest Parisian modes.

Many a tragedy takes place in the great mining regions of Pennsylvania, particularly at the time of a great strike. One of those is brought out in the successful American comedy-drama, "The King of the Coal Fields," which the people of this town will soon have an opportunity of witnessing. Love, hate, treachery, heroism and bravery, all are found in this play. As is generally the case in real life, right and virtue triumph in the end. The men who fought for their homes and manhood in the anthracite strike are shown in the midst of the battle, and the sympathy of the audience is always with them.

A Successful Affair.

The first annual ball and banquet conducted by the Crescent Athletic Association on Friday evening was an occasion which gave great pleasure to the one hundred couples who attended. The festivities began at an early hour at Krell's hall, where DePiero's orchestra supplied dance music until shortly before midnight, when the members and their lady friends marched to the Osborne hotel and partook of the excellent menu which had been prepared for them.
Con Welsh was toastmaster and filled the position most creditably. A number of the club members entertained the assemblage with songs, addresses and recitations, after which all returned to the hall, where dancing was continued until a seasonable hour.

The affair was the most auspicious ever held by the club and the members and their friends are justly proud of the successful manner in which it was conducted.
Popular Mountain Park.
That rustic resort, Mountain Park, is becoming more popular each year and the picnic and excursion parties booked for the coming season exceeds in number those of former years. The Park has been put in excellent condition by the New Jersey Central and many improvements made. It is the ideal resort of the region hereabouts and the bookings are being made by J. S. Swisher, D. P. A., Saranton, to whom application should be made at an early date for reservations and information.

Due Notice is Served.
Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure, unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. Grover's City drug store.
