All Shapes of Men SCHOOL BOARDS **NEW OFFICERS**

All Diliquips UI Willing Can be fitted and suited here. We have clothes made for the "hard to fits" and we fit them. Many stout and slim men who give up trying to buy clothes ready what they want. If you are an extra tall, short or fat man come and see what we can do for you. We'll surprise you with the clothes; possibly more with the prices—for, being unusual in shape; you've had to pay a penalty to your tailor. We do away with that and charge you no more than we do the ordinary built man. We also have a large line of Ladies' and Gents' Furnishings, Nats, Caps, Neckties, Dry Goods, Notions, etc. Large line of Trunks and Suit Cases.

After ten days he is to re-enter the hospital, where an operation will be per-formed upon his injured leg. Three bones of the limb are yet out of place and an effort will be made by the sur-geons to replace them. William Gillespie and Patrick Quinn, both of Drifton, expect to be discharged on Saturday. The former was treated for a powder-burned leg and the latter for appendicitus.

The Board of Trade. An interesting meeting of the Board of Trade was held last evening. In the absence of President Oswald, who was taken ill yesterday, and Vice President Murphy, who was out of town, Hugh Malloy was called to preside. The in-dustrial committee reported progress, also that much correspondence is being conducted by the committee. The secre-tary read several notes from the Factory Bulletin regarding firms who desire sites. They were ordered turned over to the industrial committee. Chairman Crawford, of the railroad committee, read a copy of a letter sent to the Jersey Central officials requesting a meeting to discuss the advisability of an extension to town. In answer he had received an interesting reply from E. E. Kerwin, who had interested Messrs. Huntington and Koons, of the freight department. A letter sent to W. G.
