# CROSLLEY RADIO

Whatever happens in 1929

**\$15**  
You're there with a Crosley  
WITHOUT TUBES

## 8 TUBE AC Electric JEWELBOX

### AND THE DYNAHONE \$25

Brilliant new dynamic speaker

The greatest achievement of the world's largest radio factory. Crosley makes fine radio. Every resource is at their command. . . . engineers . . . patents . . . laboratories . . . inventions! Years of experience have taught them how to make good radio in great quantities at low cost. Crosley has made nearly 2 million radio receivers and Musicones.

Now they produce unmatched values in 1928-29 radio! Here in this amazing new Jewelbox you find modern, advanced features which are the "talking points" of radio receivers twice, three times and even more its price.

1. Genuine neodymium circuit.
2. Complete shielding.
3. Full 180 volts on plates of power output tubes.
4. Modern illuminated dial.
5. Amazing selectivity.
6. Acute sensitiveness to distant signals.
7. Astonishing volume.
8. Volume control that reduces music to any degree of softness WITHOUT detuning the set.
9. Adaptability to any type of console cabinet.

So wonderful is this radio—so sound the policies of the great company behind it—and so enthusiastic are we of the joy and pleasure it gives you that we want you to try it in your own home, at no expense to you! If you can't call, use the coupon.

**6-TUBE BANDBOX \$55**  
Stores battery operation. The Crosley Bandbox is completely shielded, has accumulators for sharp tuning on distant stations, the modern illuminated dial and all of the other features which have made it the most popular radio set of the past several years.

**5-TUBE BANDBOX, Jr. \$35**  
Dry cell type. Small and compact, readily portable, economical to operate. The additional stage of radio frequency makes the Bandbox, Jr., more sensitive, bringing in distant stations with volume.

**MUSICONE \$15**  
The Type D Musicone. It can be used on any Crosley set and will give a good account of itself with any set on the market. It stands alone in the field of magnetic speakers and is priced moderately. Dimensions and weight are the same as the Dynacone.

**DYNAHONE \$25**  
The Crosley Dynacone makes use of the D-C plate current to energize the field magnets, giving a true dynamic type with greatly improved tone and volume. Made in two types: Type E (two leads) and Type F (four leads). Same size and same price.
