This week Laketon High School basketball games were scheduled for last night instead of Friday as usual. There were very interesting games played.

The very first game that our boys played this season were played at Weatherly. The boys motored to Weatherly early in the season and both teams were beaten by a large score. Now we are very desirous of having basketball fans, of which there are many around Laketon, see what our boys can do in the line of defeating. We are sure it will be worth seeing, if only to see what a fine group of sports we have. We also want to give Weatherly an unusual warm welcome, because—well, then perhaps they won't go away feeling quite so badly.

We are not just boasting for our varsity, as no school boasting was played at Laketon in the country has a better second team when it comes to "good-lookers" and graceful motions. And when, every now and then, they play the varsity, it are beaten, and sometimes they defeat the varsity.

A girls' game is also scheduled for that same night, when the varsity of Laketon will meet the varsity of Kingston Township High. Our girls are looking forward with pleasure to this game, as they have never before played this particular team until this year.

So, "fans," if you want to see a series of good games, and get your money's worth in the bargain, come and see our boys and girls play. You are assured of plenty of cheering, as we are all taking special care of our lungs and throats this week.

IN MEMORIAM

Here lies the body of our Class Historian
(Josephine ... by name)
"Jo" was ever faithful and
For Laketon won much fame.

Here lies the remains of Lyman Hansch
The champion "Honeymooner",
Now Honeymoon is tobacco
Wonder it didn't kill him sooner.

"Ashes to ashes and dust to dust"
Was Bessie's favorite saying
Poor Bessie died from—laughing
Now we wonder where she's staying.

"I ain't got nobody", said Barney,
"Nobody care" for me,
I like to trap and ketcha das kunk,
Why don't somebody care for me.

Sally was neat
Sally was sweet
Sally could always smile
Sally's at rest
We hope she's blest
And not thinking of Caesar's trial.

A Ford is sure an awful cure,
Sighed Jud in Sally's ear,
But now he's far from earthly woes
And from temptations clear!

Here rests our president's body,
(Harry was his name)
He always (?) did his Virgil,
For heaven was his aim.

P. S. Here lies thep oet of immortal fame
(Lois is the name),
And all of you who've ever read,
Her writings, sure are glad she's dead.

Senior Reporter,
LOUIS SORBER.

Dallas Borough

HARRY DOHL, Supt.

A party was held in the Meridian D-room on Tuesday evening in honor of Abraham Lincoln. Games and dancing were enjoyed and lunch was served to the following: Jeanne Disque, Ruth Hull, Eleanor Machell, Madeline Sullivan, Helen Czulegar, Anna Mae Sullivan, Mary Penxa, Kathryn Penxa, Alice Baer, William Brickel, Richard Coolbaugh, Russell DeRemer, Earl VanCampen, Leonard Machell, Glenn Schmoll, Kenneth Disque and Mr. and Mrs. John L. Sullivan.

Visitors

Five members of the Alumni visited the High School Tuesday afternoon. The visitors were: Minnie Martin, Dorothy Moore, Mildred Bunny and Leonard Machell from the Class of '28 and Margaret Harvey from the Class of '27. They are attending Coughlin High School and on had a half session. We were very pleased to have them and hope we shall have more visitors. Dallas Borough had a full session on Lincoln's Birthday as we expect to have a half session on Washington's Birthday. School will start on the 22nd at 8:45 a. m. and have classes until 11:00 o'clock.

Programs are being arranged in the rooms to take place at 11:00 o'clock until 1 o'clock and these programs will include both Lincoln and Washington. Visitors are welcome.

Third Grade

(News from Japan—Louise Frantz)
I will tell you about Japan. Most of you know Japan is many miles away from where you live. We must cross the Pacific Ocean to go to Japan. Japan is called the "Land of Cherry Blossoms" or sometimes the "Land of the Rising Sun." Japan's most important foods are tea and rice. They raise these better than we can because the land is so wet.

The Japanese wear shoes made of wood. Their shoes are called clogs. The people of Japan sleep on wooden pillows at night. They sleep this way because their hair does not get mussed as much as if they used feather pillows. Japanese ladies do not fix their own hair. A hair dresser comes to the house to fix their hair.

Fourth Grade

(Abe Lincoln by Frank Klug)
Abraham Lincoln was born in the backwoods in a little log cabin in 1809.

Little Abe went to school for a few months and then he had to come out to help his father. Abe was fond of reading books such as "The Life of Washington" and "Pilgrims Progress." He worked very hard at splitting rails. When he needed a new pair of pants he would split five hundred rails to earn them.

Young Lincoln rowed two men out to a steamboat and earned his first dollar when the two men threw two silver coins to him. He was glad to earn this in such a short time.

One day Abe borrowed a book of a neighbor. He promised the neighbor he would work for him to pay for the book. The neighbors said Abe was honest but Abe insisted on doing the work.

Later he got a job taking a flat boat down the Mississippi River to New Orleans. That was the first young Lincoln was away from home.

Only One Road to Health

O. H. AURAND, Supt.

Miss Florence Weintz entertained the Junior Class at her home on Monday evening. The evening was spent in music and pulling taffy. At a late hour a light lunch was served to the following: Misses Jean Major, Lillian Casterline, Nell Holcomb, Louise Brown, Ella Frantz, Ruth Scovell, Hildreth Garnett, Mary McCaleb, Marion Weintz and Florence Weintz, Messrs. Emerson, Brown, Mike Skopic, P. H. Aurand and Carl Brandon.

We are all wondering where Bryce Major and LaneFord Sutton were. Do they always retire at even? Or is taffy-pulling too violent for them?

Miss Katherine Stolarick has missed several days of school on account of sickness. Her classmates wish her a very speedy recovery. No wonder the Junior girls lost at basketball last Friday.

Questions ???
We wonder why the Junior Class are all considerably agitated over the double seat question? "Teacher" has refused to interpret it for us. Everybody wants one—with somebody else.

We are also wondering why, how, when and where the fad of boys wearing aprons originated? Only those who are henpecked wear such ornaments.

High School

Last Friday evening the High School Carsity lost to White Haven's fast team. At the same time the Senior girls defeated the Junior girls and the Scrubs defeated the Dallas A. C. Reserves.

At noon Tuesday a ferocious battle was fought between teams representing Idetown and Huntsville. The enthusiasm shown was very great and the game was worthy of it. At the end the score was 17-17 and there was no time left to play off the equal score.

Again three classes in High School banked 100 per cent. Only three members of one class had forgotten their books, due to sleepiness.

Presidents Tammany Men

"The History of Tammany Hall" says: "The kitchi okeinar, or great grand sachem, was an honorary office conferred by the Tammany society upon the following Presidents of the United States: Washington, John Adams, Jefferson, Madison, Monroe, John Q. Adams and Jackson. The office was abolished after President Jackson's term."

Cope, county superintendent of schools and each of the five superintendents. It is conducted by these High Schools for three major purposes: to foster, sponsor and exchange High School and Inter-High School activities of the respective schools; to inform the public of this section about matters pertaining to the school life for which their taxes are paid; to develop the literary talents of the student editors of each class of the five schools.

Jokes

- Miss Taylor—"Robert, where do you find the spinal curve?"
Robert—"In a pig's tail."
Frank—"Edgar, you had better stop using oil on your hair."
Edgar—"Why?"
Frank—"Because everything slips off your mind so easily."

Dallas Girl Scouts Form Safety Patrol

Dallas Girl Scouts are doing their best in looking after the welfare of the younger school children by establishing patrols at the intersection of Main and Huntsville and at the crossing at the schoolhouse. The girls on duty are not acting as traffic officers to interfere with traffic in any way but will see that children do not attempt to cross the street in front of vehicles. The girls will work in pairs, Doris Roberts and Helen Himmler being at Main Street this week and Helen Czulegar and Catherine Griffen at the school. From 8:15 until 9 a. m., 12 noon to 1 p. m. and after 4 p. m. the girls will be ready to assist all who need it in crossing.

The teachers of the local school are encouraging the move and the girls request the cooperation of the parents by instructing the children to look out for and be governed by the directions of the girl scouts on duty. The new plan is not intended to relieve the borough police of traffic regulation responsibility and automobiles will be governed by the regulation of the regular officers.

Sportsmen Take Action To Obtain Quick Results

In order to obtain best results from sportsmen of this section, camp officials, United Sportsmen, ask that complaints be made to heads of the various committees. Requests for fish should be made to the fish committee. Requests for rabbits and pheasants should be made to other committees appointed to look after this work.

Each committee has a definite program of activity mapped out for the year and backed by the organization it is the intention, it is anticipated much good will be accomplished this year.

Gives Talk On Lincoln

Rev. J. L. Thomas was present on Tuesday morning at the high school in Kingston Township and took charge of the devotional exercises, after which he gave an interesting lecture in commemoration of the anniversary of Lincoln's birthday. Miss Lillian Eckhart rendered a solo, accompanied by Miss Norma Williams. Several songs were then sung by the school. Mrs. Taylor played a march and the pupils marched to their respective rooms to take up their lessons.

Official Board of M. E. Church Meets

Official board of the M. E. Church met at the parsonage Tuesday night. Various matters of business were handled. The plans for the proposed addition to the church building were examined and a few minor changes suggested. No action was taken pending the final report of the investigating committee which will continue to study the plans and also secure some estimates of the cost of the project.
