(11) The Scranton-Spring Brook Water Service Company

The water supply of the entire Wilkes-Barre district, comprising 52 separate civil divisions, with an area approximately 90 square miles, is furnished by Scranton-Spring Brook Water Service Company. The total population is estimated at 371,000, which is

served through 82,500 taps in the distribution system.

The water, obtained from virgin mountain springs and streams, from 15 separate sources in forested watersheds, is impounded in 39 reservoirs, providing a total storage of 12 billion gallons, and distributed through 705 miles of distribution mains.

All Water Served To Consumers Is Carefully Sterilized. 30 NORTH FRANKLIN STREET

YOU can shop more economically by patronizing advertisers who advertise in THE POST. A consistent advertiser is a contistent valuegiver.

IF it's the best in radio, reasonably priced, you'll find it here! Listen to this new Model 46—the Atwater Kent Electro-Dynamic Radio. Hear that tone-sweet and natural! You know it's good radio because the reputation of the largest radio manufacturer in the world -as well as our own-is behind it. And the price is reasonable because of scientific big scale production, and huge demand. Come today!
