INTER-HIGH SCHOOL NEWS OF GREATER-DALLAS

NUMBER 18

Lehman Township

O. H. AURAND, Supt.

Lehman Varsity basket ball teams (boys and girls) clashed with Laketon's Varsity team. Lehman Girls' team were in the lead until the very last minute. The girls' score was 19 to 27 in favor of Laketon. The boys score about 23 to 16. This was one of those "hurts me worse than you" experiences.

Tuesday the Boys' basket ball squad went to Ace Haffman's studio to get their pictures taken. No fatalities were reported.

Revised fad is now in full sway in Lehman. That of wearing hair ribbons—for ladies' only. Some of the girls look quite becoming—becoming young again.

The Girls' Varsity and Scrub teams played Wednesday at noon. The score was 13 to 16 in favor of the Scrubs. This is getting to be a habit, as the Scrubs have won the last three games.

The Seniors have a very good collection of seeds to be sold. The price is 16c per package or \$1.85 per box, containing twenty packages.

The school was very much inspired by an address on European conditions given last Thursday by Mr. E. C. Ramsey. His talk was interesting and it provoked much thought and discussion. Our only regret was found in its necessary brevity. Every high school student should keep in touch with world affairs and Mr. Ramsey's knowledge is first-hand.

Sugar in Philippines
Sugar cane has been grown in the Philippine Islands since time immemorial, but it is considered probable that the sugar industry was introduced by the Chinese, since many of the early implements used came from China.

HIGH SCHOOL PAGE

This page is contributed to the interest of all the High Schools served by The Dallas Post. It has the approval and active support of A. P. Cope, county superintendent of schools and each of the five superintendents. It is conducted by these High Schools for three major purposes: to foster, sponsor and exchange High School and Inter-High School activities of the respective schools; to inform the public of this section about matters pertaining to the school life for which their taxes are paid; to develop the literary talents of the student editors of each class of the five schools.

(6) The national flag champions will be given a free trip around the world, accompanied by a woman of national prominence, a complete traveling wardrobe, including trunks and hand baggage, and adequate spending money.

We are entering this contest with the hope that the "bacon will be brought home" by the Laketon students, for success is just a synonym for L. T. H. S.

Color of Army Uniforms

Khaki is derived from a Hindu word meaning dust-colored. In some parts of India the roads and fields are very dusty during the dry season. Their appearance at that time is the color originally described as khaki. British troops in India adopted this color for protection in 1882, and the United States adopted it during the Spanish-American war. The color of today's American army uniform is olive drab.

Marm From Moss

As a dried up Spanish moss will grow on trees without proving a hindrance in any way. There are cases on record when it would seem that Spanish moss has contributed to the death of a particular tree, but other factors also were present.

Miss Taylor has been absent from school this week on account of illness. Mrs. Whitsel has been substituting for her.

Over the week-end someone broke into the school house and took three electric sewing machines and most of the cooking utensils.

The Tenth Grade joined the Ninth Grade in giving a farewell party to Arthenia McKeel at the school building Thursday evening, March 28. The Seventh and Eighth Grades were also invited.

Mr. Kester and Mr. Drake drove to State College over the last week-end. At its regular meeting the Eighth Grade decided to have a class banner three feet by two feet. Red letters are to be placed on a blue background. Miss Taylor is to choose the material. A committee composed of Evelyn Ryan, Florence Evans, Miss Taylor, and Darwin Husted are to make the banner.

It was also decided to send Miss Taylor some flowers. Tulips were chosen. Base ball is to be begun in earnest next week.

The meal will be served in the church parlors and the entertainment will be given in the auditorium. Thursday—

The financial secretary will be at the rear of the church Sunday morning to give information and credit to any who wish to pay up. This is "Pay Up" Sunday, being the last Sunday of the financial year of the church. The envelopes for next year will be on hand and those wishing may take them home from the service so as to be ready for the next Sunday. Everyone is requested to take and use the envelopes as it gives the financial secretary a check-up on all payments and makes it easy to find mistakes if they are made and to correct them. Again it is easy to pay when you have the money and you can put it in the envelope and take or send it to the church when convenient to pay. As the bulk of the church bills come due each month it is best for all around if the members and friends of the church would pay their subscriptions weekly or monthly.

The last Sunday of the Conference year will be April 7th. Holy Communion and reception of members will feature the morning service.

Shavertown

Shavertown Methodist Episcopal Church Dedication

The Shavertown M. E. Church was dedicated last Sunday with impressive services. Dr. A. C. Goddard, of New York City, preached at the three services. Dr. Goddard is executive secretary of the Commission of World Peace, and has been heard over the radio by many local people.

Rev. Fred E. Lott, LL. M., superintendent of the Wilkes-Barre District, dedicated the church to the furtherance of Christianity.

Rev. C. B. Henry, of Dallas, retired minister, preached the services. The following ministers extended greetings to the pastor and members:

Dr. L. L. Sprague, Wyoming Seminary; Rev. G. Elston Ruff, of the Lutheran Church and Rev. A. Iveson, of the Primitive Methodist Church.

The church was filled to its capacity at the three services. The pledges taken at the three services was more than enough to cover the indebtedness.

The members are very proud of their beautiful new church.

There were services and special music each night. The services were delivered by several ministers of the valley. Easter Sunday Bishop Ernest G. Richardson, of Philadelphia, will be the speaker.

Briefs

Doris, daughter of Mr. and Mrs. Earl Monk, former residents of Dallas, has been ill for the past week.

We are always glad to welcome strangers into our midst, and we certainly do hate to see any one leave. We are very sorry to hear that Mr. and Mrs. George Watkins, of Huntsville Street, will soon be leaving us to make their home in Williamsport. We hope they will like their new home.

Rev. H. F. Henry performed a double wedding in the new Methodist Church, of Shavertown, last Wednesday when Miss Norma Williams was married to Donald Warmouth, both of Shavertown and Miss Lillian Eckert, of Shavertown became the bride of Phillip Weidner, of Luzerne.

After the ceremony they left by motor for a honeymoon trip through York State. Both couples are making their home with Mrs. O. E. Nash on Centre Street for the present. Mr. Weidner is employed by his father in Luzerne and Mr. Warmouth is studying for the ministry. Both brides are members of the Senior Class of Trucksville and expect to graduate in June.

One of the best trained musical productions yet to be given in St. Paul's Lutheran Church is the Easter cantata to be sung by the choir Sunday at 7:30. It has been directed by K. G. Laycock, with Thomas Hontz, organist. Others participating are: Mrs. L. T. Schwartz, Mrs. Charles Dressel, Emeret Dressel, Mae Hontz, Betty Jane Laycock, Hamilton Clemow, M. J. Girtton and George Malmemes. Preceding the cantata on the Sunday evening program will be an Easter play, translated from the Old English of the Tenth century. The characters will be those involved in the Resurrection scenes in the familiar narratives. The whole program will total about one and one-half hours.

The Communion will be celebrated Easter Sunday morning at 11 o'clock.
