

ALDERSON AND VICINITY

Spring really seems to be with us, since the ice which keeps us in touch with Old Man Winter has all melted away and we can see the waves and the white caps once more. The returning birds also bring their touch of spring. Already we have had our share of bluebirds and robins and a flock of myrtle warblers stopped to visit us one morning this week. They only stayed a few hours and then flew on to the northward where they will spend their summer. We also have seen a few phoebes and one solitary kingbird. Truly spring is with us once more and few of us are sorry.

Mr. and Mrs. Peter Delaney and son Edwin visited Mrs. Delaney's mother, Mrs. Hattie Rauch last Sunday.

Miss Sarah Jane Zacharias, who underwent an operation for appendicitis at the General Hospital last Monday is reported as doing finely and we hope she will soon be able to return to her home.

Benjamin Rood is spending Easter vacation with his parents, Mr. and Mrs. I. A. Rood. Ben is attending a school in Ithaca, N. Y. where he is learning how to master a linotype machine.

Miss Genevieve York is spending

Easter vacation with her parents here at Alderson.

The Men's Club will serve a supper in the basement of the Methodist Church, Wednesday evening, April 3. With memories of past suppers served by them before us, we can guarantee you a very satisfying meal.

The Easter rabbit has been very busy this week getting ready for the Easter egg hunt to be held today at Fernbrook Park under the auspices of the Dallas Rotary Club. Of course we cannot tell at the time of this writing but we are quite sure that the kiddies will find that Mr. Rabbit has not fallen down on the job.

Mr. and Mrs. Albert Gaines and Mrs. Taylor, of Wilkes-Barre, spent last Thursday visiting at the home of Mr. and Mrs. G. E. Altemus.

Just at present some of the youngsters about here are enjoying attacks of measles. According to latest reports there are about thirty cases in this end of Lake Township. Since they say that measles is something that "has to be had" we guess it will be a good thing for the youngsters to have and be done with them.

This week brings the end of the basketball season here at the lake. The Laketon High School teams have played a good many games this seas-

on and have had their share of defeats as well as victories. However, both the boys' and the girls' teams have upheld the reputation for clean sportsmanship and fair play that has been built up by Laketon teams of the past. We congratulate them and wish them an even more successful season in the coming year.

Mr. and Mrs. Leslie Nicholas of Plymouth visited at the home of Mr. and Mrs. M. B. Avery on Sunday last.

William Richards and Henry Shupp have returned from wintering in Florida. We have not heard much from them yet except that it seems cold up here.

Edgar and Harriet Stem are spending Easter vacation with their parents, Mr. and Mrs. E. S. Stem.

His showrooms have been crowded each night and reports the sale of five Plymouths.

In Spring Training

Abie Morris has shown unusual activity the past week. Rumor has it that he has turned down Manager LaBar's offer to play with the local Dallas team and is considering Miller Huggin's offer for a try-out with the "Yankees."

Abie has been working hard to give his parents home and grounds its spring cleaning. In clearing up the brush at the rear of his dad's land he leaned a little too heavily on the axe and broke the handle. Take it easy Abie, be careful of that right arm.

CHRYSLER MOTORS PRODUCT

THE SMART, FULL-SIZE COUPE, \$655

Plymouth's appeal is Quality

—not Low Price Alone

IN CREATING the Plymouth, Chrysler Motors has answered a great public desire for a full-size motor car—one of unmistakable quality, to sell in the lowest-priced field.

Plymouth is impressive of quality in every way—in its modishness—in the lengthy sweep and grace of its lines, in the smartness of its slender-profile radiator, in the broad flare of its "air-wing" fenders—in the harmony of every stroke and every detail of its inspired designing.

Quality further emphasizes itself in the full-size roominess and fine-car richness of Plymouth's interior. Adult passengers ride in Plymouth without being crowded and cramped. It affords utmost comfort.

Quality is apparent in Plymouth's eager performance. Its sturdy high-compression engine—of the famous Chrysler "Silver-Dome" type—gives the Plymouth a responsiveness and a smoothness superior to anything you have ever experienced in the lowest-priced field. Quality and safety
