VOLUME 7 INTER-HIGH SCHOOL NEWS OF GREATER-DALLAS NUMBER 26

-Lake Township-

CALVIN J. McHOSE, Supt.

Mr. and Mrs. Nelson Booth and Martin Fahey of Harvey's Lake have donated books to the Lake Township school library. These books include a collection of late fiction, works on science, the domestic arts and a number of classics and biographies that will be of great assistance to the students in their academic work.

In a well played game Thursday afternoon, Lake Township high school defeated the strong Lehman school team by a score of 9 to 5. The game was in part a retaliation for the defeat suffered at the hands of the Lehman nine earlier in the season.

LAKE TWP. NIGHT PROGRAM

Class night activities at Lake Township high school have been announced for Friday night, May 31, in the high school auditorium.

The program follows: March, Pauline Davis; song, senior class; class history, Josephine Grey; class prophecy, Celestine Kocher; class diagnosis, Judson Swartz; advice to juniors, Aaron Major; presentations, Lois O'Srber; class declaration of independence, Lyman Hausch; mantle oration, Harry Allen, Jr.; received for class of 1930 by John Kuchta; variations, Harry Allen; class will, Bessie Grey; class song, senior class.

WHO'S WHO AT L. T. H. S.

Josephine Grey, daughter of Mr. and Mrs. Corey Grey, was born at Bear Hollow, November 13, 1911.

Those with keen recollections will readily see that this day fell on Friday, and being the 13th, often brings sad fate to those who are more or less superstitious.

Nevertheless it has not been so with our classmate, for her fame and fate has been carefully guided by the wand of a serious and faithful spirit.

Josephine's musical talent has led our voices many mornings through chapel exercises. Her working spirit and determination of "Where there's a will there's a way," has given her the honor of being hailed and crowned the valedictorian of the class of 1929.

Josephine's winning smile and fine character have won for her a host of friends.

It is conducted by these High Schools for three major purposes: to foster, sponsor and exchange High School and Inter-High School activities of the respective schools; to inform the public of this section about matters pertaining to the school life for which their taxes are paid; to develop the literary talents of the student editors of each class of the five schools.

Circus Will Attract Large Dallas Crowd

Greatest Show On Earth Will Exhibit Countless Foreign Novelties — Herds Of Elephants, Zebras and Camels. 1000 Animals. 800 Aerial Performers

It was glorious news to young and old brought in the announcement of the appearance of the great Ringling Bros. and Barnum & Bailey Circus, with its thousand and one wonders which will exhibit in Wilkes-Barre on June 1.

The only five-ring circus in the world, with a Big Top seating more than 16,000 persons, will this year offer more new and startling acts than ever before in its history.

Not least in the attractiveness of the Big Show will be the presence of seven herds of elephants, 43 great pachyderms the majority of which are highly trained performers. There are likewise the

James Hildebrand, popular member of the senior class, has recovered from his recent operation for appendicitis and has returned to school. His classmates are very glad to have him with them for the events of commencement week. During his stay at the hospital the class visited him in a group and found him well cared for.

The remaining events of commencement week are those involving only the senior class. The sermon to the graduates will be given at the Lehman M. E. Church, May 26, at 7:30 p. m. The other events are class night, May 29, and commencement, May 31, both held in the high school auditorium. This event begins promptly at 8 p. m. instead of the hour erroneously given in a previous announcement.

Kingston Township

Z. R. HOWELL, Supt.

Professor Carle of the Kingston Township high school recently donated a set of "The World's Greatest Classics" to the school library. This set contains twenty-eight volumes. We thank Professor Carle for his donation. We also hope that the students will take advantage of these books as the rare a very valuable.

The high school baseball team has played four games so far this year. The scores of the different games were as follows:

Kingston High School 4, Trucks-ville 25.

Dallas Township 2, Trucksville 10.

Laketon 5, Trucksville 24.

Laketon 8, Trucksville 14.

The school has an exceptionally fine team this year and we hope to have a very successful season.

The results of a speed and accuracy test conducted in the algebra class were as follows:

First Section—First honors: Bill Rowlands; second honors, Donald Smith; third honors, Dorothy Hay.

Second Section—First honors: Grace Heft; second honors: Marjorie Post.

Professor Taylor of the high school recently spoke before the Dallas Rotary Club at its dinner meeting.

Miss Ellalee Shoemaker of the Junior Class has won the state essay contest conducted by the Brooks-Bright Foundation. This honor entitles Miss Shoemaker's essay to be entered in the final contest at Washington, D. C. If she wins this contest she will be entitled to a year's study in Europe.

Glen Avery of the Freshman class cut his finger quite seriously while working in the shop one day last week.

The field day of Kingston Township schools was held on the grounds at Shavertown on Friday. The winners of the various events will then be entered in the Luzerne county field meet at Kirby Park on Wednesday.

The exhibition of school work on display in the Shavertown building on Friday attracted much attention. The teachers and pupils are to be congratulated upon the splendid exhibition.

A similar exhibition will be held in the Trucksville building on Friday, May 31st. School will be in session on that day and patrons and friends of the school are invited to visit the classes as well as the exhibition of school work.

largest herds of giraffes, zebras and camels in captivity.

The menagerie of the Ringling-Barnum Circus is the biggest traveling zoo in the world, and in its gilded cages there appear every known variety of animal, brought from the earth's remote corners by agents of the huge amusement institution.

And at each performance is to be seen "Goliath," the monster sea elephant, weighing five tons and eating 400 pounds of fish daily. During the last year "Goliath" has grown a full ton in weight.

The circus marts of the world have been combed to produce for this greatest of all shows the most daring and spectacular acts, chief among which this year is the one and only original Zaccini, "The Human Projectile," fired bodily through space from the mouth of a monster cannon.

The Big Show travels on its own four trains of 100 double length railroad cars.

Office Dog

Well! here I am back again after a nice long snooze behind the office desk. Folks have been kind to me lately and I've had lots of food until this week. Now it looks like everybody's paying more attention to these White Scotch Collies and German police puppies that the Post Gold Dollar Man is going to give away to boys and girls in this vicinity. Woe is me—the humble office dog. And to think I've stuck by this newspaper through thick and thin and now they bring along competition.

Well, anyway, if I don't miss my guess, this Post Dollar Campaign is going to cause more excitement in these parts than the arrival of the Pied Piper of Hamelin, Santa Claus, Rip Van Winkle, Barnum & Bailey's circus and food all at the same time—I must have my food. I hope somebody with a tender heart for poems and literary gems saw that word food in the sentence above.

Oh, well, I guess I'll take another little snooze behind the desk and let these other pups get the attention. Just wait till some boy's mother, who doesn't want a pup, sees him bringing home one of those darn collies or German police. Won't I be happy then. If I don't miss my guess, this campaign is going to have most of the mothers and fathers in this vicinity crazy before its done—and me too.

But just to let you know I'm all right now and that I don't sleep all of the time, here's a couple of stories and a jingle I heard this week.

The angry grocer ran around the counter and seized the customer by the arm. "Do you know, madam," he blurted, "that you dog has eaten a pound of my best fresh country butter? I saw him do it a second ago!"

The customer regarded the grocer coldly.

"I did not know it," she replied. "But if you are quite sure it was your best butter, and that it really did come from the country, I don't think there is much reason to suppose it will do him any harm."

"You hit your husband with a chair? Pray tell me why you did it, Mabel?"

"I did it," sighed the lady fair, "because I could not lift the table."

"She's just buried her fourth husband, hasn't she?"

"Divorced, my dear, not buried—she never makes any bones about these things."

Father: "Why were you kept in at school?"

Son: "I didn't know where the Azores were."

"In future just remember where you put things."
