

**With Triple Tie
In Rural League**

Dallas, Hunlocks, West Wyoming Head League With Three Games Each

After leading the league for three weeks, the fast Hunlocks Creek club was set back by Dallas to make a three-way tie in the league. The score was 5 to 0, but it represented one of the best games of the season, as the Dallas boys realized the heavy bats of the Hunlock boys could overcome a five-run lead very easily.

On the other hand, Chet Culver was quite stingy with hits when they were needed, several times the lower ends filled the bases but were unable to score due to fast team work on the part of Dallas and the superior pitching of Culver in the pinches.

Dallas was outthit eight to six but much credit goes to Stetzer and Reigles, both boys had their batting togs on and were responsible for the runs Dallas collected. Condon played his first game with the locals and while he did not get a hit his work at second base was a big factor in keeping the opponents from scoring.

Decoration Day will give this section a chance to see the locals in action, as they are booked for Hunlocks Creek on the afternoon of that day. It is expected that this will be one of the hardest fought games of the season as the Hunlock boys consider Dallas lucky to get away with the game last Saturday.

East Dallas

East Dallas lost a good chance to fall into second place when Roaring Brook put on a rally in the seventh inning to drive in eight runs and win out by a score of 11 to 5. Young Winters was on the mound for East Dallas and had the visitors eating out of his hand until the fatal seventh. No other pitchers were available. Roaring Brook thus had a big advantage to win.

Beaumont

Beaumont threw a scare into West Wyoming when it led by a two-run margin for four innings. In the fifth Austin weakened and allowed a barrage of hits which netted West Wyoming six runs and finally won the game, 11 to 3.
