Grade School Children Give Spring Program

Drills, Plays, Marches, Readings Make Up Varied Program Given Before Small Audiences

Grade school children of Dallas Borough schools presented an excellent program Tuesday afternoon and evening before students, parents and friends in the new high school auditorium.

Drills, plays, songs, readings and dances were carefully executed. Colorful costumes were featured in many of the numbers. From the beginning to the end there was not a hitch in the entire program, speaking well for the training the children had received at the hands of their teachers. The program was as follows:

Welcome Everybody, fifth and sixth grades; recitation, "The Ragged Man," James Evans; operetta, "Little Folk in Green," second and third grades; sunflower drill, third and fourth grades; songs, third and fourth grades; play, "The Bremen Musician," first grade; daisy drill, third and fourth grades; shadow play, "Hey! Ho! the Prince," fifth grade; song, "The Little Fiddle Boys," second and third grades; play, "Sleeping Beauty," first and second grades; play, "The Bank of England," fifth grades; song, "Rock-a-ye Girls," second and third grades; drill, "John Brown's Ten Little Indians," sixth grade; song, "Good Night, Folks," all grades.

Borough Schools Close Tuesday With Program

Rotary Club Presentation To Be Feature of This Year's Closing Exercises

Dallas Borough schools will close for the year with a special program Tuesday night in high school auditorium. One of the features of the evening will be the presentation of the Rotary Club cup to the highest ranking student in the high school. L. A. McHenry will make the presentations.

The evening's program will feature playlets, readings and musical numbers. The program will be as follows: "A Real Old-Fashioned Welcome," school; "The Garden," recitation, Dorothy Moore; "The First Day of School," a playlet by students; Rotary Club presentation, L. A. McHenry; "Bake That Chicken Pie, Boys;" "Don't Forget to Come Again," by the school.

Junior Baseball Team Organized At Shavertown

A Junior baseball team, made up of boys ranging in age from twelve to fourteen years, is being organized at Shavertown. The team is practicing and expects to win many games before the close of the season this fall. Squire Malkemes, "Red" Swartz and Charlie Ayers are sponsors of the team. They have asked those who have baseball bats, gloves and balls to contribute them to the team. During the summer season several socials will be run to help pay for the support of the team. Uniforms will be purchased and the team entered in local and State contests.

Alumni To Hold Dinner

Alumni of Noxen high school will hold their first annual alumni dinner Tuesday night in the Methodist Church house. A special program of music and addresses by former students and teachers has been arranged. The affair is being sponsored by the Junior class. Advance ticket sale indicates that there will be a large crowd in attendance.

MEMORIAL DAY SPEAKER

CLARENCE A. BOSTON
 Cashier of the Tanners Bank of Noxen, who was the principal speaker at Memorial Day services at Centremoreland.

300 Attend Memorial Program at Centremoreland

Decoration of Graves, Addresses and Special Program Features of the Day

More than 300 persons attended the Memorial Day program held at Centremoreland under the auspices of the Grange, Daughters of America and J. O. U. A. M.

During the morning there was a memorial program at the cemetery with decoration of the graves of the G. A. R.

At noon the Ladies' Aid Society of the Methodist Church served dinner in the church hall.

The afternoon program was held in the Grange hall. G. H. Geist, worthy master of the Grange, was master of ceremonies. There were special selections by the women's quartet and men's trio. C. A. Boston, cashier of the Tanners Bank of Noxen, was the speaker of the afternoon.

The program: America, audience; invocation, Rev. Munyon; selections, ladies' quartet; reading, Frank Brown; reading, Ethel Shook; reading, Janet Thomas; reading, Leland Gay; reading, Blanche Howell; address, C. A. Boston; benediction, Rev. Munyon. Members of the ladies' quartet were Mrs. James Winters, Mrs. Zelda Gay, Ophelia Race and Mrs. Harry Daily. Members of the men's trio were Theodore Grey, Stanley VanScoy and C. S. Schoonover.

Members of the general committee: Mrs. Eugenia Shook, Mrs. S. A. VanScoy, Mrs. Albert Race, Mrs. Walter Besteder, Mrs. Stanley Corby, Mrs. Eva Brundage, Leland Gay, Clarence Besteder and Wayne Weaver.

RETURNS FROM FISHING TRIP

John L. Sullivan, Burgess Harry Anderson and Prof. F. F. Morris were up to Nigger Pond on Wednesday last and came home with a nice mess of catfish. The boys reported that when they started home over two hundred machines were parked around the three dams, all occupants either fishing or making preparations to spend the night there fishing. This hot weather sure has brought out the fishermen.

Mentioned For Auditor

Morgan Wilcox of town has been mentioned for the office of auditor. Morgan would make an exceptionally fine candidate and would make an honest, conscientious and real audit. Better run, Morgan.

"Abie" Morris is back at Charley Gregory's store again, taking charge of the men's department.

Much More
 It is more easy to be wise for others than for ourselves.

Cappellini Cottage At Lake Burns

Thought To Be the Work of Foes of the Late Mine Workers' President

The beautiful cottage of Rinaldo Cappellini, past president of the United Mine Workers in this district, burned to the ground early Tuesday morning. Authorities are investigating the report of a fisherman who was fishing on the shores of the Lake nearby, that he saw two men in a high powered automobile drive out of the Cappellini driveway immediately after smoke was seen coming from the building.

Only a few months ago a brand new Cadillac automobile was stolen from Mr. Cappellini which was never found.

Dallas School Directors Fix Tax Millage

Favoring Increased Taxes Temporary Indebtedness, Some Directors Disagree On Liquidating

At a special meeting on Monday night the school board, assisted by Mr. Doll and Mr. Bowen, went over the financial situation for next year and after several hours deliberation fixed the millage at the same rate as last year, 25 mills, with the per capita tax of \$5.

Directors Morris and Waters submitted separate budget estimates which each totalled approximately \$20,000 for operating expenses for next year. Secretary Besecker and Messrs. Morris and Waters were appointed as a budget committee to compare the proposed budgets with the expenses for the present year and submit a corrected report at the next meeting.

There was considerable difference of opinion among the directors as to how the board's temporary indebtedness should be liquidated. During the fiscal year just closing the board has expended about \$1,000 for renewals and alterations to old building and about \$60,000 of the new building. About \$41,000 of this amount was covered by bonds, leaving about \$20,000 to be raised by taxation. The present fiscal year will close with about \$13,000 outstanding. Much of this is offset by State appropriations applicable to this year remaining unpaid, taxes not yet collected, and cash on hand.

Several of the directors were in favor of raising the tax to provide sufficient revenue to wipe out all the short term indebtedness thereby eliminating the interest charges, which in the long run would be a substantial saving. Others held that the tax burden is now plenty heavy enough and that the debt should be paid off over a period of years to avoid any increase in the millage.

The present millage will permit the payment of several thousand dollars each year.

Roat Hardware Opens New Store

In an advertisement in another section of this issue the Roat Hardware Company announces the opening of its new store at 729 Wyoming avenue, Kingston. For the three times in less than three years this young energetic firm is moving to new and larger quarters. This time into its own building, the one on Wyoming avenue formerly occupied by Ira Winter's dairy.

The members of the firm are well known to local persons. They have been associated in the hardware business for a number of years. Stuart Major of Kingston was formerly a resident of Noxen. Harry and Arthur Roat and Clayton Jones have many friends in this vicinity. An interesting coincidence is that the two Roat boys and Mr. Major were all former members of the United States flying corps and are now associated in business together.

During the official opening of the store all this week there will be special demonstrations of paints, electrical equipment and hardware supplies. Each visitor to the store will be given souvenirs and at the end of the week there will be more than fifty prizes awarded to persons who have visited the store during the week. Included in the prizes are breakfast nook sets, electrical equipment, mechanics' tools and two score other prizes.

LOCAL REFEREE ACTIVE IN CONGRESSIONAL CAMPAIGN

Local Referee Asa E. Lewis is quite active among his friends on behalf of C. Murray Turpin, the Republican candidate for Congress. Mr. Lewis feels that the only way this congressional district will receive any recognition whatsoever in Washington is to return a congressman of the majority party. While sentiment is only lukewarm in regard to the election in most parts of the county, the agricultural districts are planning to return a big vote.

MEMORIAL DAY SPEAKER

Z. R. Howell, supervising principal of Kingston Township schools, was the principal speaker Thursday at the Memorial Day services held at New Columbus. The program was under the direction of the six churches of the community. Gregory's orchestra furnished music.

Dallas Council Fixes Millage

To Retain Old Millage and To Start Repair Of Roads—One To Be Hard Surfaced

The local borough council met Tuesday evening with all present with the exception of Stevens. After some discussion it was decided to fix the millage at the same rate as last year, to-wit, fifteen mills general borough; three and one-half mills for light, and three and one-half mills for sinking fund.

Hot Weather Stimulates Crop Growth In State

Most Plantings Coming Along In Good Shape—Early Potatoes Grow Rather Slowly

The week was generally fair with a goodly amount of sunshine. The soil dried out to a good workable condition and field work made fair to good progress. The week began cool with frost in many places, but was generally seasonable during the middle and latter portions, and crop growth was stimulated to a considerable extent. Corn planting is nearly finished in the central and southeastern counties, is in full swing in the west-central and southwestern counties, and is just getting well under way along the northern border. Early plantings are coming up a little unevenly, but generally a good stand. Winter wheat and rye are heading and are generally promising. The grain shows a heavy growth of straw in most places. Oats is a little backward in some places, but generally in fair to good condition and will improve rapidly with higher temperatures. Pastures and meadows are mostly good, and are reported as very fine in some sections. Early potatoes continue to grow rather slowly and unevenly.

The planting of the main crop continues in most sections, and is well advanced in the southeastern counties. Truck crops are still somewhat backward, but improved during the week. They are generally in a healthy condition and need only higher temperatures to bring a good growth. Tobacco planting has begun in a few places, and for the State as a whole are considerably better than last year. Pears and cherries are not so good. Strawberries have been nipped by frost in some localities, but for the State as a whole they are generally promising. Blackberries seem to be good to excellent. The week as a whole was the most favorable of any during the month of May.

Post Dollar Campaign Off To Good Start

A number of boys and girls got their five free Post Gold Dollars from the Post Gold Dollar Man this week and are now hard at work getting subscriptions so that they can be Gold Dollar millionaires and win many of the fine prizes offered by the Dallas Post, Inc.

The first boy to win a Meade bicycle is Robert May of Noxen. Bobbie is a real hustler and expects to get a fishing tackle outfit and other prizes as soon as he can get a few more Post Gold Dollars.

The results to date are very pleasing. The Post is getting many new subscribers and boys and girls are getting just the prizes they want without feeling that they have to beat some other boy or girl or run a race to get their prize.

Many boys and girls are not yet aware of the ease with which they can win a Collie or Police dog puppy, a Meade bicycle, wrist watch, camping outfit or others of the dozens of prizes that the Post Gold Dollar Man has for them.

The best way to win a prize is to get started in the campaign now. No matter whether a boy or girl gets one, a dozen or one hundred subscribers, he or she is sure to win some prize.

Former Truckville Boy Breaks Neck

Andrew Mahler, Jr. age 17 of Eley St. Kingston, a former Truckville Boy died yesterday morning at his home, the first swimming victim of the season.

The death occurred fifteen hours after he had dived into shallow water at Sandy Beach, Harvey's Lake, Memorial Day. Young Mahler was an expert swimmer. He and several members of his family went to Sandy Beach on Memorial Day to enjoy the cooling waters.

He dove into the water and a short time later dove again. Coming to the surface he complained of an injury to his neck. He was immediately taken to his home in Forty Fort. Dr. Baker was called in consultation with Dr. Davenport who decided that the youth had fractured the vertebrae in his neck. Death occurred at 3:20 the following morning.

Forty Mile An Hour Speed Limit

TODAY, it is legal to travel forty miles per hour over Pennsylvania Highways. The law fixing the limit at forty miles per hour went into effect last night at Midnight.

High Ranking Students In The Six School Districts of Greater Dallas To Receive Rotary Club Trophy.

Hildredth Kocher Party Guest

Presentations Will Be Made With Appropriate Ceremonies at the Commencement Exercises in the Five Districts This Week

PLAN KEPT SECRET
 Carrying out a plan proposed and adopted several months ago, Dallas Rotary Club will present high scholarship trophies to the ranking students in each of the six schools of the upper West Side district.

Up until this week the plan of giving away scholarship trophies has been kept a secret. Students have had no information concerning the plan. It was thought best by the club to follow this procedure in order that the trophies might be awarded to the natural workers in the schools and not to those who might put on last minute efforts to win. The faculties of the various schools were informed of the plan some time ago.

Schools where the trophies will be awarded are Dallas Borough, Dallas Township, Kingston Township, Lehman Township, Lake Township and Noxen.

The awards will be engraved with the seal of Dallas Rotary Club and with the name of the students to whom they are presented. It is felt by the local club that these trophies will stimulate interest in high scholarship and will be a stimulus toward development of better students and better schools in this vicinity.

All of the schools in this territory close this week and presentations will be made at commencement exercises.

Lutheran Auxiliary Plan Program For Next Meeting

In observance of the fourth anniversary of the Women's Auxiliary of the Lutheran Church, special features are being planned. The meeting will be held at the home of Mrs. Jacob Rau on Wednesday evening, June 5, at 8 p. m. All charter members are urged to be present, together with the newer members, to greet Mrs. Russell Stien, the founder of the society. It is hoped the ladies will make this a banner night.

Aged Resident Laid To Rest

Charles Cole, aged 78 years, 11 months and 27 days, a former resident of Dallas, died in the hospital at Taylor on Friday, May 24th, of complications. Deceased came to this section from New York State and until recently made his home at Kunkle and Dallas, being well known here. He is survived by his wife, who is seriously ill; a daughter, Mrs. Etta Stroh of Kunkle; a son, Orville, of Plains, and a step-son, Ira Steel; also eighteen grandchildren and five great grandchildren. The services were held from the home of Mrs. William Monk of Rice street, Monday at 2 p. m. with interment in Warden Cemetery.

FALCONS' CATHOLIC UNION HOLD MEMORIAL SERVICE

Branch 59, Falcons' Catholic Union, held its first annual Memorial Day service at the Slovak Cemetery on Memorial Day. A high mass was celebrated at 10 o'clock by Rev. Louis Morines, acting rector of Sacred Heart Slovak Church, North Wilkes-Barre. A picnic at Slovak Park followed the open air service.

AUTOMOBILE TRAFFIC HEAVY ON MEMORIAL DAY

The automobile traffic was quite heavy on Thursday, Memorial Day. While due to the Trucksville-Luzerne road being closed, traffic was not as heavy as in previous years, but local police officers were quite active keeping it moving.

Bring your Ford here!

We'll oil and grease it at a low price and help you to keep it in the very best running order at all times. All labor billed at low, flat rate. We use only genuine Ford parts. Specially trained mechanics who take pride in doing a good job. Ask about the Special Inspection at \$1.50.
