**DODGE BROTHERS SIX**

CHRYSLER MOTORS PRODUCT

The new Dodge Brothers Six is an extraordinary motor car because it embodies a whole bookful of features that are extraordinary for a car of anything like this price.

Its Mono-piece Body has no joints or seams to squeak or rattle—possesses that unflinching rigidity and sturdiness which is exclusive to single-piece construction.

The Dodge Brothers internal-expanding 4-wheel hydraulic brakes, the oversize 5:50 tires, the 52-pound 7-bearing dynamically and statically

balanced crankshaft, the extra-deep 8-inch frame are conspicuous among the things that cannot be matched by any other cars neighboring on the new Dodge Brothers Six price.

Come into our salesroom and see the new Dodge Brothers Six; try it on the road. If you inspect and drive one of these remarkable cars, we have all the confidence in the world that you will never be content until you have one for your own.
