HIGH SCHOOL PAGE

This page is contributed to the interest of all the High Schools served by The Dallas Post. It has the approval and active support of A. P. Cope, county superintendent of schools and each of the five superintendents. It is conducted by these High Schools for three major purposes: to foster, sponsor and exchange High School and Inter-High School activities of the respective schools; to inform the public of this section about matters pertaining to the school life for which their taxes are paid; to develop the literary talents of the student editors of each class of the five schools.

WOODCHUCK IN TROUBLE

Canned Woodchuck Not So Good For the Woodchuck

There is nothing more absorbing than to observe the habits of animals. The other day C. D. Henderson, of Rileyville, and H. R. Kitchen, who buys ash logs) were tramping through the former's woods. While viewing the standing timber they saw some wild creature approaching them. They had not the least idea what the thing was. It walked up within a few feet and evidently became conscious that somebody was near. It reared up on its haunches. The men were at first startled and then they began to smile.

It was a good sized woodchuck which had evidently been eating out of a tin can and the can had fastened itself on his head. The animal could not see a thing and sat up, stock still, right near the men. It did not know which way to run or what to do, and Mr. Henderson secured a stick, by the use of which with two or three blows he knocked the can from the woodchuck's head. When delivered from its unpleasant condition it took time to look around, and as much as to express appreciation for what had been done. Then it hopped to the brush.

Somewhere in that neighborhood the chuck had been eating out of the bean can and got into its predicament, possibly a bean can from some of the camps.—Wayne County Independent.

WHO'S WHO IN

LAKETON H. S.

Ida Elizabeth Grey was born on December 12, 1909, at Outlet, and is the daughter of Amy Marcy and Corey Grey. She has been with us at Laketon for three years, having spent her first eight years in school at Loyallville and Outlet.

Bessie has always been active in class sports and activities and is always ready to help everyone. She has a charming voice and is a very active member of our Glee Club.

Our Bessie has blue eyes and dark hair and is not a flapper. She has been a conscientious worker and a loyal classmate, and she has won a well-earned reward—a high school diploma.

She has only one plan for the future, she says. She is to be an "old maid," but we have our doubts. Her winning ways and charming personality have won for her many friends in the lower classes and we will lose a loyal friend when she leaves Laketon.

"A friend to all, who would have her so,
A jolly good sport, wh'er she may go,

Loyal, true,
Real true blue,
That's our Bessie, through and through."

LYMAN C. HAUSCH

Lyman Clark Hausch was born in picturesque Ruggles Hollow, near Laketon, in 1910, son of Mr. and Mrs. William H. Hausch.

Lyman has been a faithful student at Lake township high school, having entered that school at the first grade and finally, after much endeavor, he will be graduated this June.

Lyman is widely known and well liked. He has taken active interest in all athletics and proven himself an important factor on sporting teams.

As he goes out to meet the uncertain future our most earnest wishes for success are with him.

JUDSON G. SWARTZ

Judson G. Swartz was born in Loyallville in the year 1911, the son of Mr. and Mrs. E. J. Swartz.

After an eventful childhood, Judson entered school at the Outlet in Lake township. Then he labored for eight years and then entered high school at Laketon.

Judson has been active in class functions and sports. He played a varsity position in basketball and football.

Judson's ability as a student was excellent and worthy of mention. We're sure whatever ventures he may enter success will be assured— even so, best wishes to you, Judson!

DAD 'N' ME

A youngster's mighty lucky
If he's got a fishin' dad;
The fun I used to have with mine
Was the best I ever had.
When the sundown called the music
From the bulldog's husky throat,
And we were trollin' pick'rel
In an old-fashioned boat.

We always used a hand-line
With a whirlin' silver spoon,
And we both took turns at rowin'
'Till the risin' summer moon
Her warnin' of the nightfall
With her silver pencil wrote—
And we'd quit a trollin' pick'rel
In an old-fashioned boat.

So I'm goin' back this summer
To the fun I can't forget,
And when the shadows lengthen
'Cross the old mill pond, you bet
We'll be dropping down the river.
Past the lily fronds we'll float—
Dad 'n' me a-trollin' pick'rel
In an old-fashioned boat.

We understand that Philip Thomas has charge of the merry-go-round and the shooting galleries at the park while Mr. and Mrs. Condorus will have charge of the restaurant.

Paul Barrett of International Correspondence school, Scranton, and his family were at their cottage over the week-end.

Mrs. Margaret King and friends were at King's cottage on Saturday and Sunday.

The high school held its annual picnic at Sandy Beach park Wednesday, June 5.

A great many cottages were opened over the week-end. It seems good to see the cottage people back for the week-ends.

Mrs. S. C. Baird entertained Mr. and Mrs. Forest Honeywell on Decoration Day.

The Junior class of Lake township high school will present its class play at Bloomingdale Saturday evening.

The Senior class of Lake township high school will leave for Washington, Monday morning, June 10.

LADIES' AID TO MEET

The Dallas Ladies' Aid Society will meet on Thursday evening at the home of Mrs. Corey Gordon, Mrs. Z. E. Garlinger, Mrs. J. Albertson, Mrs. J. La-Bar, Mrs. Charles Reigle and Mrs. G. A. A. Kuehn will serve.

On Friday night from 6 to 8 the society will serve a chicken supper at the M. E. Church. At that time there will be a special program in observance of the fortieth anniversary of the church. Tickets are 75 cents.

LAUGH THIS OFF

At a meeting of the Wayne-Pike Counties Medical Society it was resolved that the fee for confinement cases be uniform at fifty dollars.

Fifty bucks—why this increase? Even the honored medical profession is getting mercenary. We've heard of the high cost of dying, now comes the high cost of being born. It looks as though we might as well die before we are born and save the triplets of high cost—birth, life and death—Wayne County Citizen.
