Dallas Teams Win Two July Fourth Games

Lee Stars For Dallas Independents, Pitching One-hit Game and Scoring First Home Run On New Diamond

West Wyoming set Dallas back a peg last Saturday when it went home with a 9 to 1 victory, but at the same time Beaumont let a game slip from its fingers after it had a five-run lead to work on at East Dallas, causing a tie for second place with Dallas. But what a break Dallas got on holiday games. Beaumont journeyed to West Wyoming, where it lost more ground when it came out on the short end of a 10 to 9 score. While Dallas was taking advantage of Oscar Whitesell's crippled Roaring Brook club by winning a one-sided contest by the score of 10 to 3. One of the best holiday games took place at Idetown, when East Dallas won a hard-fought game from Hunlocks Creek by the score of 12 to 15. In the fourth inning East Dallas had a seven-run lead but was overtaken in the eighth frame due to the fighting spirit displayed by the down-county boys, but in the last frame East Dallas came to the front to drive in four runs with a barrage of hits which gave it the game and put them in a tie for fourth place with Hunlocks Creek.

Today the fans will be treated to more good baseball when Dallas goes to Beaumont for the third game of the

season, each club having a win to their credit and no doubt both clubs will have excess strength to hold their standing in the league, as a win for Beaumont will again give it a tie for second place. West Wyoming will be at Hunlocks Creek while East Dallas and Roaring Brook will play at the latter place.

**Dallas Independents Win**  
In a fast game of baseball played Thursday afternoon on the new Dallas diamond, Dallas Independents defeated Pittston Srenchites by a score of 4 to 0.

Peynton Lee, pitching for Dallas, distinguished himself by holding the visitors to one run and by hitting out the first home run on the new diamond. Lee's pitching and hitting and the airtight support of his teammates were the big features of the game.

The large crowd was enthusiastic in its support of the team and enjoyed one of the best games seen in Dallas this season.

The Dallas Independents have been playing good baseball since their organization. Last Sunday the team defeated the fast Matly A. C. by a score of 3-2. The score does not indicate the amount of hitting done by the Dallas club. Many times Dallas had a number of men on base but was unable to put them around the circuit.

This Sunday the team will play a double-header starting at 1 o'clock. The first game will be with Wilkes-Barre A. C. and the second game will be with Plains A. C.
