POLITICAL COMMENT

F. F. Morris throws his hat in the ring for school director. Not the brown derby type, but the good old-fashioned straw. His petitions are now being circulated.

This past week petitions are out for James Franklin for councilman. James is a life-long resident of the borough and should make a good representative of the people.

Rumors are afloat that T. W. Stoeckel will announce his candidacy for school director. Mr. Stoeckel is well qualified and would make an ideal director.
