MAJESTIC ELECTRIC RADIO

Again astounds the radio industry with its new and finest model. Engineers have worked for years to perfect this new "Monarch of the Air." It is the most selective set ever manufactured and there's absolutely no A. C. hum in this greatest of radios.

You cannot buy a better set at any price anywhere.

Call in and see it at

CHRYSLER MOTORS PRODUCT

THE FULL-SIZE PLYMOUTH TWO-DOOR SEDAN, \$675

Another FINE FEATURE.. Plymouth has Oversize Tires

YOU will find on Plymouth the largest tires of any car in the low-priced field. Real oversize balloons—4.75—more than ample for this full-size car.

That is why the improved Plymouth, with so much else to talk about, devotes an entire advertisement to oversize tires.

Larger tires mean riding on more air, which in turn means greater buoyance and comfort. Then, too, larger tires wear longer, add much to appearance and, most important of all,

give the car greater

traction, a firmer grip on the road which means safety.

From tires to roof, from radiator to gasoline tank, Chrysler engineers have endowed the improved Plymouth with qualities and abilities never before available in a car of low price. Make your own comparisons in your own way.

Coupe, \$655; Roadster (with rumble seat), \$675; 2-Door Sedan, \$675; Touring, \$695; De Luxe Coupe (with rumble seat), \$695; 4-Door Sedan, \$695. All prices f. o. b. factory. Plymouth dealers extend the convenience of time payments, if desired.

The Lozier Beauty Shop

Announces a Ten-Day Special
Price of

\$2.50

FOR A LOZIER OIL PERMANENT WAVE

INCLUDING SHAMPOO AND TRIM

This is the same wave which has already been given successfully over 5,000 times in this shop, which has been enlarged and re-decorated to take care of its customers with comfort and dispatch.

Nine operators, especially trained in giving this wave, insure that you will be served quickly and competently. Personal attention by Miss Lozier on your request, as she will gladly advise you at all times on the care and needs of your hair.

\$5.00, \$8.50 and \$10.00

The Scranton-Spring Brook Water Service Company

The water supply of the entire Wilkes-Barre district, comprising 52 separate civil divisions, with an area approximately 90 square miles, is furnished by Scranton-Spring Brook Water Service Company. The total population is estimated at 371,000, which is served through 82,500 taps in the distribution system.

The water, obtained from virgin mountain springs and streams, from 15 separate sources in forested watersheds, is impounded in 39 reservoirs, providing a total storage of 12 billion gallons, and distributed through 705 miles of distribution mains.

All Water Served To Consumers Is Carefully Sterilized.
