**Presents
Candidacy**

In presenting his candidacy for the office of School Director of Kingston Township at the primaries to be held Tuesday, September 17, Charles F. Lewis, of Trucksville, fully appreciates the importance of this office and is offering to give his best attention to the duties thereof.

Mr. Lewis was born in Sugar Notch in 1889, in which place and Charles F. Lewis Ashley he spent the greater part of his earlier life. For the last fourteen years he has resided in Trucksville, during which time he has taken an active part in church and civic affairs. In addition to graduation from the public schools, he is a graduate of Dickinson College, Preparatory School of Carlisle, Pa., and of Wharton Extension course of the University of Pennsylvania.

During the last twenty years he has been in a clerical capacity and at present is the chief shipper for the Lehigh & Wilkes-Barre Coal Company.

Being a firm believer in government by all the people, Mr. Lewis is making his appeal to the voter of independent judgment, for it is evident that the time is rapidly passing when a small group of the electorate can dictate to the rank and file as to who shall be candidates and how they shall vote. Having made no pledges, he is free to promise the men and women of Kingston Township, if elected, that he will serve unreservedly for the efficient management of school affairs.

The fact that he is a property owner and parent of three children of school age is sufficient guarantee that he is vitally interested. To those who agree on the foregoing policy, he suggests this slogan, "The best we can afford is none too good for the education of our children."

C. F. LEWIS.
