Lake Students To Interpret Scout Ideals

Special Articles To Be Written Each Week By Members of Senior Class of Lake School.

Attention, Everyone!

We are about to write some articles for this page which we are sure will be of great interest, especially to the young folk, but also to every man, woman and child who reads this page.

Watch this space for the next twelve consecutive weeks and you will find each one of the laws of the code of the Boy and Girl Scouts of America interpreted by one of the members of the junior or senior class of Laketon high school.

We do this so that the parents and friends of those boys and girls who are fortunate enough to be Scouts may become more familiar with the laws of that organization. Odd as it may seem, there are people who do not know the aims of the Boy and Girl Scouts of America. We are giving our interpretation of the code so that the Scouts will be more fully appreciated by everyone.

This work has been given to us as an English assignment and we think that since it is a worthy assignment we might let it benefit some besides ourselves. So we will share it with the readers of the Post, feeling sure that since it is the widely-read high school page it will be read by everyone and will "sink in."

—ADDA GARINGER,
Editor-in-Chief.

Freshman Class Notes By Beatrice Kocher

At the beginning of the term of 1929-30 the freshman class of Lake township high school was rather timid. But as the days proved more successful it became better acquainted with the modes of high school and held its first class meeting to choose class officers in order to make freshman year a successful one.

The following officers were elected: President, Iris Payne; secretary, Vivian Kocher; treasurer, Beatrice Kocher; historian, Pauline Oney.

Sophomore Class Notes By Virginia Allen

The sophomore class of Lake township high school has chosen the following officers for the year: President, David Mayer; secretary, Hildreth Kocher; treasurer, William Delkonic; historian, Jessie Kocher.

The outstanding characters in the sophomore class are: Claude Grey, football star; Raymond Grey, potential fiancé; Herman Brislin, fun-maker; George Smith, Sheik; LaVerne York, valedictorian; Violet Higgins, basketball star; Ella Crispell, the "wee one."

SHORT TOPICS FROM DALLAS BOROUGH H. S.

By RUTH HULL

In last week's Dallas high school notes in the Post it was mentioned that there is a contest being staged between the Boys' A. A. and the Girls' A. A. for the selling of game and season football tickets. The boys' receipts after the game with Wyoming Seminary exceeded the girls' at \$3. That isn't so good for the girls. Come on, girls, show them that you are as good saleswomen as the boys are salesmen.

After numerous ballots were cast an editor-in-chief and an assistant editor for the school page were elected. John Gebhardt and Ruth Hull won the respective offices.

John Gebhardt has recently enrolled in Dallas high school, having been formerly a student in Kingston township high school. Howard Blesley, managing editor of the Dallas Post, visited the borough high school on Tuesday and spoke on the serious phases of newspaper work and of the Post under a new organization and management. He stated that the chief purpose of the InterSchool page is to stimulate a spirit of harmony in the communities and to develop in the schools a wonderful school spirit. He explained to the students the proper way of writing editorials and he called the attention of students to the contest for selecting a suitable name for the school page.

A wiener roast was given at Machel's on Friday, October 4, in honor of the borough high school football team, which played against the well seasoned team of Wyoming Seminary. To sow their appreciation all the boys attended, even though some were bruised and a little stiff. In spite of their stiffness they were all active and enjoyed themselves.

It is rumored about school that an orchestra is to be being formed. It is hoped that the rumor is true. It is known that there are some talented musicians in the school and if the students have anything to do with it these musicians will be encouraged to help form the orchestra.

Anyone interested in giving any book which is on the state library list to the borough high school can be sure that it will be appreciated. A call or note sent to the school will bring a messenger to the house for the book.

An addition is to be made to the football schedule published last week. On October 25 the borough team plays West Pittston at West Pittston. On November 15 the return game will be played at Dallas. November 17 is still an open date.

Through the courtesy of Dallas high school the Trucksville football team was able to play in uniforms against the Dallas township team. John Gebhardt, a former student of Trucksville, was head linesman for the game.

Champion Farm Girl!

Miss Dorothy Marshall, whose ability to milk cows, pitch hay and do farm chores quickly and efficiently won her the title of America's champion farm girl in the finals of the novel contest held at the Los Angeles county fair at Pomona, California.

Kingston Twp. Schools Hold Willard Day

Special Program Given On Birthday Anniversary of Famous Woman.

Kingston township pupils observed the birthday of Frances Willard in chapel on Friday, September 27. Rev. Stang of Shavertown led the devotional exercises and gave a short sketch on the life of Frances Willard. The high school orchestra played several selections and Ruth Schooley spoke of the life of Frances Willard.

Frances Willard became interested in the Woman's Christian Temperance Union when comparatively young. She became head of the national union and later of the world union. She traveled in all the states and many far lands, speaking and lecturing to thousands of people. One was better fitted for this work, Miss Willard having a good education and the opportunity to travel. Thousands of individuals have felt directly or indirectly the results of her work and the fruits of her labor.

On Tuesday, October 1, the classes in the high school banked with the following percentages: Seniors, 100 per cent; juniors, 100 per cent; sophomores, 100 per cent; freshmen, 90 per cent; 97 per cent average of the high school.

The Cornerstone Board has been selected, which hopes to have a better paper than ever before. Those on the staff are:

Dorothy Dawkins, editor-in-chief; Ellalee Shoemaker, assistant editor; Charlotte Stroud, senior reporter; Mary Prusha, junior reporter; June Palmer, sophomore reporter; Emma Lewis, freshman reporter; Robert Eck, humor editor; Franklin Marron, assistant humor editor; Elwood Swingle, athletic editor; business manager, Ruth Schooley.

Noxen Schools Plan Glee Club

Prof. Ernest Wood, of Dallas, To Be Leader of New Organization.

The girls of Noxen high school, being very interested in dramatics, are planning to organize a glee club under the personal direction of Prof. Ernest Wood of Dallas. It is the first time that anything along this line has been attempted and we hope to make it a success. As we are planning to give a concert during the season it will help along this line also. The organization will take place at the high school Saturday afternoon at 6:30 o'clock and we hope to have a large attendance.

—JESSIE THOMAS.

Junior Class Selects Ring

The Junior class of Noxen high has selected its class ring. They are of yellow gold, 10-k with 14-k top. The girls selected a fillagree ring. On the rings truth is incorporated on a form of an open book, illustrated as a Bible. This ring is a standard ring, adapted by the school two years ago.

The basket ball season is coming soon. Dallas A. A. and other schools are going to form the "Back Mountain League" again, which was in its glory four years ago.

Dallas businessmen are making efforts to have showers put in the school. One for the girls and one for the boys. Some businessmen have already interviewed Mr. Garinger about his heating plant which did not meet his need.

The Dallas girls will have a basket ball team which will be able to meet any girls' team in this section.

Great Continents' Names

According to certain authorities, the name Europe is derived from the Assyrian "Irub" or "Ereb," which means the setting sun or the West, while the name Asia is derived from the Assyrian "Assu," meaning the rising sun or the East.

Football Team At Lehman High Needs Outfits

Students Close Successful Curtis Campaign With Victory Dinner By Losers.

A new cheerfulness has found its way into the lives of the prospective football players of Lehman. It appears that they are to have suits. As the school board has always proven willing to help the projects of the boys in every way, they desired to acquire their uniforms without calling for help from the district. With the help of a few friends and with some sacrifice on their own part, their hopes seem about to be realized. Lehman has an abundance of prospective players but lacks opportunity for practice.

Subscription Campaign

Lehman High School has just completed its annual campaign for subscriptions under the auspices of the Curtis Publishing Company. The campaign was very successful in every way and about eighty dollars was realized for the Athletic Association. The closing event of the drive was a party which the losing team tendered to the winners. Practically every student attended, with a number of friends, brought by various students to console them in defeat. A feature of the party was Lancelot Sutton's ability at "fanning." It reminded the spectators of baseball season. The gifts included sweets to the sweet, cats to the catty, flowers to the beautiful, and nuts to the nutty. Almost everyone present had a good time. There were a few who could not keep their thoughts off the morrow, when labor must again claim them. And there were little things, such as flat tires.

Lyceum Number

The Seniors are forging ahead in their ticket sales, but still hope for considerable support from those who do not buy season tickets. The program shows so much promise, however, that it seems that everyone would prefer to attend all the numbers. At the price of the season tickets one would not lose even though he only attended three numbers. Thursday's number was "The Novelty Trio."

The Dallas township high school football team opened its season successfully Tuesday with a victory over Trucksville. She score was 6-0, the touchdown being scored by Alex Mutukitas. The boys showed considerable improvement in the second half of the game.

Laketon Senior Advises Juniors

Cites Aims and Ideals of Upper Class As Worthy of Respect of Lower Class.

A Senior's Message to Undergraduates

"It is not the gale, but the set of the sail that determines our destination." A saying which is very common but nevertheless very true. If there is any one not yet convinced of the truth of this statement my advice is to watch the senior class of Lake township high school speed onward to its goal.

Most all of the present senior class has a destination in view and as a member of the class I wish each one success, for I know it is in their power to reach their desired destination. It is with the never-failing guidance of our teachers and the kind and loving friendship of our fellow students that we are conquering all hardships and holding all disappointments at bay. No matter how hard or how many the lessons, we face all with a smile and try our very best to overcome all obstacles in our onward path.

As a class we are true to our title of "Dignified Seniors" and in being true to this title of rank we do not look down upon our lower classmates but try to help and encourage them to make that final height in high school life which we have now obtained and try to make them understand the true value of a high school education.

We are nearly ready to take up our future duties. To some it may be a college life, but to others a life of struggle and work, but before passing from the school of our childhood days we wish to impress ourselves in the memory of all future high school students and make them feel that we have done and are doing right and encourage them to reach the senior class and also leave a memory in parting.

—MILDRED KOCHER,
Senior Class Reporter, Lake Township High School.

INDEPENDENTS TO PLAY POLISH ALL-STARS SUNDAY

With the base ball season rapidly drawing to a close Dallas Independents will play their first game of the year this Sunday when they meet the fast Polish All-Stars from Ashley. The Polish Club is one of the best in the valley and is expected to put up a good contest against the seasoned Dallas team.

Players in the Dallas lineup will be Owens, Lee, Dobbis, Stitzer, Hunter, Wilson, Miller, Pointac, Swartz, Reese and Woolbert.

Dallas Downs Lake Twp. Team By 39-6 Score

Local Team Make Fine Showing After Defeat of Last Week and Thrills Crowd With Fast Plays.

With ideal football weather prevailing Dallas Borough High School made a quick comeback Friday afternoon and downed the fast Lake Township school team by the score of 35-6.

The Lake Township boys put up a good scrap but their efforts were unavailing against the superior strength of the Dallas team which had been hardened last week in its game with the well-coached Wyoming Seminary Junior Varsity.

The first score came early in the first period when Earl VanCampen crossed the goal line for a touchdown. A feature of the game was the superior kicking of Kenneth Oliver which resulted in three safeties for the Dallas team. The Lake team was able to make but one touchdown and failed to kick the goal.

The Lake team was handicapped by being without regular football suits. But this also added to the difficulty of the Dallas team in tackling the fleet runners of the Lake Township backfield.

The Lineup

Right end—Earl VanCampen.
Right tackle—Leonard Machel.
Right guard—Daniel Brace.
Left guard—Richard Templin.
Left tackle—Irwin Coolbaugh.
Left halfback—Kenneth Disque.
Left end—Robert Epper.
Halfback—John Gebhardt.
Fullback—Wesley Himmler.
Quarterback—Kenneth Oliver.
Quarterback—William Brickell.
Quarterback—Richard Disque and Richard Disque got into the game during the last quarter.

Township Boys Too Much For Trucksville Lads

The Dallas township high school football team opened its season successfully Tuesday with a victory over Trucksville. She score was 6-0, the touchdown being scored by Alex Mutukitas. The boys showed considerable improvement in the second half of the game.

Lehman high school game will be played on the Dallas township field on Friday afternoon.

The lineup of the Dallas township team is as follows:
Butler, right end; Carey, right tackle; Fowler, right guard; Girvan, center; Pitzer, left guard; E. Spencer, left tackle; B. Spencer, left end; Morris, quarterback; Ross, right halfback; Adderson, left halfback; Mutukitas, fullback.

The following reporters have been elected to gather Dallas township school news:

Eleventh grade, Helen Spencer, Clark Fowler; tenth grade, Jean Stark, Ha Goss; ninth grade, Ada Ross, Doris Lauderbach; eighth grade, Walter Ervin, William Lauderbach; seventh grade, Catherine Girvan, Elsie Higgins.

Mae Baines of seventh grade visited her grandparents over the weekend.

JUNIOR CLASS OF NOXEN HIGH ENTERTAINS CLASSMATES

Miss Lillian Jones, a member of the Junior class was tendered a pleasant surprise last Saturday evening when a number of her friends assembled at the home of her parents, Mr. and Mrs. Arthur Jones, to honor her on her fifteenth birthday anniversary.

The house was beautifully decorated with Autumn leaves.

Various forms of social diversions were indulged in after which luncheon was served to the following: Mary Newberry, Ruth Casterline, Emily Casterline, Rebecca Lane, Laura Lane, Angeline Jones, Letha Jones, Mildred Scotten, Helen Dimmick, Myrtle Kresge, Grace Dotter, Thelma Miller, Marguerite Newell, Alice Race, Margaret Race, Vera Prutzman, Eleanor Pogor, John Leese, Leo McCarrick, Severn Newberry, Francis Thompson, John VanCampen, Charles VanCampen, Raymond Keiper, Harry Kresge, Franklin Patton, Arthur Jones, Francis Jones, Mr. and Mrs. Irvin Newberry, Mrs. Floyd Pogor of Noxen and Miss Elizabeth Craze of Luzerne and Marjorie Jones of Forty Port.

Lumber From Straw

First man made lumber from trees; then from the wastes of the sugar plantation; and now straw from cereal grain harvests is being utilized to provide cheap lumber for the farmer. The sale of straw should provide much farm revenue.

Turkish Beauty

Miss Feriha Tewfik, winner of first prize in beauty contest at Angora, Turkey, in which beauties from all parts of Turkey competed.

Sheldon Moser Makes Record At Penn State

Local Boy Is Champion Wrestler and Also Wins Stock Judging Contests.

Sheldon Moser, son of Mr. and Mrs. Melvin Moser of Dallas township, has returned to resume his studies at State College, where he achieved unusual distinction last year.

Mr. Moser entered into all of the activities of college life, making prominently good in every one of them. He was the champion wrestler in the 130 pound class, freshman year. He played in the college orchestra and was elected to membership in the honor fraternity, Alpha Zeta, living in the fraternity house.

In the dairy judging contests Mr. Moser ranked third in judging dairy products, ranked second in the amateur judging class, and first out of a group of eighty in judging Ayshire cattle. He also received first and second prizes in sheep.

Mr. Mosier after completing the course of study provided in Dallas township schools, graduated from Coughlin High school, Wilkes-Barre.

It is most unusual for a student to receive so much distinction in one year's work at any college. It usually requires two or three years for a man to make good. This makes the local boy's achievement all the more notable. We predict for him, in college and out of it, that success which always attends ability when accompanied by earnest work.

JUNIOR CLASS OF NOXEN HIGH SCHOOL HOLDS WIENER ROAST

The junior class of Noxen high school will hold a wiener roast on Friday, October 12, at 8 p. m. at the second swimming hole. Each member is entitled to bring a friend. This host will take the place of our regular monthly meeting.

—LILLIAN JONES,
Junior Class Reporter.

THAT SEMINARY GAME

Dallas high school football team played its first game with Seminary Junior football team last Friday.

Did you see that Seminary team and their twenty-five players? All huskies, too. We only had old reliables—the valiant eleven. They all played a plucky game. Irwin Coolbaugh and Kenneth Oliver saved the day. Can they play? We'll say they can. Three cheers for Coolbaugh and Oliver. The Seminary boys played a fine game, due to the fact that they were experienced men. The game ended with the score 38-0. Seminary boys were victorious for the reason that our boys had been in training but a short time. The final score was a pleasing surprise to the Dallas fans.

—JOHN L. GEBHARDT,
Editor-in-Chief.

FULL-SIZE PLYMOUTH ROADSTER, \$675 (with rumble seat)

The Smartest Roadster of Low Price

The snappy Chrysler-styled Plymouth Roadster is all the vogue today. Among low-priced roadsters it easily cuts the smartest figure in appearance, just as it leads them all with its typical Chrysler performance.

\$675
F. O. B. Factory

EDITORIAL

THE "ALL-MOUNTAIN" TEAM

In the days of the French Revolution the leading party in favor of bloodshed was called "The Mountain." Folks living "out our way" speak of Wilkes-Barre and vicinity as "Down the Valley." Add to these facts the suggestion of the Dallas Post that an all-star football team be chosen from the high schools of this vicinity, and you see that we are in the position of "The Mountain." As that party was a tower of strength in its day, so such a team might show unexpected strength against the teams of the valley. We second the motion made by The Post. Surely enough impartial judgment can be obtained to pick such a team, or the various teams might choose by vote their most formidable opponents. The Lehman folks who saw the Dallas-Seminary game are ready to nominate at least one backfield man from the Dallas aggregation. Perhaps some day these "All-Mountain" boys or "All-Mountaineers" may be All-American.
