**FIREMEN HOLD MEETING**

The local firemen held their regular meeting at the school house on Monday evening. The men were put to much discomfort when arriving at the building to find it very cold. Why the janitor of the building did not have the room heated is not known, although he knew there was to be a meeting and himself being a member and an officer, was not present.

After some hustling around for an hour the men finally got the room heated themselves and got down to business.

After discussing a clay pigeon shoot that was to be held Monday, November 11, Armistice Day, it was decided to abandon these plans on account of the hunting season and the holiday, and hold a patriotic meeting at the school house and have a speaker and entertainment on hand.

Z. R. Howell, supervisor of the township school, gave a few interesting remarks and suggested to the local men that some plan should be laid out for a meeting of the Trucksville firemen and the local firemen to be held in the near future.

Plans were then discussed for the band concert to be sponsored by the fire company to help raise enough funds to pay off the present debt of \$200 on the fire apparatus. This concert will be held November 18th in the basement of the M. E. Church. George's Band of Wilkes-Barre will give the concert and will be assisted by Mrs. Sara Sanford as soloist. Tickets will be placed in the hands of the members next week and will be 25 cents for everyone. Of this small cost the church basement should be filled to capacity. So let's all get behind the fire boys and help them make it a success, for they are ready to help you at all times and now it is your turn to help the boys get out of the hole or the sum of \$200.

**Boy Scouts Meet**

Boy Scout Troop 231 held its meeting Monday night. Instruction was given in signalling and life saving by Assistant Scoutmaster Swingle.

The troop committee met in special session with J. M. Hewitt, Scout executive of Wyoming Valley Council, Boy Scout of America, at which meeting met from this district were appointed as merit badge examiners for the district. The members attending were Mr. Guernsey, chairman; Messrs. Ayre, Eck, Kromelbein, Woolbert, Stang, Rev. Henry and Scoutmaster Keats.

New recruits were enrolled during the meeting as follows: C. Brace, F. Young, R. Chapple, H. Fuller, D. Veitch, C. Fink. Mr. Hewitt spoke to the boys about winter camp activities and a hike to Roosevelt reservation today.

Mr. Guernsey explained to the boys the awarding of the silver cups to be given as prizes to the two scouts having the best record for the months of October, November and December in attendance at scout meeting, dues, church and Sunday school attendance, patrol activities, wearing of uniform and court of honor advancements.

**A Dollar Dinner for Four**

HERE'S a feast for four people which won't cost more than a dollar if you watch your local markets and buy with care:

- Cream of Celery Soup with Croutons ..... .17
- Country Lamb and Carrot Pie ..... .40
- Dressed Chicory ..... .09
- Bread and Butter ..... .08
- Scalloped Pineapple and Rhubarb ..... .21
- DeMi-Tasse ..... .03
- Total ..... \$0.98

This makes 98 cents and leaves two cents for extras. Let's see how the dietitian figured it out. For the first course one can of celery soup costs 10 cents, a cup and a half of milk 6 cents and the croutons only a cent. The pie is the most expensive dish. A pound of lamb breast costs 25 cents, an 8-ounce can of carrots 10 cents, a pound and a

quarter of potatoes 3 cents and seasonings 2 cents. A bunch of chicory costs 5 cents and the dressing 4.

**Use Half This Recipe**  
For the dessert, half of a number 2 can of crushed pineapple costs 10 cents, a half pound of rhubarb 20 cents, sugar 1 cent, salt, nutmeg and butter 7 cents, a cup and a half of dry bread crumbs 3 cents. This makes 41 cents, but the recipe serves eight, so half of it is sufficient for one meal.

Here's how you make it: Mix the pineapple and rhubarb cut in small pieces, one-third cup sugar, a few grains of salt and one-fourth teaspoon nutmeg. Melt four tablespoons butter and add the crumbs. Put alternate layers of fruit and crumbs in a buttered baking dish and bake in a moderate oven, 375°, for 30 minutes. Serve with sweetened top milk.\*

**Earl Says:**

There's nothing too good for the home-owner when it comes to proper heating systems. Folks are too busy and economical now-a-days to be bothered with slow heating, coal eating, furnace systems.

In order to give the best service and to insure the most scientific installation, Earl has been spending several days taking a special course in modern heating engineering at the Faultless Furnace Foundry in Scranton.

If you have an old heating system that isn't working properly see Earl. If you have no heating system see Earl. A visit from Earl to your home will cost you nothing and may save you money. Call him on the phone or drop in his hardware store and see him and let him go over your heating needs with you.
