RUPTURE Expert Here

W. P. SEELEY, noted rupture expert, famous for his ability and skill in handling difficult cases, skill in handling difficult cases, will personally be at the Hotel Redington, Wilkes-Barre, Thursday, November 21st, only, 10 a. m. to 6 p. m., where those desiring to escape a surgical operation may consult him without charge.

Mr. Seeley says the patented rupture retainers he now uses will hold bad ruptures with ease, will strengthen tissues, cause muscles to contract and close opening. Any position of the body—any kind of work can be undertaken with safety.

For two generations we have cared for many thousands in every walk of life, Physicians and Surgeons as well as Financiers and Farmers; U. S. Government Employees in Army, Navy, Postoffice and Department of State; Men, Women and Children.

SAUTION—Elastic trusses with leg straps should never be used; they squeeze the delicate parts against bone and slowly produce dangerous complications necessitating operation.

Master your rupture now. It will be too late after Strangulation sets in, operations that have torn our will be given special attention.

-Shavertown-

Firemen Meet

The fire company met Monday evening at the school house. Plans for the band concert to be held next Monday at the M. E. church auditorium were completed. Prof. Edgar E. George and his band will play and will be assisted by Mrs. Sara Senego Sanford as soprano soloist and Miss Helen Watts as reader. Rev. Anthony Iveson, pastor of the Glen View P. M. church was the speaker last night. He gave a brief talk on what the fire company means to the community and a few brief remarks on the World War and events which led to the celebration of Armistice Day. Community singing was led by Red Schwarz in the absence of Bert Hill as entertainment chairman.

A quartet composed of Messrs. Rowlands Ray, Saltzer and Travis assisted by William Rowlands at the piano sang several numbers. Tickets will be placed in the hands of the Boy Scouts who will make a house to house canvass.

Tickets will be distributed and final plans will be made at the meeting next Tuesday evening. Any member composing a song for the society kindly send it to Mrs. Johnson by November 15. It will be recalled last year the song composed by Mrs. A. L. Leek received first prize.

The Junior League held a meeting at the M. E. church on Thursday afternoon at 4. Junior choir practiced at the close of the meeting. Mrs. Vester Vercoe was in charge.

Earl Monk has been rearranging his hardware store this week and adding extra shelving space to take care of his increased stock of hardware and household goods.

Odd Golfing Courses

Honolulu possesses one of the world's queerest sports grounds in the Hole-in-One golf club, with its nineteenth hole tee on the edge of a live volcano; while an equally strange golf course is that at Jinja, on Lake Victoria. The hippopotamus is such a frequent visitor that balls may be removed from its tracks without penalty.

Copied English Name

The great English Derby is run at Epsom Downs. Col. M. Lewis Clark patterned the Kentucky Derby after the English Derby. He was the nephew of John and Henry Churchill, who owned the tract of land upon which the Churchill Downs race course is situated. Hence it was so named.

BOSCH
SCREEN-GRID
RADIO
top value
but not high priced

The new Screen-Grid Bosch Radio is priced within reach of every pocketbook, but quality performance and appearance touch the highest quality point of modern radio desirability. Engineered to the new four element Screen-Grid tubes, Bosch Radio gives every advantage of radio's new development. Bosch tone—sensitivity, selectivity, tonal shielding and operating simplicity are outstanding. The new Bosch Radio has been tested as no radio was ever tested before—it is radio's most highly developed receiver. Price of De Luxe Console \$240.00—less tubes. Other models from \$119.50 up, less tubes.

The Scranton-Spring Brook Water Service Company

The water supply of the entire Wilkes-Barre district, comprising 52 separate civil divisions, with an area approximately 90 square miles, is furnished by Scranton-Spring Brook Water Service Company. The total population is estimated at 371,000, which is served through 82,500 taps in the distribution system.

The water, obtained from virgin mountain springs and streams, from 15 separate sources in forested watersheds, is impounded in 39 reservoirs, providing a total storage of 12 billion gallons, and distributed through 705 miles of distribution mains.

All Water Served To Consumers Is Carefully Sterilized.
