Dallas Township School News

A party was held at the home of Helen Spencer Tuesday night in honor of the football boys. Games were enjoyed by all and light lunch was served to the following: Miss Wallace, Miss Robinson, Mr. Drake, Mr. Kester, Melbourne Carey, Merle Anderson, William Butler, Elwood Spencer, Bruce Spencer, Aleck Katakaitas, Robert Girvan, Raymond Carlin, Lehman Mintzer, Robert Hislop, Edwin Shoemaker, Clyde Hough, Thomas Landon, Philip Kunkle, Fay Nulton, Irma Goldsmith, Margaret Girvan, Liva Spencer, Jean Shaver and Helen Spencer.

The Junior high reached the mark they endeavored to reach in the magazine campaign, which held for a week. The total number of subscriptions was \$731. The profit will be used for athletic equipment.

Pictures were taken of the first, second and third year high for 100 per cent banking. It will be published in a magazine of the Educational Thrift Service.

On Friday of last week the school was honored by a guest from the State Department. The Junior girls gave a dinner.

Athletics

The township football team met the Lehman team Friday of last week. The township won the contest by a score of 7-0. The fans went to the game in the last Dallas bus.

The coaches are selecting the basketball teams. The practice will begin in the near future. Mr. Kester will coach the boys and Mr. Drake will coach the girls.

GIVES DAVENPORT TO BOROUGH SCHOOLS

During the past week the borough school was the recipient of a beautiful davenport, donated to the school through the kindness of Mrs. Him, to be used in the rest room of the school and also for plays on the stage.
 The school takes this opportunity to express its appreciation and thanks to Mrs. Him for the donation.

-Lake Township- School Notes

When Laketon students (now called the alumni) introduced into their school girls' and boys' basketball teams many years ago, they were proud owners of brown and white outfits. Not only the alumni, but also the present students have honored and fought for the "dear old Brown and White." Up to this time the suits have done their duty and new ones must be purchased.

The present students, after inquiring of the alumni when and why brown and white colors had been chosen for school colors, found the answer to be that the colors had merely been adopted, that is, they had never been voted upon as standard colors. In inquiring about basketball suit, we find it is very hard to purchase suits of the colors of our school.

A meeting was held for the purpose of selecting a new combination of colors. The student body, as a whole, agreed to have the colors changed to Blue and Gold.

The present senior class, I can say, certainly is honored by the result of the voting. Blue and Gold has been honored and fought for by the seniors as their standard class color throughout their high school years.

A treasurer and a secretary was elected, thus, Conrad Hilbert, secretary and Ruth Jackson re-elected as treasurer.

New uniforms are being paid for by the athletic association.

So, citizens, please patronize our games, if you wish to make this season a bigger and better one than ever before in Lake township. So hereafter, friends (and alumni, Blue and Gold wins the fight."

LEONA KOCHER,
 Sports Editor.

The Junior class at Laketon recently held a business meeting and elected officers.

During the three years of our course of the twenty-three students who presented themselves in '27 eagerly clamoring for membership in the Freshman class, eight members have either felt that they have received, sufficient education or were forced to seek their learning elsewhere. Only fifteen members now remain in the present Junior class.

Following officers were elected: President, Earl Payne; secretary, Anna Balavage; treasurer, William Ashburner; historian, Norma Raskin.

The following publications have been exchanged with Lake township high school:

The Vocational Education News—From the Pennsylvania Vocational Association of Erie and Harrisburg, Pa.

World News, of Columbus, Ohio.

The Ursinus Weekly of Ursinus, Pa.

The Life of Thomas Edison in Word and Picture, by Arthur Palmer.

Engineering Extension News, by the Pennsylvania State College.

Many students accompanied the football squad to Tunkhannock Saturday.

The photographer took group pictures of the classes at Laketon on Tuesday.

There are evidences of second childhood in the Senior and Sophomore classes at Laketon.

Red, pink and blue hair ribbons can be seen with long curls, like those found in the primary rooms.

The seventh and eighth grade basketball teams are making excellent progress under the supervision and coaching of two Junior boys. They will soon challenge other teams from neighboring schools.

Dallas Borough School Notes

On Thanksgiving morning at 9:30 the Dallas high school football team has arranged a game with the young men of Dallas who will go under the name of the Dallas Collegians. The town team will greatly outweigh the school team and it is said they are confident of victory, but the high school team has been trained and well coached and they surely will give the town boys and men a run for their money. Everybody come and see Dallas fight against Dallas and maybe fathers against sons.

A Worth-while Addition

The untiring efforts of the members of the board of education to make Dallas high school a bigger and better school was manifested this week by granting money to add many useful books to our high school library.

The books were purchased from the Wide-Awake book store in Wilkes-Barre. The books purchased are the very best editions and the entire high school is loud in praise of the board of education for their good work. In looking over the list of books we find:

Story of My Life, by Helen Keller.

Nights With Uncle Remus, J. C. Harris.

Twenty Years at the Hull House, J. Adams.

Boys' Life of Mark Twain, A. B.

Paine.
 Ben Hur or the Life of Christ, Lew Wallace, and many others equally as good, and again we say to the board, many thanks.

DAVID BRACE.

Trucksville Notes

The grades from the Trucksville school will hold an entertainment and operetta on the afternoon and evening of November 22.

The high school glee clubs are progressing rapidly under the supervision of Mrs. Taylor. The girls practice Monday morning and the boys Friday morning.

VISITS POST

Mrs. Frank Smith of Kunkle was in to visit the Post this week. While here, Mrs. Smith gave us three new subscriptions and received a new Lindsay bread knife.

JUST ARRIVED

Mr. and Mrs. Clarence LaBar are rejoicing over the arrival of twin baby girls this week. The twins were born at Wyoming Vally Homeopathic hospital.

CARD OF THANKS

Mr. and Mrs. Oliver Hoyt and family wish to thank all those who assisted during their bereavement, also those who sent flowers. The child just buried was aged five months and thirteen days and was the second son which the Hoytes have lost by death.

 THE GREAT

SPARTON

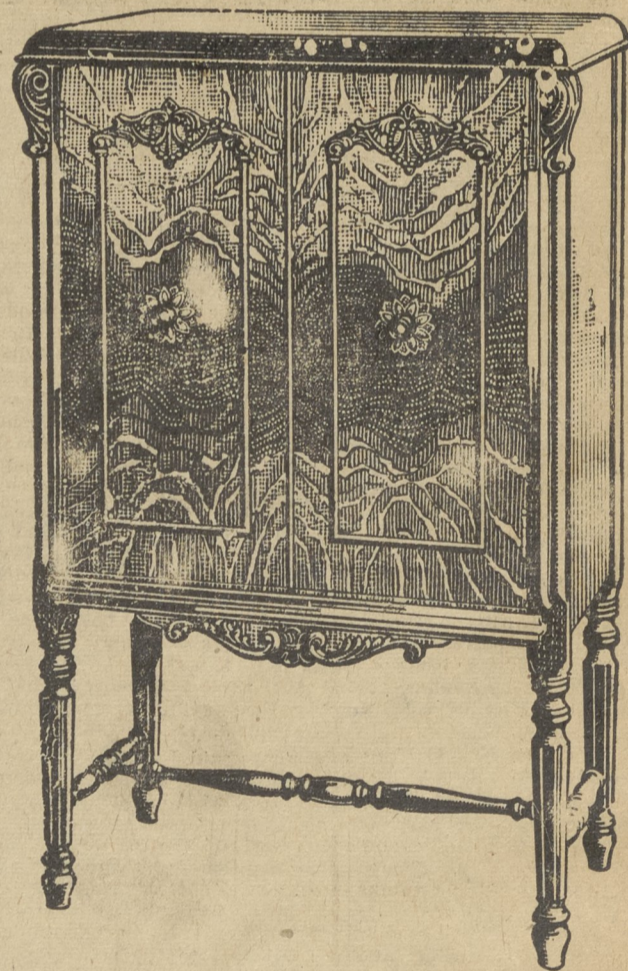

"Radio's Richest Voice"

Right Here In Dallas

Of course, it's a great radio—and we might fill this space telling you about its superior features and qualities—but really this is what counts.

Sparton has jumped from sixty-fourth to third place in the radio industry and is today making a strong bid for first place in radio production—this proves that the public knows what it wants.

Eddie will demonstrate this instrument right in your own home. Be sure to "See Eddie" before you buy.
