**Boys' and Girls' Teams to Represent
Each School in Newly-Formed Bi-County League**

A second meeting was held at Higgins' College Inn Wednesday night to organize a rural basketball league. Five schools were represented and officers were elected for the season as follows: President, Calvin McHose of Lake township; secretary, Mr. Girtton of Dallas township.

The league is composed of the following schools: Lake township, Lehman township, Kingston township, Dallas township, and Kingston township.

A motion was made and carried to extend the time to December 1 for other teams in the vicinity to become members. After considering various names it was decided that the league will be called the Bi-County Basketball League since schools of both Luzerne and Wyoming county are members. It is planned to have both a boys' and girls' team from each school.

The principals of the schools are to act as a committee on eligibility of players and other problems that may arise. Mr. Aurand of Lehman township and Mr. Austin of Monroe township will arrange the schedule.

Inter-scholastic rules for 1929-30 will be used in the league.

A home and a visiting game will be played between all teams. All games will start at 7:45 p. m. The price of admission will be 15 cents for pupils below the eighth grade and 25 cents for high school pupils and all others. Reports of the game will be sent to the local newspaper and to M. J. Girtton, secretary of the league, Dallas, Pa.

Mr. O'Malley, of Plains, gave a talk on basketball equipment and exhibited several samples. He will be glad to visit any school to help solve any athletic problems which they may have.

A POEM
Here's another one. This one is by Mildred Kocher, a Lake township senior:

When you have attained the name of Senior
And your school days you are looking back o'er,
May you have in your heart the feeling
That through hard work you have earned your goal.

Oh, Juniors of the present day,
The Seniors ask you to win your own fight,
Through one more year of toil
And stand on the platform of success
And say, "I fought my own fight."

Sophomores of this prosperous term,
May you receive heaven's reward
And fight your way through two more years
With diligence and undying honesty.

And now to the ones who have just started this life,
The freshmen of this year,
May your footsteps lead you to the Senior door,
And may you say "The class of '30 urged us on."

Oh, classmates of this dear school,
Freshmen, Sophomores and Juniors,
We, the Seniors, pray that
The hand above guide you
To a greater understanding.

And as you pass from out these doors
May you reverently bow your head,
And say a prayer to the class of '30,
And say, we followed in their foot-

steps and won.
May God forever bless them.
—MILDRED KOCHER,
Lake Township Senior Reporter.
