### Laketon Teams Win Two Games To Top League

#### Business College Girls and Kingston Township Boys Meet Defeat On Lake Floor Friday

Laketon High school gym was on Friday evening the scene of three most exciting basketball games of the season. The first, a game between Laketon High girls' varsity and Wilkes-Barre Business College Girls' varsity team, was won by Laketon. Laketon's lineup was as follows:

Right forward, Leona Kocher; left forward, Adelaide Hausch; center, Anna Balavage; side center, Virginia Allen; right guard, Violet Higgins; left guard, Pauline Oney; substitute center, B. Allen.

Goldstein was Business College's star player, but she could not excel the Laketon forwards, L. Kocher and A. Hausch. Though Business College put up a good fight the game ended with a 38-14 victory for the Lake team.

In the second game, with John Feichta and Tom Traver scoring high totals, Lake township high school varsity assumed leadership in the B. County Basketball League by a score of 9-38 before a capacity house.

The Laketon boys opened the first period with an avalanche of two pointers that gave them a ten-point lead at the end of the first ten minutes of play. At the start of the second period the Laketon team, playing a defensive game, held the Trucksville boys to a few points and continued to increase their own standing.

The final period found their opponents playing their best and scoring several good tosses, from mid floor, but the rally was too late to change the final score.

For the Kingston township team, Rowlands, playing forward, was in wonderful form and certainly can handle himself well on the floor and was responsible for the many fine passes and quick action of his team on the floor.

But there are greater investments to be made than those of the business world—investments that yield an even greater return, not in Cash, but in Human Happiness.

Such an investment is your contribution to the Community Welfare Federation, by which you finance an organized effort to improve the Community in which you live.

Thirty-one Social Service Agencies are affiliated with the Welfare Federation. Each of them is laboring efficiently and intelligently toward the Goal of a Better, Healthier and Happier Community for ALL of its citizens.

Agencies for the care of Crippled Children; for the protection of Dependent, Neglected and Orphaned Children; Free Hospital Service; Free Nursing Service; Social Centers; Health Centers; Agencies that lend a helping hand to the needy; that work for rehabilitation of broken families; that provide inspiration and guidance for our boys and girls; Agencies that perform a hundred other services that no modern and enlightened community can do without.

Dallas Borough was served by fourteen of these Social Service Agencies last year and Dallas Township by ten, while Kingston Township, Shavertown and Trucksville called upon eighteen agencies for Welfare work. Altogether, 2,748 Major Services were performed for individuals from this vicinity in 1929, most of which consisted of FREE Hospital Service.
