Sport News

New basketball outfits have been ordered for the girls. They will probably reach here in about a week. The school colors, red and white, will predominate.

New sweaters have been purchased for the boys' basketball team. They are used before games while the boys are warming up.

Both Teams Lose

Both boys and girls lost to Lehman in a league game at Kunkle on Friday night. The Dallas girls were handicapped by the absence of several first string players and lost by a large score. Conner of Lehman and Spencer of Dallas were high scorers. The boys' game was very close, the final score being 12-9. Both teams played a strong defensive game. A total of only seven field goals could be scored during the contest. Lehman were the high scorers. Bishop, wrestling coach at Wyoming Seminary, handled the games. Dallas and Lehman are scheduled again this week, but the scene of battle shifts to Lehman.

-Lake Township- School News CLEAN

A Boy Scout is Clean. He keeps clean in body and thought, stands for clean speech, clean sport, clean habits, and travels with a clean crowd. This does not mean however that he takes a shower bath every morning, keeps his finger nails clean and combs his hair, it means likewise that he is clean mentally, morally and physically, refraining from habits that are injurious to the health.

Cleanliness does not pertain only to a scout. Everyone can profit by keeping clean. What does a congregation think of a Minister who is not morally clean? Do parents like to send their children to teachers who are either physically or morally unclean.

Athletics requiring the greatest output of physical energy, depends for success upon a sound body. No body but a clean one is sound. Bodily laziness and moral indifference spells disaster for the athlete in capital letters keep clean in every way, physically, morally and mentally.

The law of cleanliness is "clean inside and outside".

LAKE STUDENTS SEEK MOTTO

The Junior and Senior English class have exhausted the dictionary in search of a bigger and better vocabulary, so we must now turn to something else. After some debating we decided to turn next to mottoes.

Each day a member of the class places on the bulletin board a worth while motto, and learn it and its meaning and are ready to discuss it in class. In this way we become more fully acquainted with our famous writers and poets, and their line of work.

Basketball and Class Paper Hold Lehman Interest

Inter-Mural Basketball Teams Organized Throughout School—February Issue of School Paper Makes Its Appearance

Basketball continues to be an absorbing topic at Lehman. On their recent idle date in the league schedule the boys' varsity team journeyed to White Haven where they engaged the fast St. Paul team, an organization made up of former high school and college stars. Although playing a much larger and more experienced team, the boys were only defeated by the margin of 37 to 34. Undoubtedly, they played the best game of the season and they were only nosed out in the last few minutes of play by a barrage of long shots from St. Paul's. The whole team shared in the scoring with Sutton and Major the leading range-finders. Another game outside of the league, was a 30 to 21 defeat at the hands of the Dallas All-Stars. Two full squads saw action in the game.
