Interest Grows As Rural League Opens Its Season

Noxen, Dallas and Alderson Easily Outclass Rivals To Win Opening

While there were no bands to play or mayors to throw out the first ball, there were plenty of thrills for the many fans who witnessed the opening game in the Rural League last Saturday afternoon at Beaumont, with Dallas as the attraction, the fans went home singing praises for both clubs, as it was anybody's game until the last man was out. Kenny Oliver, local high school boy, was pitted against the veteran, "Doo" Traver, on the pitching mound and with some timely hitting from his teammates won the first game of the season for Dallas. Other high school boys to take part in the game with Dallas were Merle Anderson and Bob Hislop. Anderson came through with two timely hits to drive in two runs while Hislop featured with his fast field work. In the ninth inning, Stitzer's three-base hit, followed by Labar's double, produced the winning run. Jackson and Denman were the heavy stickers for Beaumont, getting five hits and three walks between them, while Austin and Besteder featured in the field. At Alderson, Ferman Wilson and his East Dallas club got a late start and were unable to overcome a nine-run lead piled up by Manager Yeager's boys. Pinky Swingle was the starting pitcher, but gave way to a relief in the fifth frame after he had com-plained of a sore arm. Noxen had little trouble with Ideton, winning by a 14 to 7 score. Lou Hackling hit the first ball pitched for a home run,

William Bulford Buried at Dallas

Life in Luzerne County

The funeral of William Bulford was Union street, Wilkes-Barre, Wedafternoon and was attended by large number of First M. E. Church. The large attendance and a profusion of floral tokens evidenced the high esteem in which Mr. Bulford was held in the community. The pall bearers were John Robertson, David Robertson, Dell Honeywell, Dr. Hogg, Sterling Machell and Dr. Dodd. Interment was in Woodlawn cemetery.

Mr. Bulford began as a blacksmith in the property now occupied by Alex Johnson and in a small way branched into the livery business, which grew to be one of the largest in Luzerne county. FIRE PUMP HELPS

A new use and an unusual use for a fire pump used in extinguishing forest fires recently was reported by District Forester E. F. Brouse

of the Valley Forge District with

headquarters at Norristown. Forest Fire Warden Howard Eshelman of Geiger's Mills had a vicious bull which broke out of his stall and ran into the barnyard. Attempts were made to chase the bull back into his stall, but without success. After several attempts Warden Eschelman thought of a new fire pump which had recently been delivered to him as a part of his forest fire equipment. He filled it with water and "shot the bull" with a stream of water. It proved effetcive, for the bull apparently frightened by this new plan of attack, quietly ran into his stall.

Lake Schools Plan Exhibit

Prints of Works of Famous Masters To Be On Display For Public and Student Viewing

Faculty and students of Lake township high school have arranged for an educational art exhibition of Porter Prints with an authoritative art lecture to be on exhibition in the school auditorium during the week of May 5. The Porter Prints embrace, in a large measure, all the recognized art treasurers of the world and possess a

charm that appeals to both young and

old.

These pictures have received the stamp of approval of recognized critics in the leading art centers of Europe. This will be an ideal opportunity for everyone to see an art exhibition. The are disposal will include two hundred and thirty-five beautiful water colored portraits. Schools of various districts are invited to visit the auditorium during the morning session and adults to pay their visits between 2 and 5 p. m. There will be no charge or fee to see the prints.

The following picture titles are a

few of the many on exhibition: The Gleaners, Millet; Sir Galahad, Watts: The Age of Innocence, Reynolds; The Divine Shepherd, Murillo; Spring, Mauve; Music Master, Meunier; Spirit of '76, Willard; The Lone Wolf, Kowalski; The Lost Sheep, Svara; Christ at Thirty-three, Hofman; Two's Company, Downing.

BI-COUNTY LEAGUE GETS UNDERWAY WITH GOOD GAMES

Win From Dallas and Lehman Schools Friday afternoon witnessed the

opening game of of the Bi-County Baseball League between Laketon and Lehman, at Laketon, Cold weather prevailed throughout

the entire day, but both teams showed splendid team work, which will be a vital necessity for a team to stay on top throughout the following baseball

the excited school children were shattered time and time again by the

splendid infield work of Lehman.

The feature of the first game was a Laketon team. One casualty occurred during the game in which Carleton Kocher, playing third base for Lakesprained leg, due to a Lehman player Barre sliding into third base. He was substiuted by Stephen Halowitch, then playing left field. Stephens' position under the capable direction of Prof. was filled for the remainder of the Wood. Prof. Wood is likewise director game by David Crispell, who played excellently, making two runs for Lake-

Past records speak for thempolitical groups in the Republican selves. Senator Sordoni will make such a road a certainty.-

Brown's Stand CALM IRATE BULL On Rural Roads Gains New Votes

FORTIETH YEAR

Farmers Feel Need For State Aid in the Construction of Good Township

The stand taken by Francis Shunk Brown in his bid for the Republican nomination for Governor in the matter of roads is meeting with general approval among those farmers who are compelled to drive through the mud during many months of the year in order to reach their trading centers.

Brown has made a statement wherein he favors the extension of township reward road systems and says that all township roads should receive immediate attention in order to provide the rural population with more easy travel throughout the year.

One gasoline dealer in this section alone collects and forwards to Harrisburg in the neighborhood of \$3,500 annually, received from the gasoline tax. In the Dallas section and its surrounding territory somewhere between \$25,000 and \$30,000 tax, for road building purposes. At least a share of this money should be spent in this vicinity to provide rural residents with roads

that are pasable the year round.

The Dallas and Harvey's Lake sections of Luzerne county have been woefully neglected in the matter of roads built from State funds, thereby eliminating an additional tax burden upon farm owners. Under the plan proposed by Brown, farmers would receive the benefits of the vast sums paid into the State treasury for road purposes and al lthis money would not be spent to rebuild roads that are already improved or to provide double and triple systems where one good route is now available for tourists.

It is an ideal situation to provide wide, smooth, concrete roads for the benefit of tourists who may be traveling through the tSate, but it is a shame that thousands of dollars should continue to be spent to build roads that are already improved as farmers are compelled to wallow through the mud in order to bring their crops to the market or to go to their trading centers to buy their daily

Brown would remedy this situation and spend some of this hard earned tax money on roads that will be of benefit to those who provide the funds. It is high time that country clubs are satisfied for a while with mecadam roads and that farmers be lifted out of the mud by the building of improved township roads. this condition that Brown intends to correct if the voters see fit to place im in the Governor's chair where he will have an opportunity to bring it Lake and Kingston Township School
