New Ford Car Wins Favor

Ford Phaeton

THE Ford Phaeton, shown above, is equally popular as a family car and as a sport car for young people. The seating arrangement provides for the driver and one passenger in front and three passengers in the rear. Seats are upholstered in two-tone cross cobra grain artificial leather.

The top is of the quick collapsing type, easily handled by one person, and folds flat. The windshield, of Triplex shatter-proof glass, is of the folding type and can be laid flat forward. The windshield wings fold over it, emphasizing the sport effect of the car.
