GARDEN CLUB MEETS AT HARVEY'S LAKE

On Monday afternoon of last week the members of the Wyoming Valley Garden club were delightfully entertained at the beautiful summer home of Mrs. George Carey of Point Breeze, Harvey's Lake. This was the regular monthly meeting and was very well attended.

The speaker of the afternoon was Miss Annie Gereche of New York City, who gave a very interesting talk on European Gardens.

After a very tasty luncheon the members visited several nearby gardens and also the rock garden at the Carey home which is considered one of the beauty spots of the Lake. The next meeting of the club will take place the latter part of August.
