E. church until some time in October, probably the seventh. In the meantime, anyone wishing to assist the firemen in making this annual affair a financial success, can help out considerably by sending their donations to George Shaver at his barber shop on Main street. Any line of food stuffs that may be used at the affair will be appreciated.

The pipe is to be used by the Sun Gasoline Co. in carrying gasoline from its main plant in New Jersey.

The cards being mailed now are for school, county and poor.

In many instances substantial increases are noticeable.

Workmen of the J. B. Price Co. of Hazelton have completed the task of erecting a fence on the school property on Centre street. The fence is of galvanized wire, fourfeet high.
