Coach Wormley Drills Team For Pittston Game

Revamped Dallas Team to Play West Pittston High This Saturday At West Pittston.

Since the Wyoming game Coach Donald Wormley has been putting his Dallas high school football team through an intensive program of work in preparation for the game with West Pittston this Saturday.

He has been drilling a number of linemen in backfield work and in all likelihood Saturday's game will see at least one new ball carrier in the backfield.

The game tomorrow with West Pittston is one week ahead of schedule and comes as a result of an open date in the Dallas high school schedule. West Pittston was to have played a week from tomorrow on the home field, but in order to miss no games during the season the West Pittston game was shoved one week ahead and will be played on the West Pittston grounds.

The game tomorrow will be the hardest encountered by Dallas this season, and the local team deserves the support, encouragement and cheers of a large crowd of followers at that game.

Dallas showed its strength last Saturday at Wyoming, holding the strong Wyoming high school football team to a 6 to 0 score.

Although defeated, the Dallas team played equally as well as the Wyoming griders and showed itself powerful on the defense. At times there were real flashes of offensive strength on the Dallas team, but so closely were the teams matched that for the most part the game was played in the center of the field in the region of the fifty yard line.

Wyoming's only score came in the last fifteen minutes when on a forward pass play a Wyoming end carried the ball over the goal line for a touchdown.

MR. AND MRS. PARRISH ENTERTAINS SEVENTY GUESTS

Mr. and Mrs. Elmer Parrish entertained seventy of their friends from Dallas and nearby communities last Sunday at their recently purchased farm at Benton.

The day was ideal, and made more beautiful by autumn hillside and crisp fall air. The trip to Benton was through some of the most beautiful countryside in this region.

At 1 o'clock the guests sat down to an abundant dinner. Some of the guests brought covered dishes and there was not a thing missing in the food line. Morgan Wilcox asked the blessing.

After dinner Mr. Parrish invited the men to make a tour of inspection of the farm with him. It was impossible to cover all the grounds on foot, because it is seven miles around the farm by auto.

After the inspection, J. S. Williams of Alderson sang several songs in Scotch dialect and Morgan Wilcox gave an address in which he thanked the host and hostess for inviting so many friends to enjoy such a delightful treat.

SOME IN RAGS SOME IN TOGS— BUT ALL WORKING

There's a simple way to make students like reading, writing and arithmetic and Dallas borough high school seems to have found it. Many citizens passing the borough school this week have stopped to wonder and to watch the activity in the school yard. Dressed in football suits, overalls, sailor trousers, serge suits and what not, an energetic gang of youths have been constructing the foundations for sidewalks on the school property, all under the supervision of a manual training teacher. Judging from the sighs, deep breaths, and sometimes moans heard from the crew, it won't be long before mind will triumph over matter and every Dallas boy able to swing a pick will be loaded down with books when he goes home from school at night. Books are going to triumph in this friendly competition between the out of doors and the inside of a school room. There'll be no more boasting about hard muscles and all that; from now on you're going to see a mentally overbalanced high school, especially on the male side of the house.

Charles Montross Buried at Noxen

Death Comes Saturday Night As Result Of Back Injuries Received In Fall From Tree.

The funeral of Charles Montross, aged 65, who died Saturday night at Wilkes-Barre General hospital as the result of injuries received when he fell from a tree on his farm about two weeks ago, was held Tuesday afternoon from the family home in Monroe township, followed with exercises at Noxen M. E. church.

Mr. Montross was born in Monroe township, June 9, 1865. His entire life was spent in that neighborhood, where he conducted a farm and was one of the most respected citizens. A man of striking build, being over six feet tall, and of jovial temperament he won an affectionate place in the hearts of all who knew him. He was always robust in health and had never been ill a day until he suffered a fall while picking fruit from a tree in his orchard and received injuries to his back which later took his life.

The high esteem in which Mr. Montross was held by his neighbors was shown in the large number of friends who filled Noxen M. E. church to capacity at the funeral services, and in the many beautiful floral tributes which banked the coffin.

The funeral sermon, which was beautifully given, was by Rev. VanDerman, of Allentown, pastor of the Seven Day Adventist church. Interment was in Orcutt's Grove cemetery. The pall bearers were Thomas Wright, A. J. Davis, A. L. Saxe, Charles Patton, John McMullen and Stanley Jackson.

Beside his widow, the deceased is survived by five sons: Arthur, Floyd, Elijah, Berton and Paul and one daughter, Mrs. Dora Montross.

Before the ceremony, Miss Gertrude Wright, sister of the bridegroom sang "I Love You Truly," and William Rowlands and his orchestra played the wedding march.

Ruth Meeker was her sister's maid of honor and Herbert Wright, brother.

Citizens' Group To Discuss Local Insurance Rates

Musical Entertainment To Be Part Of Program Monday Night At High School Auditorium.

There will be a meeting of Dallas borough citizens Monday night at 8, in Dallas borough high school auditorium. At that time it is planned to discuss insurance rates and arrangements have been made for an expert to be present and talk on that subject as well as answer questions which members of the audience may have on insurance problems.

Other matters of community interest will be discussed. Although the group was to have chosen a name at the last meeting, it was thought best to wait until a later date to select a name for the organization. This subject will probably be brought up for discussion at the Monday night meeting. As a part of the entertainment program, Mrs. Harold Titman will give several vocal solos, accompanied at the piano by Prof. Ernest Wood.

WEDDING ANNIVERSARY

Mr. and Mrs. Weaver are newcomers to Dallas, having moved here last spring from Bourbon, Ind.

She has written a number of articles on gardening for leading magazines of the country.

Huntsville Christian Church

The fine attendance and interest at the Rally Day services last Sunday were an inspiration to all. The attention of the church now turns to the celebration of the 87th anniversary of its dedication which will occur the first week in November. By special request the pastor will speak at the 9:30 service Sunday morning on the pension system which has proven bewildering to many. Bible school will follow.

Student Injured and Horse Is Killed In Runaway Accident

Lewis Schaffer, aged 23, a Muhlenburg college student, who has been soliciting subscriptions for McCall's magazine in this section to pay his way through college, was seriously injured Wednesday afternoon and one of George Bulford's finest horses was killed when the horse the young man was riding ran away and crashed into a stone wall.

Schaffer, whose home is at 4744 Hutchinson avenue, Philadelphia, had never ridden a horse before. In company with his brother, he visited the Bulford Farm at Lehman Wednesday afternoon to solicit subscriptions. Asking if he might ride the horse, he was allowed to do so. Just as the horse and rider reached the top of a hill, the horse became frightened and ran away down the hill, crashed into a stone wall and fell. Young Schaffer received painful hip injuries, possible internal injuries and his eyebrow was torn away. The horse, valued at \$300, died of injuries. Schaffer was taken to the office of Dr. G. K. Swartz of Dallas, where he received treatment.

AUTO OWNERS MUST SUBMIT CARS FOR TEST BEFORE NOV. 1

Harrisburg, Oct. 10 — Each week for the next four weeks more than 300,000 motor cars and trucks must present themselves at official examining stations for inspection and approval, or for repair, if all of Pennsylvania's automotive equipment is to be rolling November 1st.

"Owners are overlooking the fact that unless their cars and trucks have been approved October 3, they may not operate for thirty days thereafter," said Motor Vehicle Commissioner Benjamin G. Eynon today.

"As I drive here and there in Pennsylvania, I note with surprise that more 1929 inspected stickers are in evidence than the 1930 keystone. This proves that nearly everyone was inspected last year, at least, but that means nothing so far as this year's inspection is concerned. Next to a last year's bird nest, I think there is nothing more pathetic than a last year's inspection tag. It seems to indicate that its possessor is a year behind the times."

Rural Leaguers To Play Off Tie

Rural Leaguers Stage Exciting Series; Noxen Gets Even With East Dallas; Darkness Ends Tie Game With Beaumont.

What a series the Rural Leaguers are playing this season. The Beaumont-Dallas game drew one of the largest crowds of the season and the loyal fans were kept on an edge throughout the exciting nine innings, which ended in a 3 to 3 tie, when darkness drew the curtains on one of the hardest fought games of the season. While a World Series was being staged at St. Louis there could have been no more thrills furnished the fans than the boys of the country league gave last Saturday.

Bob MacDougal and Burt Stitzer, rival short stops, gave one of the finest exhibitions of how to pick them out of the dirt from all angles and execute double plays that drew wild cheers from the fans. While the bat of "Butch" Smith cast a gloom over the Dallas camp in the fourth inning when his double drove two runs across the plate. Other features were furnished by "Slim" Woolbert, premier first sacker for Dallas, who stretched that six-foot frame of his into four extra feet to snare some wide throws from the boys he calls his friends, who had probably been off balance from making fast plays. Again Culver and Traver gave the fans their money's worth by duplicating the fine performance they turned in the previous week. Burt Culver gained an edge in the last inning when Traver lost control and issued two free passes and hit Lee to force a run across; at this point, Austin was sent to the mound with his speed ball but could do no more than hold the game to a tie. Next Saturday Dallas will go back to Beaumont where they hope to even matters up and the fans can be assured one of the best games of the series. Noxen staged a late inning rally against East Dallas and made the count one up. Next Saturday will decide the winner for those two clubs.

Assisting artists will be Gavin Burt, baritone and Pompilio Forlano, trumpet soloist. Both of these men are well known in this section and are leaders in music circles of Wyoming Valley. Mr. Forlano is director of Wilkes-Barre Symphony orchestra and a cornet soloist of note, while Mr. Burt has long been in demand as a vocalist and is known throughout Pennsylvania for his splendid baritone voice.

Dallas Plays Miners Sunday

Dallas Athletics will play the strong Miners Mills team this Sunday afternoon. Three weeks ago this team was defeated by a score of 3-4 in a well played extra inning game.

Dallas will use the same line-up this Sunday and will have in reserve, Ketchum, a new pitcher, who pitched against Dallas, striking out thirteen men. He is only a youngster and has plenty to offer.

This will be a real contest and the fans are sure of a fast game. The following week Dallas will play the fast Hillside A. C. Many former Dallas players are on this team. Among them are: Dobby, Pointek, Owens and Hutch.

KILLS BIG DUCK

Now that the fishing season is drawing to a close, the big ones that got away last summer will be forgotten for a long time, while hunting and deer stories will hold the center of the stage. This week Kenneth Brobst, aged 15 of Dallas, shot a duck on Mud Pond, back of Lehman, that weighed slightly less than ten pounds. "That, we believe, is a record that few hunters can equal this fall."

HERE'S SOMETHING THAT WORKS BEFORE BREAKFAST

It's a good man who works before breakfast and by the same sign it's a good classified ad that does the same thing. Last Friday, Mrs. C. F. Rood advertised a Faultless kitchen range for sale in THE POST'S Classified column. Before eight o'clock that morning and before she had breakfast, a man called at her home and bought the stove. Of course Mrs. Rood is enthusiastic about POST Classified ads.

The route will be from Peter Michael's corner to Carverton church, to Gay's farm to Gay's corners then to Trucksville school via Harris Hill road to Shavertown, returning via the same route. On recommendation of Director Nichols it was decided to have the work done by the local children on exhibition at the County Institute.
