

### Township Team Meets Defeat At Tunkhannock

#### Local Team Shows Real Power and Ability—Referee's Decisions Severely Criticized By Neutral Fans.

Tunkhannock football team defeated the fast varsity team of Dallas Township high school in their annual football classic last Friday. The township boys held their rivals to a scoreless tie in the first half, several times making gains which threatened to break the tie.

Tunkhannock scored its first touchdown in the third quarter and followed with two more in the last quarter, but failed on the extra points. Fry, husky Tunkhannock fullback, kicked a beautiful drop kick from the thirty-yard line to add three more points to the score.

The township boys went into the fourth quarter with two canons in the backfield, and came out with a touchdown. This was accomplished by a pass from Butler to Anderson, who ran thirty yards to score the township's only touchdown. The kick for extra point failed. Early in the third quarter, a township end intercepted a lateral pass and carried it over for a touchdown. The referee called the play back, even though the crowd disapproved of his action. The game ended with the score standing 31-6 in Tunkhannock's favor.

Two outstanding stars were: Robert Girvan, who played an excellent game, also Eddie Tanona, who made a twenty-five-yard end run. The township tea will meet Lehman in a return game at the township's field Friday, November 21, at 3:15. The township team will meet Lehman the first game of the season and expects to do the same Friday.

#### STAFF MEMBERS

Members of student staffs be sure to have your copy in early. The school page is made up early Wednesday morning so that all of your copy should be in our hands not later than Tuesday noon of week of issue. In writing news be sure to have articles on separate sheets of paper. Do not write two articles on the same sheet unless they make up a series of Brief Mention items. If you would like to have the names of your school staff published at the head of your section of the school page, send them into us. Leave plenty of room at the top of all articles so that heads can be written by THE POST editor.

### Rural Schools Join Bi-County P. I. A. A. Basket Ball League

Prospects for real interest in basket ball among the schools of the back mountain region look brighter than ever this year. Last year considerable interest was shown, but this was divided because of the operation of two leagues here and because Dallas borough's high school team was meeting opposition of teams out of its class. The effect on the borough team was little short of disheartening, but in spite of the team's many defeats, it showed a good spirit and came through the season with plenty of courage.

Much of the old opposition to a back mountain league has now been wiped away so that steps have already been taken for the formation of a Bi-county basket ball league functioning under P. I. A. A. rules.

At a recent meeting of persons interested in basket ball among the

schools of this region, Prof. R. W. Templin, of Dallas, superintendent of West Pittston schools, was named president of a Bi-county school league. Mr. Templin is now working on the schedule, which will be announced in the course of a few days.

Schools which will be represented in the league are: Dallas borough, Dallas township, Noxen, Beaumont, Lake, Lehman and Kingston township. With such a line-up there should be great interest in basket ball this winter.

Many of the schools give promise of turning out strong teams and there should be a merry scramble for the pennant throughout the season. Although some of the schools are handicapped by lack of basket ball floors, suitable arrangements have been made so that all teams will have floors on which to practice.

### Many Parents Attend Twp. P. T. A. Meeting

#### Varied Program Includes Vocal Selections and Exhibition of Student Skill.

Much enthusiasm is being displayed in the attendance of parents at Parent-Teacher meetings in the back mountain region. Monday evening marked the third meeting held at Dallas township vocational school and the results were gratifying to all. Mrs. Hildebrand, president, was present, but at her request, did not preside. Prof. Girton, newly elected vice-president, acted in this capacity. On the program were three vocal

selections by Mrs. Earl Husted, accompanied at the piano by Elizabeth Love. Mr. Hicks, known as "Ditto Man," gave an interesting demonstration of a duplicating machine. Miss Robinson, of the vocational department, assisted the girls in making all kinds of pretty articles, which were placed on display in one of the rooms and were rapidly sold.

There was also a candy booth. The proceeds from this sale will go toward furnishing a school rest room. Refreshments were served. Next meeting will be held Monday, December 15.

#### GIRL RESERVES BANQUET

By Ella Crispell.

Girl Reserves of Lake Township high school held a banquet in the gymnasium Friday evening, November 14. There were approximately fifty present. Miss Virginia Allen was toast-mistress. A beautiful ceremony was performed in honor of the new members of the club, during which a very interesting program was given.

The tables were arranged in triangle shape and decorated with the club's colors, blue and white. The menu consisted of potato salad, ham, pickles, red beets, rolls, fruit salad, peanuts, cake and cider.

The entire evening was spent in singing and playing games, which caused much applauding. Although the rain was descending in torrents, it did not interfere with the evening.
