Here And There
"Red" Schwartz

Word reached this column during the past week that William Fine, formerly editor of the Dallas Post, is meeting with much success in the newspaper world. Fine is advertising manager of the National Courier Publishing Company, a Polish paper, whose main offices are in New York City. Mr. Fine's many friends locally will hail this announcement with delight.

A Poem
The blanket spoke to the comforter,
In a tone of great elation:
"It's springtime now and you and I
Can both go on a vacation."

"Hod" Jenkins says that he doesn't mind Mrs. Hod's calling him, "Sugar Doggie," but darned if he'll stand for "Honey Horsey."
