Crusade Nears Closing Date

Local Churches Plan Special Services For Palm Sunday—Expect Large Attendance At All Services

With little more than a week of the special Loyalty Crusade services remaining, energetic efforts are being put forth by all committees in the attempt to achieve each and every goal. The results recorded thus far have been most encouraging, not only in Shavertown, but throughout the length and breadth of the Crusade area. All churches united in this glorious cause report phenomenal and record-breaking attendances, and, better yet, a spirit of Loyalty which is bound to linger forever in many hearts.

Shavertown M. E. Church

Next Sunday—Palm Sunday—will be devoted to "Recruiting Day—The Pledge of Loyalty." The morning service will be decision day in Bible school and church, while the evening service brings the last of the evangelistic services, which have been conducted by Evangelist "Jeff" Lowman for the past two weeks.

This young man has made a very fine impression on our churchfolk with his splendid sermons and unusual knowledge of the Bible. He will leave many new friends and well-wishers when he goes.

Sunday, April 5th, Easter Sunday, will bring the Crusade services to a close. The services for this greatest of all days to the true Christian will be announced in next week's Post.

CENTERMORELAND M. E. CHURCH

Herbert S. Munyon, Pastor

Services on Sunday as follows: Preaching at De Munds church at 11 A. M. Preaching at Dymond Hollow at 3:00 P. M. At Centermoreland church at 7:45 P. M. After a brief address by the pastor a number of girls of the Sunday school will render a short pageant, very appropriate for Palm Sunday. On Thursday, April 8, the ladies will serve dinner in the basement. In the evening the Epworth League will hold a box social and have a free entertainment. Friday night, April 8, there will be preaching service in the church.

CHURCH OF CHRIST

E. J. Waterstripe, Minister
Sweet Valley

The entertainment from the Lehman high school will be given in our hall this Saturday evening. You will like this. Refreshments.

Willing Workers every Thursday at the hall. Work for all. Dinner at noon. Our Men's Special Bible Class is for men. For discussion of practical things of life. Bring your question.

Our services for Sunday, March 29: 10 A. M., Bible school; 11 A. M., morning service and communion. Theme, "The Gospel." 6:45 P. M., Christian Endeavor. 7:30, evening services. Subject, "Jesus of Nazareth."

The church "Without human conceptions of faith or human creed" invites all to their services.

HUNTSVILLE CHRISTIAN CHURCH

The morning services made a distinct gain at the Huntsville Christian church last Sunday morning. 105 at church and 131 in Sunday school. With only ten more to go to reach the Crusade goal of 141 and everyone working hard this week, it is expected that the goal will at least be reached next Sunday and passed on Easter Sunday. The Old Hymn Night was much enjoyed last Sunday night. Next Sunday night will be Bible Night and will have novel features which will make the service interesting. The morning service will be the Decision Day service of the Crusade period. The pastor will speak at the 9:30 service on "Choose Ye This Day." The Bible school has a most interesting program for its Decision Day service. The school meets at 10:30 and all not attending elsewhere are urged to share the fellowship of the church and the study of the school.

GRASS FIRE

Grass and brush fire swept the fields east of Dallas in the vicinity of Evergreen cemetery on Monday necessitating the calling out of Dr. Henry M. Laing Fire Company. Though damage was slight, the extent of the fire and its swift spread for a time endangered a number of houses in that region.

HISTORIC MAP

Mrs. John Williams, of the American Home Shop, Main street, Dallas, is displaying a large map of Luzerne county made about 1866 and showing Luzerne county before Laekawanna was apportioned. The map is of unusual interest to students of history and especially those interested in the history of Luzerne county.

Commissioners Draw Civil Court Jurors

Announce Panels of Jurors For Service In Common Pleas Cases Starting April 20

To clean up the list of pending common pleas cases, more than 300 being listed for trial, the judges have arranged to hold five weeks of common pleas court beginning on April 20. The delay in the trial of these cases, which has clogged the courts, is due to the action of attorneys who obtain continuances when the cases are called for trial.

The judges will make an effort to have the list disposed of at the coming term, and will hold four or five courts if necessary during these weeks.

Jury Commissioners William A. Llewellyn and P. J. Gallagher and their clerk, Elias Cohen, have drawn a list of eighty jurors for service each week of common pleas court for the April term. The jurors who have been drawn from this vicinity are as follows:

Week of April 20

Howard Crosby, Foreman, R. E. D., Dallas.

Frank Moore, merchant, East Dallas. Charles M. Pettibone, farmer, R. D. 1, Trucksville, Kingstons township.

Week April 27

C. W. Frantz, farmer, Carverton, Kingstons township.

Earl Husted, foreman, Idetown, Dallas township.

Stanly Rauch, carpenter, Alderson, Lake township.

William Shoemaker, carpenter, Shavertown, Kingstons township.

N. A. Staub, farmer, Trucksville, Kingstons township.

Haydn D. Williams clerk, Evergreen Shavertown, Kingstons township.

Evangelistic Campaign Underway

Evangelist Sara C. Palmer Conducting Meetings in Dallas Methodist Church Splendid Attendance Has Marked Beginning of Campaign

The evangelistic campaign, under the leadership of Miss Sara C. Palmer, the Irish Evangelist, at the Methodist Church, Dallas, is now under way, and a splendid attendance has marked the beginning of the campaign. Miss Palmer closed meetings in Michigan last Sunday, left Flint, Michigan, on the sleeper Monday night and arrived in Dallas Tuesday afternoon ready to start work in this section. The meetings in Michigan were a great success and the people there were hoping she could stay with them until Easter, but her engagement here with the Dallas church prevented her from remaining longer for the present. However, she promised to return to them for tent meetings later on and they are enthusiastically making elaborate preparations for a return visit.

Delegations are arranging to attend the meetings from other fields where Miss Palmer has labored in this section. Idetown, Lehman, Tunkhannock, Wyoming and Wilkes-Barre. Miss Palmer was with the Parrish Street M. E. Church for the month of February and the people of that city are looking forward to their visit to Dallas during these meetings with happy anticipation. Dr. Walter C. Schofield and his wife will be present on Monday night and have charge of the music and a treat is in store for those who shall be present at that service.

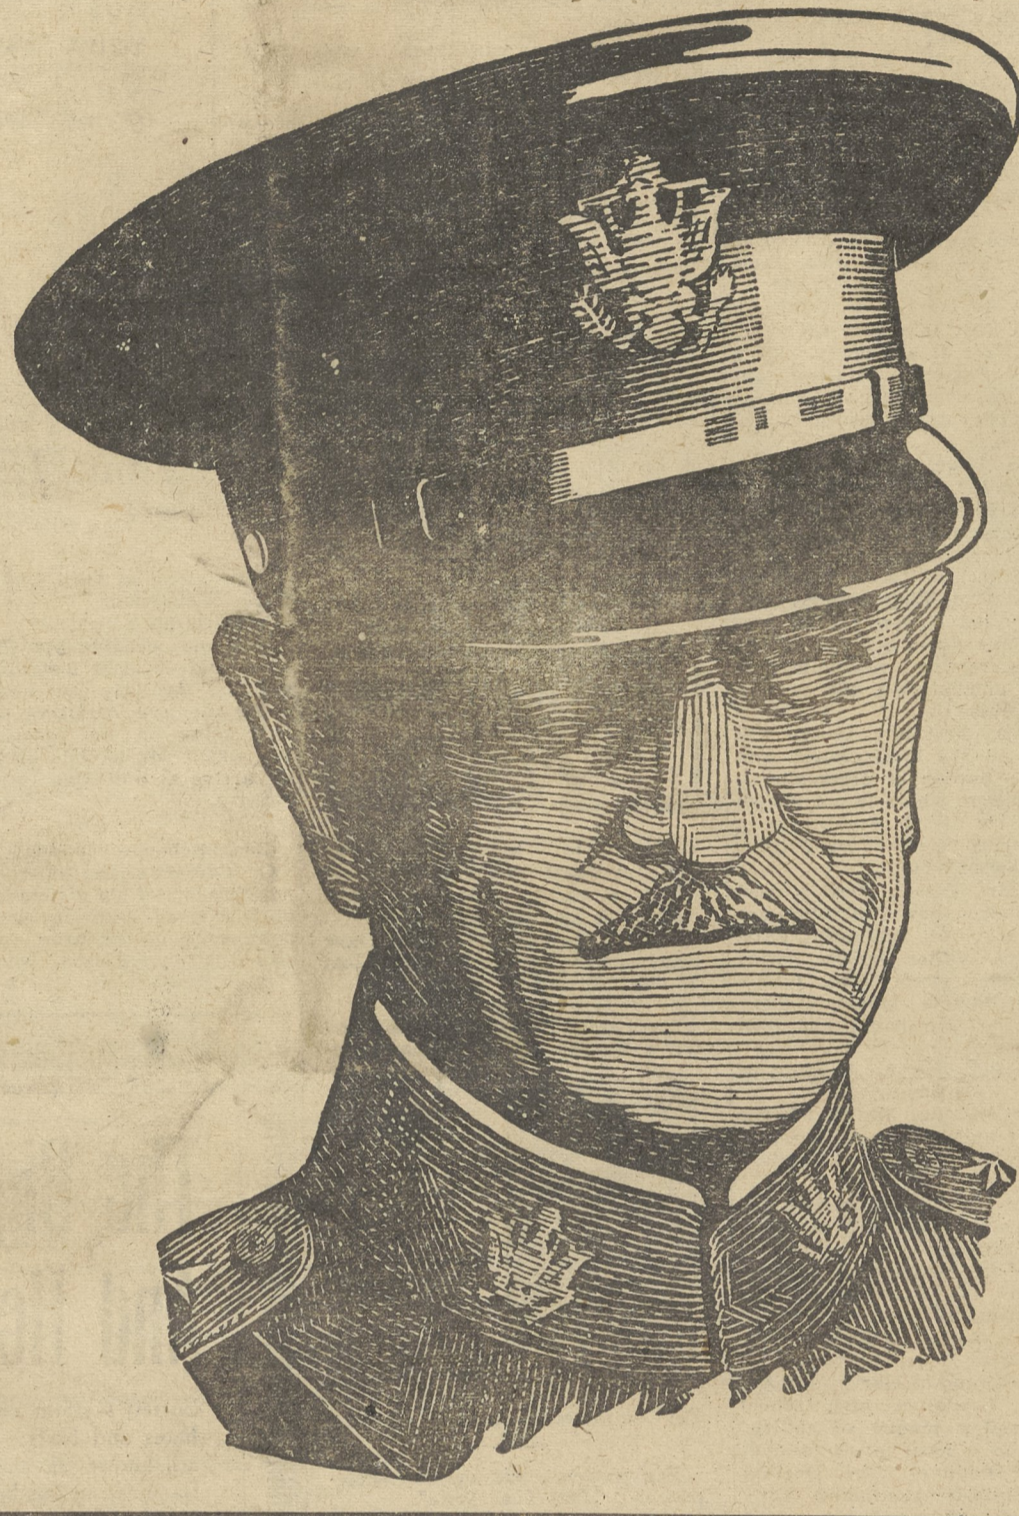

Friday afternoon Miss Palmer will conduct a Mass Meeting for boys and girls immediately after school at the church. The boys and girls are working hard for that meeting. They are coming in their trains and the boys and girl who brings the longest train of cars will receive a prize. Miss Palmer will speak to them on the subject of "Lucky Bags."

No meetings on Saturday but three great meetings on Sunday. In addition to the morning and evening services Miss Palmer will conduct a mass meeting for men and women at 2:30 in the afternoon. She will lecture on the subject, "Is the Bible the Word of God?" This will be a popular meeting which will attract people from all around the country at an hour when they have no service in their own churches. Ninety men will occupy a reserved section at the evening service and sing Sankey's old and popular song, "The Ninety and Nine."

LITTLE THEATRE GROUP FORMED

The nucleus for a Little Theatre group has been organized in Dallas and will present its first play, "The Silent Shape," about May 1. Members of the group are: Marie Woolbert, Lettie Lee, Barbara Hoffmeister, Walter Rau, William Rau, Art Culver, Clarence Adams and Phillip Anderson.

PERSHING SPEAKS

GENERAL PERSHING'S OWN STORY OF HIS EXPERIENCES IN THE GREAT WORLD WAR

Will Appear Serially In The Post Commencing With the Issue of Friday, April 10—If Not a Reader Subscribe Now

It is not only with the greatest of pleasure but with satisfaction that THE POST is able to announce to its many readers that commencing with the issue of Friday, April 10, it will give the first installment of the story of General John J. Pershing's experiences in the World War.

This is a straightforward story of what the American Army did in the great conflict in Europe. General Pershing tells the story with amazing frankness. It is in no sense a technical report of military operations. It

is a human narrative of the obstacles which confronted the General and which he overcame.

General Pershing discloses the tremendous pressure brought to bear on him to brigade the American troops with the French, British and Italian armies. He describes the petty jealousies between the European allies and allied politicians, and proves it with quotations from his official correspondence.

It is the most sensational, and by far the most important account of our participation in the World War that

has been written. Every World War and every red-blooded American wants to, and should, read it.

In order that those who are not regular subscribers and readers of THE DALLAS POST, and those whose subscriptions will expire before the story is completed may read this great narrative, a coupon is found below, which detach, fill out, pin a dollar bill to it and sent it to THE POST and your name will be placed on the mailing list, so that you will receive each veteran, his relatives and his friends, and every installment.

An All Bi-County League Team For the Season of 1930-1931

First Team	Position	Second Team
Kutcha, Laketon	Forward	Woolbert Trucksville
Holmgren, Trucksville	Forward	Morris, Dallas Twp.
Traver, Laketon	Center	Krumelben, Trucksville
Rowlands, Trucksville	Guard	Grey, Laketon
E. Coolbaugh, Dallas Boro.	Guard	Rosolosi, Lehman
Caroy, Dallas Twp.	Sub	Rogers, Lehman
Holowitch, Laketon	Sub	Slicker, Trucksville
Matakaitis, Dallas Twp.	Sub	Disque, Dallas Boro.

That's our all-scholastic basketball team. Take it or leave it. It makes no difference to us! Any kind of an all team must be a matter of opinion. There is no way to determine it mathematically. Therefore, the above team is named.

Kutcha is a standby of the league, who enjoyed the best season of his career, is too clever to omit.

Holmgren, fast-moving forward, put up a sensational game. He is noted for his ability to intercept passes, and he has a way of keeping the ball moving.

Travis is the circuit's best at taping. He is a good shot when cutting

for the basket, but is not so formidable in battling for the ball.

Rowlands was a spotter man after the first few games. His unusual shooting entitled him to the rating we gave him.

Coolbaugh is perhaps the smoothest player of all. He knows basketball and plays all departments well.

Caroy developed into one of the circuit's best players and it would be hard to keep him off the first team.

Matakaitis did not enjoy his best season. He is a clever and a good floor worker.

The fans of the rural section are asked to send in their all-scholastic

Rural League To Organize For Coming Season

Rural Leaguers Will Hold Organization Meeting Sunday Afternoon in Dallas—Eight Clubs May Form the Circuit

Rural leaguers will hold their first spring meeting Sunday afternoon at Dallas, when they will organize for the 1931 season with possibly eight clubs. Tunkhannock, Meeker and Broadway are expected to enter league. Most managers are satisfied to keep the league strictly rural talent which proved successful last season, when four of the six clubs finished within a few points of each other. Idetown and Alderson were the weak clubs, but these teams may be allowed to strengthen up enough to compete with the others, which would give the fans good base ball throughout the league.

Dallas will have the same line up that won the pennant last season with the exception of a catcher, as Herb Ray, who has been with the club for the past five seasons, has announced his retirement from base ball. It is also possible that Jerry Fortner will not be in the lineup as his business may take him out of town.

The regulars who will start the season are: Stitzer, Reese, Woolbert, Griffith, Wilson, Culver, Lee and Labar, with Slayzak, Saraka, Oliver, Hislop and Dick Coolbaugh on the rookie list. Saraka played most of last season with the club and showed enough stuff to warrant him a chance to beat out such stars at Morris, Labar, Reese and Wilson for an out-field position. His only draw back last season was being hit in the eye with a batted ball and another time when he let Ira Morris use his shoes, which he claims has been a jinx to his hitting. Any player wishing a tryout with the locals may have an opportunity by getting in touch with the manager.

Lehman High School Girls Win Championship

Closed Season Last Friday Night By a Victory Over Beaumont — Eleven Victories and But One Defeat During the Season

The girls basketball team of Lehman township high school closed its season last Friday evening by winning 33 to 19 over Beaumont. This eleventh victory of the season in which the Lehman girls have been defeated but once, brought the championship of the Bi-County League.

One feature of last Friday night's game was the true sportsmanship shown by both teams and spectators. The referees were highly praised by both coaches and principals for their skillfulness in handling the games. Lehman teams thank Beaumont for the hospitality shown them by the teams and spectators.

Jane Conner, who was seriously injured in the Dallas game, was back in the game at Beaumont. The following is the lineup and score: Beaumont—Fritz, F., 10 pts; Doll, F., 9; Wall, C., 0; Jones, S. RAZE BUILDING

Workmen began the demolition of the old paint shop back of Stanley's Garage on Main street, Dallas, this week. The removal of this old building will further reduce the fire hazard in the heart of the borough and will make way for the construction of a modern fire proof building on the Moret property.

UNLOAD ROAD MAINTAINER

Dallas township road supervisors unloaded a large road maintenance machine this week at the Dallas freight station.

Miss Katherine Shindel attended the Junior Prom at Lafayette College, Easton, last week-end as the guest of Jonathan Valentine, of Wilkes-Barre, who was Prom chairman. Miss Shindel had the unusual honor of being selected Prom Queen.
