David Rentchler, one of the men who conducted the Post's subscription campaign and who is conducting a similar campaign for the Tunkhannock Democrat, was confined to his bed at the Weaver home on Barker's Lane, over the week-end with a severe attack of lumbago.

Mrs. Fred Riley and Mrs. N. C. Stevenson left Wednesday by motor for Endicott, N. Y., where they will visit Mrs. Stevenson's daughter, Mrs. Peter Fraley. From there they will go to Norwich, N. Y., where they will visit Mrs. Riley's sister, Mrs. Fred Reynolds.

Mrs. Floyd Titman was hostess to the Monday afternoon bridge club Tuesday. Ladies of the Valley formed the charming centerpiece for the luncheon tables. Bridge followed. The guests were: Mrs. T. W. Gangloff, Mrs. A. L. Turner, Mrs. Steinert, Mrs. G. K. Swartz, Mrs. G. R. Beehler, Mrs. S. B. Davies, Mrs. G. A. Baur, Mrs. Charles Snyder, Mrs. H. L. Scott, Mrs. R. L. Brickel, Miss Florence Snyder.

The membership committee of the Y. W. C. A., with Mrs. H. Lee Scott as chairman, afforded the people of the Wyoming Valley an opportunity to view a collection of rare and antique quilts. The affair was largely attended, many of those present being from Berwick, Bloomsburg and West Pittston. Mrs. A. L. Davenport donated the largest collection displaying about forty interesting specimens. Exhibitors from Dallas included: Mrs. Laura Patterson, Miss Mildred Patterson, Mrs. Thomas aGngloff, Mrs. Stanley Davies and Mrs. D. F. Westover.

teacher of music they would lose the appropriation set aside for this purpose. Edwin Hay voted no on the motion of dismissal of Miss Myers. This was also true in the case of Mr. Gregory, who was also advised of his dismissal.

**Appointment Held Up**

The appoint of a teacher of art was held up until such a time when the board can be able to get in touch with Miss Conrad on the possibility of hiring her as a full-time teacher instead of part time as they are now doing. The local board pays Miss Conrad \$337.50 per year for two and one-half days of art instruction at the schools per month, whereby it would be advisable to secure a teacher for full time at a saving of approximately \$400. The reappointment of Miss Conrad was held up until a later date.

**New Teacher of Music**

On motion of Hay, seconded by Appleton, Miss Madge Anderson, daughter of Mr. and Mrs. J. B. Anderson, of Carverton, a student at the Ithaca School for Music for the past four years, was named to take the place of Miss Myers at a salary of \$1,170.

was added to the list of substitute teachers.

Howard Leek was reappointed janitor for a twelve months period at a salary of \$100 per month. During the summer months he will see to it that the school is kept clean and to do necessary repairs.

Wilson Cease, of Trucksville, was reappointed janitor for nine months at a salary of \$80 per month. During the three months of summer vacation, Mrs. Hersh, of Trucksville, was named to care for the school building at \$180.

William Hunt, of Shavertown, and William Hewitt, of Trucksville, were named truant officers at a salary of \$90 for a nine month period.

**Elect Treasurer**

On motion of Appleton and seconded by Hay, Joseph Schooley was elected treasurer for the coming term at a salary of \$400. Herbert Hill served in this capacity during the past year. No teachers or janitors will be able to draw their salaries in advance, the directors going on record on motion by Hill.

Motion by Hill, seconded by Hay, that a list of the teachers reappointed and the newly named be sent to County Superintendent for his approval.

**Regular Meeting**

The township school board will meet at the Trucksville school house on Monday night at 8.

**Billboard Removal On Narrow Roads**

**Luzerne Narrows Will Be Cleared To Great Extent Of The Existing Billboards**

**NO FUTURE ENCROACHMENT**

Luzerne Narrows, the principal highway from Wyoming Valley to Harvey's Lake, one of Pennsylvania's most delightful inland lake resorts, not only will be cleared to a great extent of existing billboards, but will be safe from future encroachment of this kind of advertising as a result of the acceptance Monday afternoon by the Valley Entrances Committee of Wyoming Valley Chamber of Commerce of a plan submitted by B. F. Burgunder,

president of Wyoming Valley Poster Advertising Co., of Wilkes-Barre.

Briefly the plan submitted by Mr. Burgunder provides for the elimination of all the billboards with three exceptions, on the Narrows road. Furthermore, the program provides for the protection of the highway slopes from these uses in the future.

Clark Wright Evans, chairman of the Valley Entrances Committee, was enthusiastic in commenting upon the proposal submitted by Mr. Burgunder. "This is certainly a step in the right direction," said Chairman Evans, "and meets exactly the objective toward which our committee has been striving. The 'Narrows' highway is used by those who travel to Harvey's Lake. The removal of the unsightly billboards along the route is a real victory."

James Gansel, of Shrine View, has been ill for the past week.

**Trucksville Volunteer Fire Company And Improvement Association Elect Their Officers**

**TO RAISE FUNDS FOR TRUCK**

The Trucksville Volunteer Fire Company and Improvement Association at their regular meeting, Friday evening, May 22, elected the following officers to serve the coming year: President, Ralph Hazeltine; vice-president, Harry Brodhun; treasurer, general fund, Samuel Lawson; treasurer, fire fund, Albert G. Groblewski, Jr.; recording secretary, N. A. Straub; financial secretary, Samuel Reese; fire chief, Max Leonard; assistant fire chief, Boyd Latholt; drivers, Glenn Bulford, Walter Billings and Floyd Wells; trustees, Earl Newhard, Joseph Bulford, Lee Hessler and William Rhodes.

The men of the community did their duty in noble style by giving 100 per cent attendance. The official count of those present was 58 members who gave a rising vote of thanks to those who are working so hard to collect funds to pay for the new truck.

Six solicitors reported that they will start their collecting campaign in a few days, and feel that they will be able to get enough money to pay the balance of \$310 still due on the chassis and also have a balance to start negotiations for new equipment.

The association wishes to impress the members that its regular meeting is always the last Friday evening of the month at the lodge rooms of the hose house, Carverton road, unless otherwise stated through the press. Keep this date open, attend the meetings and help put the best into the town.
