HIGH SCHOOL TEAM IMPROVES, WIN 14 to 6

Kingston township High School's grid hopefuls and hopeful they are indicated last Friday that one or more swallows isn't a mouthful as rated by their sorry showing during the early part of the season.

There is much room for needed improvement even after the somewhat impressive win over Lehman High School last Friday, but the most hopeful signs in the Gold and White camp is that the boys are headed in the right direction. The mistakes cropping out in the early games weren't noticeable last week and probably those made last week will be remedied by the time the season closes for the locals. The present high school team is a young bunch and it will take time for them to acquire a degree of perfection. The best thing for the followers to be patient and encourage the boys and their coach as it is the first time for the boys to hold a football and it is the first team that Coach Hicks has ever handled. So lets all get off the band wagon and give a little encouragement to the boys. It will help plenty.

NEW BANK SYSTEM IN USE AT LOCAL SCHOOLS

A new system of banking is now being used by the students of Kingston township schools. It was started at the beginning of the school term and is working out satisfactory. The purpose of the school savings plan is to assist parents in teaching habits of thrift and management. In order to do this more effectively and to place more responsibility on the pupil a modified plan has been worked out.

Under the new plan pupils are provided with envelopes which are to be kept at home and used to save up the small amounts. Deposits are to be made at the school house as usual but only when the amount reaches twenty-five cents or more. This pupils may save their pennies, nickels, and dimes at home in the envelope and take it to school with the pass book on any deposit day which is the Tuesday of every week. This is the only change in the program of the savings system that has been in use at the local schools for the past few years.

In the olden days people thought all we needed to know about money was "how to make some." Experience has taught us that as a part of their equipment for life, children need to learn habits of saving and management of money as well as of the materials, and that the only way this can be done is through practice. To learn to make money is important; to learn to manage it is even more important.

Schools To Close

Local schools will close next Thursday and Friday for the Thanksgiving holidays. Appropriate exercises will be held on Wednesday afternoon.

Election Board Summoned

Members of the local election board, George Shaver, judge; George Appleton and Isaac Brace, inspectors; were summoned into court during the past week to explain errors made at the primary election. The belief is general here that the board is honest and that such errors as were found were clerical in nature and not due to desire to deprive anyone of the votes which were intended for them.

To Give Play

The date for the Epworth League play has been fixed for Monday, November 30. The chairman of the affair is Elgie Prutzman and the play will be given under the direction of Mrs. Martin Porter.

MANY HUNTERS ARE AFTER BRUIN

Bear hunters of Shavertown are out in force and between thirty and forty of them are in the North Mountain. The annual bear hunt for the most of the men is held on Thanksgiving Day. By scattering over a considerable area they will be able to cover a good part of the mountain. Oliver Williams says that if there are any bears in the mountains the local sportsmen will bag them.

Queen Esther Play

The date for the Queen Esther play has been set for December 3, at the local M. E. church. The society will present "The Eighteen Carrot Boob."

Sauerkraut Supper

The annual sauerkraut supper and bazaar will be conducted by the Ladies' Auxiliary of the Lutheran church on Tuesday evening December 1. The public is invited to attend.

Briefs

Mr. and Mrs. L. T. Schwartz and children spent Sunday with Mr. and Mrs. F. C. Schwartz of Wilkes-Barre. Earl Bennett and family have moved from Main street to Fernbrook.

The Firemen will meet at the Van-Campen banquet rooms on Monday evening. All members are urged to attend as officers for the coming year will be nominated.

Mr. and Mrs. Marvin Sweeney of Mt. Greenwood road are rejoicing over the arrival of a baby girl, November 11.

The township school district will receive \$3,735.77 from the State as its share for the transportation of pupils.

Mrs. W. L. Tracey and Mrs. R. M. Scott visited Lee Tracey, moving picture star in New York City last week.

Mr. and Mrs. Sherman Warden, Elizabeth and Kunklette Warden and Sherman Kunkle were guests last Friday at dinner with Mr. and Mrs. George Bronson of Sweet Valley.

Mr. and Mrs. Sherman Warden entertained at a shower on Wednesday evening for their daughter Abeline, who was married recently to, George Bronson.

CRACKERS

No one can tell how far reaching the depression has been, until Santa Claus comes.

Jim Oims says it takes all kinds of people to make a world, but it's too bad they're all using the 'phone when you want it.

"Hod" Jenkins says, it isn't long after the little shrimp of a girl is married, that she becomes an Out-Size.

John Courtright says that if he had pumped his gun on the sixth shot he would have got a nice pheasant.

Dick Phoebe would have shot a rabbit too, if he hadn't taken the shell from the gun when one jumped out from the brush.

Prosperity is like the check that didn't arrive this morning. Maybe it will tomorrow.

"Hod" Jenkins says he would be willing to buy the gasoline that takes some fellows out of town.

Dad's already bragging that on Thanksgiving Day Ma's will be the best dressed turkey in the town.

Plenty of folks leave town for the North Mountain on hunting trips, who never see anything wild but the deuce.

A schoolma'am was teaching her class the mysteries of grammar.

"Now Johnny," she said, "In what tense do I speak when I say 'I am Beautiful?'"

The little fellow answered as quick as a wink: "Past tense."

In cases where school districts and other municipal subdivisions have failed to file these reports, the Department of Revenue could take the position that the districts were delinquent and make estimated settlements against them, Secretary King declared. However, rather than adopt this procedure, the department will make a concerted effort to have the delinquent reports filed so the taxes can be correctly settled thereby avoiding annoyance to the local authorities. The Department of Revenue is asking the treasurers of the subdivisions concerned to co-operate with it to the fullest extent.
