THE DALLAS POST, DALLAS, PA., FRIDAY, OCTOBER 7, 1932.

No. 43.

Headlines Of The Week

A summary of this week's news of international interest, reviewed for Post readers.

OPENING

Always, the powerful Republican machine withholds its heavy artillery until a few months before election. Herbert Hoover, in an address directed to farmers, made his opening campaign speech this week at Des Moines, Iowa. In harmony with the slogan "Hold On To Hoover," the President told intimate details of the battle against depression and charged that the legislation proposed by Congressional Democrats would "end the hope of recovery."

B. E. F.

Around the roped ring of a boxing arena, members of the Bonus Expeditionary Force at Uniontown this week elected W. W. Waters as national commander. Tattered delegates heard Jack Coffin, contact officer, attack Waters.

STOCKS

In prison at Bridgewater, Mass., for a life term, 72-year-old Jesse Pomeroy, who acquired several thousand dollars during his fiftysix year imprisonment through writing articles on crime, died this week, penniless. All money he had earned during his imprisonment had been lost in stock speculation.

ATONEMENT

In every synagogue in the world the Kol Nidre will be sung on Sunday night to mark beginning of the Day of Atonement, when, according to ancient law, Jews fast, ask each other for forgiveness and give to charity.

MISTRIAL

Because Henry F. Moore, one of the jurors, approached defense counsel to report that an alternate juror was "putting in the poison against your side," the trial of Senator James J. Davis, indicted in connection with alleged lobbies conducted by L. O. of M., was declared a mistrial this week.

PEEVED

Peeved because his son, Crown Prince Michael, was showing too much sympathy for his mother, Princess Helen, who has been living in London, King Carol of Rumania, Helen's husband, ordered Michael to cut short his visit and return to Rumania.

399 DAYS

Forty-three of forty-four collieries worked 399 days during the last two weeks of September as compared to thirty-seven collieries working 277 days during the preceding fortnight, records of Wyoming Valley Chamber of Commerce showed this week.

HAPPY DAYS

One raffle on the Democratic sea smoothed itself this week when "Al" Smith walked across a stage at Albany, N. Y., to shake hands with Governor Roosevelt. It was their first meeting since they fought for the Presidential nomination at Chicago. The band played "Happy Days are Here Again" and the noisy crowd waved hats.

KAW

Vice President Charles Curtis this week denied charges that in 1903 he had registered himself as an "incompetent Indian" in order to escape payment of taxes on his Indian lands in Oklahoma. Mr. Curtis is a member of the Kaw tribe.

FOOTBALL

Football games scheduled for this Saturday are: Yale-Chicago; Princeton-Columbia; West Point-Carleton; Dartmouth-Lafayette; Holy Cross-Maine; St. Thomas - St. Bonaventure; Bucknell - Fordham; University of Pennsylvania - Swarthmore.

YANKS

In the club house at Wrigley Field, Chicago, late last Sunday members of the New York baseball club draped arms over each other's shoulders and sang "The Sidewalks of New York." They were happy, because, by the score of 13-6 they had won their fourth straight game in the World's Series with the Chicago Nationals.

SURPRISES

Out of their modest stadiums last Saturday came five second circuit elevens to tame grid teams from big universities. Scores of the upsets: Yale 13-0; William & Mary, 6; Virginia Polytechnic, 6; Virginia, 7; Maryland, 6; Southern Methodist, 0. CH. G.

ODD GUN

This odd-looking gun, has been designed for the protection of the motorist on his travels along the highway. The weapon is strapped to the steering column of the car and is operated by compressed air, which relieves the owner of the necessity of procuring a license.

New School To Be Dedicated, Nov. 2.

Kingston Townships New \$100,000 Building Completed

Kingston township's new \$100,000 high school was completed by the General contractor Herman Mailander last Saturday. With few odd jobs to be done here by plumbers and steam fitters, the school will be ready for the furnishings to be put in place.

The date of the dedication of the new building has been set for November 2 at 8 p. m., when civic organizations, the alumni association will take part. William H. Bristol, superintendent of the high schools of Pennsylvania will be the main speaker.

To date the building has cost the township \$97,438.15. The contracts and the firms receiving them are as follows:

Herman Mailander, General Contract	\$48,811.05
J. L. Turner, Nanticoke, Heating	10,849.00
J. A. Reddington, Pittston, Plumbing	3,511.00
D. W. Davis, Wilkes-Barre, Sewage	1,612.00
Jacob Laux, Shavertown, Electrical	2,272.00
C. W. Wagner, Plymouth, Grading	4,415.00
Dean Electric, Scranton, Fixtures	990.00
Boston Store, Wilkes-Barre, Shades	195.00
Mailander, Wilkes-Barre, Paving	1,550.00
Total Contracts	\$74,705.80
Mack and Sahn, Architects, Fees	\$ 4,482.35
Total	\$79,118.15
John Kashaeback, Plot for school	\$ 8,750.00
Furniture-Equipment (estimated)	9,500.00
Total Cost, Plot, School, Fixtures	\$97,438.15

PATROLMAN WINS IN BATTLE WITH FIVE OPPONENTS

With the odds five to one against him, State Highway Patrolman Benjamin Franklin got his men.

While on regular patrol near Schultsville, Wyoming county, on September 4, Franklin signalled the driver of a car operated in an alleged reckless manner to stop. His signal was not obeyed. Franklin gave chase on his motorcycle. In its wild dash the car forced one car into a ditch and another into a guard rail.

Franklin overtook the car at Winola Lake. As he pulled along side, five men pumped fire at and attacked him. When the battle ended, two of the patrolman's assailants were unconscious. With the odds three to one in their favor the others surrendered. All five were taken to Tunkhannock where after a hearing before Justice of the Peace N. W. Doty they were held for court.

Patrolman Franklin ruined both his blackjack and service pistol. Both were sent into headquarters here for replacement.

Tannery Waste Plan Approved

Water Board O. K.'s Plan To Protect Bowman's Creek

The Sanitary Water board of Pennsylvania at its recent meeting authorized Dr. Theodore B. Appel, chairman of the board, to issue a letter to the J. K. Mosser Leather Co., Noxen, approving the treatment of its tannery wastes in accordance with the plans of existing and proposed waste treatment works, as submitted with its formal application to the Board.

The "letter of approval" will be subject to certain conditions, to make the waste treatment effective, among which are: units to be kept in first class condition constantly, analyses made at least once each month and submitted promptly to the Bureau of Engineering, State Department of Health, and the Company to stand ready to add the so called "second step" in treatment works, whenever it shall be required to do so by the Sanitary Water Board.

This tannery is located on Bowman's Creek, in the south central part of Wyoming county, and is the only source of material pollution on this fishing stream, which is a tributary of the North Branch of the Susquehanna river. It is the purpose of the Board to so control the wastes of this tannery as to preserve the waters of Bowman's Creek in condition to maintain fish life.

It is believed that the present "first-step" system will not be effective in times of drought, when the water falls to a very low point in Bowman's Creek, even with the use of the vacuum evaporator, since the dissolved oxygen content will be so nearly depleted at such times, that it will render the condition of the stream unfit to sustain fish life. This condition is provided against by the restrictive instructions in the "letter of approval."

207 Year-Old Quilt Shown

Wilkes-Barre Store Encourages Old Craft

For the past two weeks Bergman's Store, South Main street, Wilkes-Barre, has held an exhibition of quilts, afghans, and crocheted counterpanes. Over 400 pieces were received and displayed in the windows and throughout the store. On Thursday evening the entire collection was set out on the counters and tables of the first and second floors.

The quilts represented long hours of patient work and the designs gave evidence of great ingenuity on the part of the makers. The most popular designs were the Rising Sun, or Star, the Tulip and Tulip-pot, the Double Wedding-ring, the Log-Cabin Rose-o-Sharon, and Patchwork quilts containing 12,624 tiny triangular blocks, with a back of homespun. Another is made of 1,000 1-inch squares, while still another contains over 9,000 blocks. Some of the other designs were the Pineapple, Grandmother's Bouquet, Dresden Plate, Forget-me-not, Friendship, Peacock, Round-the-World, Nancy Page. Several quilts presented designs with an optical illusion; one of these was the Block pattern, in which the use of light and dark squares gave the impression.

Dallas Post Employee Announces Marriage

Announcement was made this week of the marriage of Catherine Zeek, daughter of Mr. and Mrs. Charles Zeek of Hartford street, Ashley, to John Tredinnick, son of Mr. and Mrs. Thomas Tredinnick, Andover street, Wilkes-Barre, and who heads the machine composition department of Post Publications.

The marriage took place in West Pittston on July 1, 1932. Mr. and Mrs. Tredinnick, who have a wide circle of friends in Wilkes-Barre and Ashley, will make their home with Mr. Tredinnick's parents.

Mr. Tredinnick was graduated from Coughlin high school and has been associated with The Post for a little more than a year and has filled with success one of the most important positions in the organization.

His associates in Post Publications join with the many friends of Mr. and Mrs. Tredinnick in wishing them great happiness and long married life.

AWAITS RETURN OF MATE

This striking monument, built in Italy at a cost of \$200,000 was erected by John M. Davis, of Hiawatha, Kansas, in memory of his late wife. Spaced about the monument are statues of Davis and wife, with Davis seated in the front besides the empty chair to signify her absence.

DALLAS TO CLASH WITH WYOMING HIGH SATURDAY

JUPITER PLUVIUS TAKES CHARGE OF SEWAGE NUISANCE

Jupiter Pluvius took a hand in the Dallas sewage controversy this week and sent hundreds of gallons of rain to wash out filth which has been lying along the banks of Toby's creek all Summer.

After the steady rains of Wednesday and Thursday, the creek, which has been only a trickle of water in recent weeks, became a veritable millrace which overflowed in several low spots and spread over marshy lands.

While the rain was most needed by farmers whose late crops had suffered from the drought, the downpour brought relief also to persons who live near the banks of the creek and who had been forced all summer to suffer the unsightliness and stench which the Post is attempting to have eliminated.

Council Drops Tax Penalty

Dallas Borough Citizens Benefit By Time Extension

Dallas borough council following a plan being adopted by many communities throughout the State has passed a resolution that all persons paying borough taxes on December 1, shall be exempt from penalty as provided under existing laws. Ordinarily taxes unpaid after October 1, would carry a 5 per cent. penalty.

Resolutions as passed by Council follow: Extracts from the minutes of a regular meeting of the DALLAS BOROUGH COUNCIL held September 6th, 1932.

WHEREAS, The Law imposes penalties for non-payment of taxes, which in many instances have reached large sums of money, preventing a prompt payment of taxes, and

WHEREAS, Many property owners are unable to pay the taxes and large penalties, but are willing and should pay the taxes without penalties, if given an opportunity, and

WHEREAS, A collection of taxes without penalty should encourage delinquents to afford themselves of the opportunity to pay their tax obligations at a lower cost, thus enabling the Borough to decrease its delinquent tax balance.

NOW, THEREFORE, BE IT RESOLVED, That all persons who shall pay Borough taxes on or before December 1, 1932 shall be charged no penalty under existing laws on such taxes and such penalties charged be and are hereby abated.

BE IT FURTHER RESOLVED, That a certified copy of this resolution be sent by the Secretary to the County Commissioners.

William J. Niemeyer, Secretary.

Locals Spend Week Erasing Mistakes Of Last Saturday

Wyoming high school will be the football attraction here Saturday afternoon at 2:30 when it meets the gridiron warriors of Dallas borough high school on the local grounds.

Wyoming has a strong football team and plays all of the leading high schools of the valley this year. During the past week, despite heavy rains, Coach Wormley has been going over the mistakes of the Kingston township game with his Dallas high school team and many of the rough spots have been ironed out so that a good game is expected by all fans who have been following the fortunes of the local outfit. Coach Wormley will use the same line-up as that which played against Kingston township.

Kingston Twp. Game

It was a gala day last Saturday for Kingston township when Coach Walter Hick's eleven celebrated the opening of the new Kingston township athletic field with a victory over Dallas borough by a score of 6-0. Victory coming as it did, after the overwhelming defeat the team had received the week before from Coughlin high school, heartened the players and gave them confidence for their forthcoming games.

A glance at Kingston township's fifteen first downs as against five for Dallas might give the indication that Kingston township far outplayed Dallas, but there were two occasions during the game when Dallas came within two yards of scoring touchdowns while Kingston township had only one real opportunity, a fumble, and converted on that opportunity.

Dallas fumbled a punt on its own ten yard line and Danny Piatt carried it over the goal line for the only touchdown.

Although held scoreless in the first half and last quarter Kingston township line was good throughout the game on defense and offense, with Schuler performing brilliantly. Acting Captain Smith who called signals for the township from full-back position showed uncanny judgement in selection of plays. Caddy LaBar was outstanding for Dallas.

The line-up:

King. Twp.	Dallas Boro.
Williams L. E. Besteder	Ohlman L. T. Ferry
C. Piatt L. G. Disque	Koehler C. Lavelle
Stark R. G. Jeter	Schuler R. T. Brace
Metzgar R. E. Matuskiewicz	Riddell Q. B. Disque
Kitchen L. H. B. LaBar	D. Piatt R. H. B. Besteder
Smith F. B. Rook	
Touchdown:—D. Piatt.	
Referee:—Austin; Umpire—Carr;	
Head Linesman—Jones.	

To Play Wilkes-Barre Township High School

Kingston township high school football team will journey to Georgetown, tomorrow afternoon where they will meet the Wilkes-Barre township high school team. Last week the locals showed much improvement in their playing when they met Dallas borough high school whom they defeated by the score of 6 to 0.

George Wright Bank President Buried Tuesday

Served as Head of Local Institution Since its Organization twenty-seven years Ago

WAS LAST OF FAMILY

Following an illness of two weeks during which his strength gradually ebbed away, George R. Wright, president of First National Bank of Dallas, died last Saturday night at 6:30 at the family home 138 South River street, Wilkes-Barre. Had he lived until November 21, he would have been 81 years of age.

During his active lifetime Mr. Wright spent much of his time in Dallas where he was the prime mover behind the organization of First National Bank twenty-six years ago. He was president of that organization from its inception until his death.

At one time he supported an amateur base ball team in Dallas that was recognized as one of the best to be found anywhere in the State.

Mr. Wright was born in Wilkes-Barre on November 21, 1851, the son of Attorney Hendrick B. and Mary Ann Robinson Wright. His father for years was one of the leaders of the bar in Luzerne county until his death in 1881.

George R. Wright was educated in the Wilkes-Barre private schools and at Princeton, being graduated with honors with the class of 1873. He studied law in his father's office and was admitted to the bar in 1875.

In his later years Mr. Wright retired from law practice and devoted his time exclusively to his business interests. In 1906 he organized the First National bank of Dallas. Despite his age he was active in the bank's affairs going there each morning and remaining until closing time, up until the time he was taken ill.

For twelve years he was a director of Wilkes-Barre Water Co., and served several years as its president. He also was a director of Wilkes-Barre Electric Light Co., many years.

He was largely interested in philanthropic and civic work in the valley and from 1895 to 1901 served as president of the United Charities of Wilkes-Barre.

Circulate Petitions To Retain Postmistress

Petitions, addressed to Congressman C. Murray Turpin, are being circulated among citizens of the borough asking for the retention of Ruth Waters as postmistress of the local Post Office.

According to reliable political sources a determined effort is being made to have Miss Water's position at the local office filled by some one more active in political circles in this region.

Those who are circulating the petitions say that they already have more than one hundred signers and that they will give every citizen of the community an opportunity to sign the petitions before they are presented to the Congressman. To date, practically every person asked has signed the paper asking that Miss Waters be re-appointed.

ACCIDENT VICTIM ACCORDED MILITARY HONORS AT GRAVE

Members of Battery B, unit of 109th Field Artillery with headquarters at Tunkhannock, conducted a full military service on Friday for Charles Wright of Noxen, member of the battery who was accidentally killed earlier in the week by a concrete mixer.

The funeral of Mr. Wright was held at the Noxen Methodist church, conducted by Rev. L. N. Davis, of Mill City, and Rev. W. S. York pastor of Noxen church. Burial was in Orcutt's Grove cemetery.

The members of Battery B who conducted the military service at the grave were as follows:

Color guard—1st Sergt. Harlow W. Shotwell, Supply Sergt. Earl Reinhart; colors carried by Battery Mechanic Ivan Ball.
