### Ask Dog Owners To Get Licenses

So that confusion at the registration windows may be avoided, attaches of the county treasurer's office have requested dog owners who contemplate renewing and securing license tags for the animals, do so immediately. January 15 is the expiration of the period for the securing of tags after which unlicensed animals place their owners in a position where \$14.50 fines can be imposed. There are thousands of unlicensed dogs throughout the county and their owners are urged to not wait until the last day to secure tags.
