

OBITUARY

MAY STOCK

Many old friends, neighbors and acquaintances attended the funeral Tuesday afternoon of Miss Mae Stock, aged 49, eldest daughter of Mr. and Mrs. Adam Stock of Shaver avenue, Shavertown, who died of heart attack early Sunday morning while on duty at the Veterans' Hospital at Coatesville. Services were conducted at the late home by Rev. G. E. Ruff, pastor of St. Paul's Lutheran church of Shavertown, of which Miss Stock was a member.

Miss Stock was stricken ill on Saturday night and members of her family were notified but arrived too late, death had taken place while enroute to the hospital. She was stricken ill while on staff duty.

She spent her early life at Forty Fort and Carverton and attended the schools there. She got her early training at the Hazleton and Philadelphia City hospitals from where she entered the Walter Reed Hospital at Washington, D. C., where she was transferred to the Coatesville institution where she held an executive position.

Miss Stock is survived by her parents, Mr. and Mrs. Adam Stock of Shaver avenue, and the following brothers and sisters, Roy, who is with the Cadillac Motor Company at Detroit; Karl, interior decorator, of Trucksville; Grover C., who is supervisor of Kingston township, of Carverton; Earl, supervising principal of schools at Bellefonte, and Maude, at home.

Bearers were Thomas Nelson, Am-

brose Jones, A. H. Gay, Edwin Hay, Samuel Dewitt and Ross Williams. Burial was in the family plot in Forty Fort Cemetery.

The Coxton Welfare picnic has in recent years come to be the largest picnic at the Harvey's Lake Picnic grounds. The long excursion trains bring back memories of the days when excursions were a daily occurrence on the Bowman's Creek branch.

Shows Rattlesnake Skin

Ralph Rood is showing the skin of a black rattlesnake killed last week at Quiwaumick hunting camp in Pike county. The snake measured fifty three inches and had nine rattles.

'Planes Thrill Crowd

Fire aeroplanes, one of them an autogyro, thrilled crowds at Harvey's Lake picnic grounds last Sunday afternoon with stunts and spectacular air gymnastics. As the high spot on the program a parachute jumper made a leap from a plane high in the air into the Lake.

Charged with creating a disturbance at Harvey's Lake early Monday morning, Edward Austin, 32, of 50 Hazle street, Wilkes-Barre, was arrested by Chief of Police Ira Stevenson of that place. He was released under \$500 bail to appear later before Ralph Davis justice of the peace at Alderson.

Sleeping Citizens Awakened

Residents of the northern section of Dallas borough had their peaceful slumbers disturbed last Thursday night by an apparent cannonading in the vicinity of Toby's Creek on the Centre Hill road. The bombarding which started at about 1 a. m., continued at intervals until about 4. Most of the neighborhood was aroused by the rumps and Chief Leonard O'Kane was appealed to, to restore peace and quiet in that otherwise law-abiding region. Investigation proved that the noise had its source in youthful jubilation and a belated desire to celebrate the Fourth of July with left over fire works. Some wag is responsible for the remark that it was the first time Dallas has been awake since the coming of the railroad.

Ice Men Discuss Code

Ice dealers of Harvey's Lake, Dallas, Shavertown and Trucksville met Monday night in the borough building to discuss methods of operation under the Industrial Recovery Act and to prepare a code of fair competition.

ON CODES AND SUCH:

Back of all of this talk on adopting codes for the restoration of business and employment there seems to us to be just one big thought: **A SQUARE DEAL for EVERY MAN and WOMAN.** Customers as well as employees.

To this end we pledge our support to the President. There will be no advantage taken of rising prices. The same low prices will prevail on all our merchandise that have prevailed heretofore.

Only as we have to go into the market to buy new merchandise at higher price levels will the prices be advanced. We think it part of the President's desire also, that not only merchants, industrialists and employees back this measure and put men to work but that all men who are in position to employ men, put them to work, whether renovating homes or putting up screen doors.

With the Will to Win and with the leadership of a great man in the White House there can be no turning back. The peacetime war against Depression will be won.

Prospects Good For New
(Continued from Page 1.)

Water-bound macadam has been laid from Shawnee cemetery to Weaver-town, near Judge Rhone's cottage, and the project cuts off twelve miles of distance for the travelers to the lake from districts lying below Plymouth and reaching to the Nanticoke side of the Susquehanna. They can ride up Orchard street in Plymouth past the cemetery and connect with the road, avoiding congestion on Plymouth's Main street and on the Hillside highway.

Plymouth residents can come through Larksville over the new Vine street pave, connecting with Washington avenue. The same advantage is offered to travelers from Wilkes-Barre over Carey Avenue bridge and down Narrows road.
