

Wyoming Seminary

Dr. L. L. Sprague, Pres.

Admirably located in Kingston near Wilkes-Barre at Market Street and College Avenue, is one of the leading institutions of this section.

Enrollments are evidencing the popularity this seminary has won by turning out pupils who will be found among leaders in every walk of life. Under able direction of men who have always taken an interest in the school life.

Through the progressive efforts of this very valuable institution the younger generation of the state is offered educational advantages of any modern city. It is not often that a city like this one can boast of such an up-to-date institution as this one.

This is a seminary where not only young men and women of this section secure a general education, but through this college they can prepare themselves for their life's work.

This is a day and age of efficiency. The man or woman who is not prepared to keep pace with the demands of the present day activities is soon lost in the hurry and bustle of modern methods. It is not necessary that one become a machine, but it is absolutely essential that everyone who wishes to be successful in life have practical education, and such training can only be secured in an institution devoted to preparing its pupils for life.

The management of this seminary is progressive, able and efficient and have built for themselves and college a reputation of accomplishment and honesty and their untiring efforts merit liberal support from the people of the state.

The seminary buildings are commodious and modern. The Administration building is one of the largest and best of its kind. Wyoming Seminary is a pleasant school for students.

The buildings provide for almost every activity of life—library, physical education, athletics, literary societies, social events, music hall and religious activities.

The Wyoming Seminary is far above the average seminary and specializes in keeping all their equipment (text books, instructions) in accord with the rapidly advancing times. Everything which is new can be learned here. The most efficient methods for the expeditious conduct of modern affairs are instilled into their students. That is the reason that students from this seminary can be found in all walks of life. It offers people of the community the advantages of a modern and progressive and efficient seminary right here almost at their very door, and in this edition we wish to urge that this is the logical college for students.

Maher Funeral Home

With funeral home in Kingston at 360 North Maple Avenue, they render a reliable and conscientious service to the people of this section.

To live in the hearts we leave behind is not to die. This beautiful token to those who have passed onward is the creed upon which these masterful morticians have established their business.

With successful experience combined with a most comprehensive fund of knowledge of the proper manner in conducting an interment service, the funerals which they conduct are impressive and convey a lasting feeling of dignity and righteousness that has caused people of this section to think of them during their time of grief.

Their ability to conform their actions to each individual situation, their efforts to help lessen the anguish and sorrow of those who mourn the beloved departed one and the deeper understanding which is the most necessary requisite of one engaged in this class of endeavor are deeply apparent at every funeral which they direct.

From the minute they are called

upon until the final duties are performed not a single minute detail is overlooked, not the least semblance of confusion but a systematic smooth running service is rendered that bespeaks of the deep thought and interest in the work of these professional men.

The corteges, motor equipped, the casket, the comfort of the mourners are all attended to in such an efficient manner and the whole proceeding clothed in an air of grandeur and majesty that raises the work of these funeral specialists from the degree of commonplace to the heights of magnificence.

It is to enterprises of this type that we can be thankful for the high standards which the art of embalming and funeral directing can be attributed. The Maher Funeral Home is indeed to be complimented on the very high plane upon which they conduct their business.

They are men that have the welfare of the community and the people in their thoughts uppermost. This is borne out by their interest in their endeavor both in business and community affairs.

Kingston Diner

Conveniently located in Kingston at 254 Wyoming Avenue—and known for its 24-hour service—is a very popular diner of this section, and the evergrowing and large patronage it receives is due to the fact that it is clean and sanitary throughout; serves at all times the most palatable foods and receives its patronage from the city and surrounding territory, as well as from the traveling public.

The reason for the immense growth in the volume of business, we believe is due to the fact that only excellent service is being featured in this establishment. Any dissatisfaction which may arise with any guest will always be cheerfully adjusted and in our opinion this accounts for the enviable reputation this place enjoys.

It is appointed with the very best of fixtures and everything about the place has that air of superiority that makes it known as an institution that speaks for itself.

The local and traveling public have learned that this is a place where the demand is more than satisfied in obtaining food. Courtesy is another outstanding feature of this diner as it is a pleasure for them to serve the public.

The restaurant business is a business within itself and does not end with the service of food on the tables but extends to the cleanliness of the kitchen and other places that are only frequented by the manager and assistants; where all silverware is polished and dishes sterilized.

It is a pleasure to have such a clean and modern diner as this to refer the strangers and local people to, as good restaurants are not common, and at this place the food is prepared in such a manner that the thought at once comes, "This is a good place to eat."

We wish to compliment them on the standard of their dining car and do not hesitate to refer it to our readers as a good place to eat.

Sickler's Fertilizer Works

While it is of the greatest importance that the most strict legal regulations as regards sanitation be observed, many communities are placed on a disadvantage in the enforcement of these requirements because they have no industry which is devoted to the conservation of the public health exclusively. In this respect we are fortunate in having Sickler's Fertilizer Works located in Avondale near Plymouth on the main road, telephone Plymouth 92616.

Because of the prompt and satisfactory service which this well known company offers the public in the removal of dead stock and the able and efficient manner in which this enterprise is operated, this concern has won the confidence and the liberal support of the people. While the death of livestock is an incident always to be regretted and immediate removal of the carcass is always desirable and should be accomplished in the earliest possible moment.

No matter how far from town you may live, you need only inform them and dismiss the matter from your mind for they have won the enthusiastic commendation of many farmers and stockmen throughout this section by the promptness exercised in the responding to calls, having not only the most modern large auto trucks for the removal of carcasses, but the most dependable. No carcass removed without the hide.

We urge all of our readers that when in need of the service of an efficient company of this kind they call telephone Plymouth 92616.

The manager and assistants are some of the leading men of this section who have always taken an active interest in the expansion and development of this section of the state.

We wish to compliment them upon their high standing in the business and social world of this section and upon the efficiency of the concern which they so ably direct.

Spilling the Beans

A man was a witness in a hog-stealing case. He seemed to be stretching a point or two in favor of the accused, and the prosecuting attorney roared:

"Do you know the nature of an oath?"

"Sure."

"Do you know you are not to bear false witness against your neighbor?"

"I'm not bearin' false witness agin him, I'm bearin' false witness for him."

Modernist Spelling

A little miss who is just about to enter school was out motoring with her parents a few evenings ago. She always rides in the front seat with her father and is regarded as precocious in observation. One of her delights is following the changing hues of the traffic signals.

"Daddy," she shouted, "I know how to spell green."

"How, dear?"

Furniture

A most prominent Edwardsville firm at 555 Main Street—is headquarters in this section for washing machines notably the famous Maytag and A B C washers—cash or credit. The management and salesmen have made an exhaustive study of the furniture of the various periods and are able to give you the latest ideas on the furniture of the period.

Here is the place to furnish your home at a real saving. Their stock contains everything the modern home desires, from living room to the kitchen.

Before you furnish your home, let them show you these home outfits. You will be delighted with their variety and beauty.

When you buy furniture of this reliable firm you are assured of the very best and are paying only a very reasonable price for the articles that you buy. It takes care and judgment to buy the right quality and when you are told at this establishment that the goods offered are the latest style you need not hesitate in making the purchase. It has always been the endeavor

of this store to secure a fair and honest profit. But their business principles never permit an exorbitant one.

They have provided the trade with a complete line of representative goods, a stock in which you can have every confidence. They offer at most reasonable prices and when the quality of the material is considered you will say that they are extremely low in prices.

Furniture of all kinds and practically everything needed to furnish the modern home can be secured here. The stock is only limited by the styles of the manufacturers. You are able to get furniture here cheaper than most places and thus are aiding in the building up of the home life of the community.

They specialize in real service. They make the word "service" actually mean what it says. You are invited to visit this store and inspect the large stock of fine furniture and we are certain you will be pleased and besides gain a great many valuable ideas.

We wish to recommend M. Unterberger to all our readers as worthy of your consideration

Ritter Motor Co.

In Kingston at 614 Market Street—renders an unexcelled service in shock absorbers and auto electrical work.

No adjustment or repair on an automobile is more delicate or requires more careful technical skill than adjustment to the electrical system—starting, lighting, and ignition and the storage battery. This company was organized to handle in an expert manner just such delicate work.

No automobile owner wants to take a chance on his starting, lighting and ignition system. Anyone can grease the car, fill it with gas and oil or even make minor adjustments, but the electrical system must be entrusted only to an expert.

That this firm has qualified in the eyes of the public is proved by the fact that the number of its patrons is constantly increasing. It is a policy of this shop that no piece of work must leave the shop which does not give satisfaction to the user. This is an exacting demand for the establishment to make on itself, but its management believes that it pays in the long run. If you feel that your car is not

exactly in adjustment, perhaps the fault is with the electric system. To find out whether it is or not, they invite you to bring your car around. One of the experts employed at the shop will look it over and tell you whether any part of the electrical system needs adjustment, free of charge. No charge will be made for this service and it does not obligate you in any way to have any repairs which may be needed made at this shop.

It is a tribute to this shop that manufacturers of many standard makes of automobiles have made this shop the official starting, lighting and ignition service station for their cars. A greater tribute to the shop however, is the way in which the work of this shop has increased since it was started. Time and again additions to the corps of workmen have been necessary to take care of the work brought in. The service is yours for the asking. The manager of this shop knows his business from A to Z. He not only conducts his business for the service of the public, but is interested in every project for the people as a whole.

Better Cleaners & Dyers

Every Customer Must be Satisfied

With convenient locations in Kingston at 236 Wyoming Avenue, telephone 76814, and in Plymouth at 122 East Main Street, telephone 9555—if you don't happen to be going to town, just send in your work by parcel post and it will be given the best attention and returned promptly. Under direction of an authority on dry cleaning and dyeing.

There is no one establishment that has done more for the good of the public of the community than this modern cleaning and dyeing establishment.

The fact that they are able to take clothing that fades or needs cleaning and turn it out so that it looks like new has saved many a

high priced purchase and helped to lower the cost of living.

This is a business that requires experience and they employ only practical help. Their assistants are all able and efficient workmen who know their line thoroughly and thus you are assured the most careful and painstaking work.

Many people have learned through this service that they can save the expenditure of many dollars for new clothes. Every day brings more work from patrons who have been saved the purchase of new garments through the excellent work that this firm does in the cleaning and pressing of old ones. Both men and women have found that the most delicate fabrics are carefully and efficiently handled here and returned

to them cleaned and pressed in the most sanitary manner.

At the Better Cleaners & Dyers the latest process is used, as a consequence when garments are returned they look smooth, odorless and in press according to the styles of the day. They specialize in all classes of dry cleaning, both for men and ladies, and the most delicate dresses are handled in the most careful manner.

The management is among the leading business men of the community who have always taken an active interest in the community's onward progress and are among the valued residents, whom we wish to compliment upon the modern place and the admirable policy followed in its direction.

Reliable Auto Parts Co.

With an excellent location in Luzerne at 418 Union Street, features day and night towing and wrecking service, a complete line of brake lining for all makes of cars. Their acetylene welding service is a special feature because all work is guaranteed. Many people in this section are expressing satisfaction over their repair service.

In addition to their new parts they have a large stock of used parts for those who cannot afford new ones.

This is headquarters in this section for new and used parts for all makes of cars and trucks. They have a large supply of used tires and tubes and electrical parts and offer these at most reasonable prices. When in need of parts of any kind see them first.

This company has been affiliated and instrumental in the upbuilding of this business and deserve your liberal patronage.

Motorists, garage men and the general public have learned from experience that this firm has a large stock of parts from all standard makes of cars. They have a large stock of gears, axles and other parts also. They make a special feature of carrying a large stock of generators, starters, batteries and other electrical equipment. They buy old and used automo-

biles paying the top of the market for them. These places are auto wrecking establishments and thus have a large stock of parts. It makes no difference what the name or the model of your car, if you need a part for it see them. And if you want to dispose of it don't worry if it is about "all in," just see this firm and you will be pleased and surprised at the price they offer.

They have parts for all makes and models of automobiles at prices which will save you many a dollar. Both garage men and auto owners have learned that it PAYS both in TIME and MONEY to see them about parts. When you break some part of your car or discover some worn part should be replaced, it's better to call them first. They save the motorists of this community many dollars by selling parts at reasonable prices. It costs double and sometimes triple to send to the factory for car parts. They carry new and used parts for most every make of car or truck and nine times out of ten you can secure the part you want from them.

We take pleasure in this business review in directing your attention to this concern. The proprietor is one of the well known business men of these parts and takes an active interest in the onward progress of this section of the state and merits the leading position now held in the business life of this section.

Paramount Oil & Supply Co.

Headquarters for the Famous Exide Batteries

Handily located in Kingston at Market and Wright Streets—this is the authorized sales and service for Exide batteries which have no peer on the market today. While they sell the Exide they offer high grade service on all makes of batteries.

When a man buys a battery for his car he is not so much interested in how it was made or about the materials that go into its manufacture, but he is interested in the service he expects to get out of it. He will ask: Is the battery one of high reputation among car owners? Do they maintain convenient stations for testing and recharging? Is the price too high—or too low? With the Exide these questions are all satisfactorily answered.

No matter where you live you will find a Exide Battery sales and service station within easy reach. There are many dealers who sell and service this battery throughout the United States. Battery men of long experience will give you quick and expert service should your battery need attention.

Exide batteries sell at remarkably low prices. It's a fact that in many

cases you will find it less expensive than batteries of an inferior reputation. The low initial cost combined with the negligible cost of upkeep makes this battery a most economical one.

In this entire part of the country there is not a concern that gives the people the metropolitan service that is afforded the public at the storage battery station of this popular battery house.

They are of the most efficient battery men in the community and are considered authorities on this work. Their service is most modern and progressive and no matter whether your business with them amounts to hundreds of dollars or just a small amount the patron always receives the same courteous and efficient service.

They have spent several thousand dollars on equipment; have employed specialists in order to give you expert service.

The management of this battery station is in the hands of men who are thoroughly conversant with the boosters for all things that promise public improvement.

Frank B. Scarlat

Sand and Gravel

Located in Forty Fort at 501 River Street, telephone Kingston 75112—for sand of quality.

This local firm specializes in furnishing the public whatever kind of sand might be their demands. He has sand for every purpose and the various varieties include fine, smooth and medium sharp sand, especially suitable for laying bricks with either thin or thick mortar; all grades of plastering on lath, brick walls, cement walls, fireproof, metal lath, etc. He can furnish you with sand for concrete work, concrete finishing and fine floor finishing. His sand for these purposes is famous for its lime and cement-saving qualities.

Mothers need not fear when an auto honks that their little ones are on the street playing—a sand pile makes contented children and provides play for them in sunshine and fresh air. This particular grade of sand is clean and pure and contains no animal matter.

In this section particularly industrial progress has been benefited by him. There is nothing more im-

portant than the development of good country roads and buildings and they have furnished large quantities of gravel to this county, being one of the firms that has been selected by the county officials to supply the greatest part of their orders for the product.

It can readily be seen that thousands of dollars are placed in local circulation by this local firm which otherwise would never make its acquaintance with the people of this section. The large scale of his activities, the industrial wisdom of the management and the straightforwardness of his dealings has won for him a place in the hearts of the people of the community, identified for years with her progress and always boosting for the community in which his large enterprise is located.

We are pleased to compliment him in this edition for the commendable activities and upon the leading position he occupies in the business world of this section of the state.
