—Shavertown—

Messrs. Wallace, David and George Traver of Wilkes-Barre, and Howard Traver of Luzerne and their wives, Mrs. Lena De Remer and husband of Noxen spent Saturday evening with their sister, Mrs. Martha Shotwell of this place.

Robert Shotwell is recovering nicely from a tonsil operation performed by Dr. Fleming at Nesbitt Hospital on Wednesday last.

Bobbie, four weeks' old son of Mr. and Mrs. Asa Shotwell who has been in a serious condition in General Hospital for two weeks underwent an abdominal operation on Sunday is apparently improving.

Mrs. Fred H. Goebel of Trucksville entertained several persons from the east at her home after the minstrel show given in honor of Rev. J. J. O'Leary on Wednesday night. Among the guests were Mrs. Goebel's niece, Miss Kathleen Sheridan, who played a leading part in the show, and the Hagen brothers and John R. Sheridan.

He Has Helped Thousands of Families. He Will Do it Again. Do Your Part Now. Vote for Thomas Lewis for State Representative.

—Jackson—

Mrs. Beatrice Blackman and daughter, Emma, of Plymouth spent Wednesday of last week with Mrs. Isabel Reakes.

Felix Pawloski

For Representative

in the 6TH DISTRICT

is opposed to the policy of reducing State appropriations to school districts, because he knows it means high property taxes.

He favors larger appropriations for schools, so that property owners will be given some relief.

Pawloski is also opposed to a sales tax in any form.

Vote PAWLOSKI For Lower Taxes

—Kunkle—

The Silver Leaf Club is sponsoring a Mother and daughter banquet to be held this Friday evening at the Community Hall. All Mothers and daughters of the community are cordially invited.

Marvin Elston, son of Mr. and Mrs. Ralph Elston will sing over the radio at Station WBER on Saturday at 11 a. m.

Mrs. J. A. Audinet of Kelso, Washington who has been visiting her sister Mrs. F. P. Kunkle for more than three weeks left for Detroit, Michigan, on Sunday evening. She will continue her visit with relatives in Detroit, Flint, and Saginaw for about a month before returning to her home in the West.

Mrs. Marvin Elston, Mrs. Ralph Hess and Mrs. Owen Ide called on Mrs. Cragg Herdman at Nesbitt Memorial Hospital on Saturday. Mrs. Herdman has made a splendid recovery from her recent operation and returned to her home on Tuesday.

The following group of ladies were the dinner guests of Mrs. John Race of Kingston on Wednesday of last week. Mrs. Ralph Hess, Mrs. William Weaver, Mrs. Kenneth Martin, Mrs. Edgar Nulton and Mrs. Ralph Elston, also Miss Lena Miller of Kingston.

2,300,000 Pupils

Latest figures announced by the Department of Public Instruction show that Pennsylvania has more than 2,300,000 pupils enrolled in public and private elementary and secondary schools, exclusive of continuation and evening schools. Of this number approximately 2,000,000 are in public schools and 300,000 in private and parochial schools.

Firestone LEADERSHIP
 "The Ultimate Test of Leadership is Performance"

FIRESTONE has maintained its leadership in tire development by producing a new tire for 1934 with a wider tread, flatter contour, deeper non-skid, greater thickness, and more and tougher rubber, which gives greater non-skid safety, more traction, greater blowout protection, and more than 50% longer non-skid mileage.

These achievements are made practical by the Firestone patented process of Gum-Dipping, providing greater adhesion between the plies of the high stretch cords and between the Gum-Dipped body of the tire and the tough, massive non-skid tread. It also provides greater strength, longer flexing life, and greater protection against blowouts.

Gum-Dipping made it possible for Firestone to design, develop and put on the market the first successful balloon tire in 1923. This tire was the pattern used by all others and completely revolutionized the tire industry and set new standards for the automobile industry.

Firestone also developed the first all-rubber non-skid tire, and has always been first to give motorists the benefits of new discoveries in non-skid design, providing more traction and greater non-skid safety.

For fourteen years leading race drivers have driven to victory on Firestone tires, built with Gum-Dipped high stretch cords. They have trusted their lives to Firestone Leadership—as they know that the patented Firestone construction features provide them with greater safety—longer mileage—and greater blowout protection.

Protect yourself and family by driving in today and replacing your smooth, thin, dangerous tires with the new Firestone High Speed Tires for 1934.

MORE THAN 50% MORE NON-SKID MILEAGE

Firestone Tires are Track Tested on the greatest proving ground in the world—they have won this classic for fourteen consecutive years.

Firestone Tires are ROAD TESTED on the large fleet of Firestone test cars, day and night every day in the year, over all kinds of roads and highways.

See these new Firestone High Speed Tires made at the Firestone Factory and Exhibition Building at "A Century of Progress"—Opening May 26
