FAME OF WYALUSING ROCKS BEGAN WITH REDMAN CENTURIES AGO

BY MISS EMILIE WALLACE

Spring touring takes on new zest when one follows trails rich in historical interest. One of the most interesting of these is the Sullivan Trail with its memories of the expedition of General Sullivan against the unrelenting Indians who perpetrated the Wyoming Massacre. Along this Trail are many points of interest, but the outstanding one in Wyalusing and the unrelenting view that one has from the Rocks. But before General Sullivan encamped there in August, 1779, the place was the site of one of the oldest Indian settlements in America. Its former Indian name was M'hwikilusing, the place of the gray warrior; this probably referred to a venerated chief or brave who had lived there in the past.

Where now there is a never-ending stream of automobiles moving uphill and down dale, there was once the Wyalusing Trail. Not more than two feet wide, cut through the virgin forest, it was worn to a depth of eighteen inches by the soft moccasined feet of generations of red men; by war parties speeding silently to an appointed place, or by lingering hunters and braves who, in times of peace paused to leave some record of their activities on hemlock and white birch.

Moravian Missionaries visited the village in 1750, and later in 1763 made a mission settlement there under a

Dallas Borough Voters Turn Thumbs Down On Fine's Committee Candidates

Back Mountain Region Rolls Up Plurality For Reed—Schnader, Turpin, And Shortz Also Lead Here—About 1,700 Votes Cast

Voters in the Back Mountain Section, long restless under the domination of the Pinchot State Organization, rebelled by ballot on Tuesday and, besides contributing generously to Senator David Reed's victory over the ambitious Governor, elected three anti-Fine candidates to Luzerne County Republican Committee, to replace State Organization incumbents.

Particularly in Dallas Borough was the swing away from the State machine noticeable. Both Fine candidates for the Republican county committee were defeated and Senator Reed was given a good plurality.

In Dallas Township another Fine candidate for committeeman was defeated by an Old Guard candidate.

Throughout the Back Mountain Region Senator Reed led Governor Pinchot for the Republican nomination for United States Senator. In the six most heavily populated voting districts, the Senator received 703 votes to Mr. Pinchot's 438. Shavertown and Trucksville voted overwhelmingly for Reed.

Approximately 1,200 votes were cast by Republicans in the three communities and about 125 Democratic votes were cast.

In the Democratic primaries the Guffy-Earle ticket, aligned with the Roosevelt Administration, scored a clean victory over reactionary forces, as they did throughout the rest of the State.

William A. Schnader, who received the support of the Fine organization, led the gubernatorial candidates in the Back Mountain Region, with General Edward C. Shannon second and Charles J. Margiotti third, the same order in which they finished by Statewide returns for the Republican nomination for Governor.

Ralph Antrim defeated James Stem for county committee in the South District of Dallas Borough. Mr. Stem had the support of the Fine organization while Mr. Antrim was backed by Old Guard leaders. Antrim won by three votes.

In the North District James Coolbaugh, Fine committeeman, was defeated by Morgan Wilcox, by 22 votes. Jacob Moore, Old Guard candidate for committeeman in the South District of Dallas Township, defeated the Fine candidate, Fred Turpin.

Two Fine committee candidates were re-elected, Fred Honeywell in the North District of Dallas Township and P. M. Malkames, the candidate at Shavertown. Mr. Honeywell defeated Seldon Whispell and Mr. Malkames defeated L. T. Schwartz. Ralph Hazeltine, the committeeman from Trucksville, had no opposition.

The results in the contests for the Democratic committee posts are given in the returns in the next column.

Turpin Successful.

Congressman C. Murray Turpin had little opposition in John J. Casey and received a generous plurality here as well as elsewhere. In each of the local districts Dr. Turpin held decisive lead for Republican nomination for Congress.

Another candidate who scored a decisive victory for the G. O. P. nomination without effort was Willard Shortz representative to the Legislature from this district. Thomas Lewis of Wyoming ran second in this section, with George Marsden of West Pittston third and Felix Pawloski trailing.

County-Wide Results

As a whole, Luzerne County turned in pluralities for the entire State Organization slate, giving Schnader and Pinchot good pluralities. Governor Pinchot's lead here was offset by the 90,000 plurality Philadelphia gave Senator Reed.

Trolley Car's Quick Stop Saves Man's Life

A Dallas street car, bound for Wilkes-Barre, struck Joseph Wallo, 33, Vaughn Street, Luzerne, early Wednesday night near Payne Breaker, Luzerne.

Alertness of William Hufford, 55 Susquehanna Street, Wilkes-Barre, motorman, saved Wallo from injuries that might have been fatal. Hufford did not see the man until the car was but a few feet from him. He stopped before the front trucks passed over Wallo's body. It was reported that Wallo was on his hands and knees on the track. The man was placed in the car and hurried to Nesbitt Memorial Hospital. He suffered from scalp lacerations.

WYOMING COUNTY RETURNS

Louis T. McFadden, outspoken Republican member of Congress and foe of the Pinchot regime, defeated Elmer Dietrich, "New Deal" candidate, and William Pethick, for the Republican nomination for Congress in the Fifteenth District.

Mr. Dietrich, early returns indicated, has the Democratic nomination. McFadden has twice defeated Mrs. Cornelia Bryce Pinchot.

Charles L. Terry won the Republican nomination for Representative and Percy H. Brungas has the Democratic nomination.
