

Democrats Meet

A meeting of the Democratic committees will be held in the West Wyoming High school, Friday night at 8 o'clock to elect a sixth legislative district chairman. The following have been invited:

C. W. Kunkle, Mrs. Carrie Kunkle, Martin Bellow, Mrs. Mariett Warden, Mrs. Elizabeth Gobel, N. A. Staub, Mrs. Lena Blewitt, J. F. Randall, Mrs. Irene Blessing, Bernard McNelly, Mrs. Joseph Wallo, Joseph L. Locky, Gertrude Michaels, and J. Culver.

Sunday Traffic Heavy

Automobile traffic to Harvey's Lake on Sunday was the heaviest of the year exceeding that of Memorial Day and the second heaviest for traffic in three years.

59 Fires

Officials of the Bureau of Fire Protection, Pennsylvania State Police, today reported that in May, fifty-nine cases of incendiary and suspicious fires were assigned for investigation.

MEN Risked their lives, STAKED THEIR FORTUNES SMASHED WORLD RECORDS FOR

Your Safety!
Unparalleled STAMINA
PIRESTONE HIGH SPEED TIRES
★ For fifteen consecutive years have been on the winning cars in the 500-mile Indianapolis Race.
THIS MEANS BLOWOUT PROTECTION
★ For seven consecutive years have been on the winning cars in the daring Pikes Peak climb where a slip meant death.
THIS MEANS NON-SKID SAFETY AND TRACTION
★ For three consecutive years have been on the 131 buses of the Washington (D. C.) Railway and Electric Co. covering 11,857,910 bus miles without one minute's delay due to tire trouble.
THIS MEANS DEPENDABILITY AND ECONOMY
★ Were on the Neiman Motors Ford V-8 Truck that made a new coast-to-coast record of 67 hours, 45 minutes, 30 seconds actual running time.
THIS MEANS ENDURANCE

THE New Firestone High Speed Tire for 1934 was built to give you the same dependable service it provided for the 33 drivers who started in the torturous 500-mile grind at Indianapolis May 30.

This new tire has a wider tread of flatter contour, deeper non-skid, more and tougher rubber, giving you more than 50% longer non-skid mileage.

Besides being Safety Protected on the outside it is Safety Protected on the inside. Eight additional pounds of pure rubber are absorbed by every one hundred pounds of cords.

This additional rubber is so placed that it surrounds every cord in every ply. This is accomplished by soaking the cords in liquid rubber by a Firestone patented process. This patented process, Gum-Dipping, is not used in any other tire built.

Heat caused by internal friction of cotton fibers destroys tires—causes separation and blowouts. Gum-Dipping counteracts friction and heat—provides greater adhesion and binds the cotton and rubber together into one cohesive unit of greater strength, assuring car owners of the greatest Safety, Protection and Economy that it is possible for human ingenuity to build into a tire.

The most amazing proof of this extra strength, safety and dependability is the fact that every one of the 33 drivers at Indianapolis chose and bought Firestone High Speed Tires. Race drivers KNOW tire construction—they will not risk their lives or chance of victory on any other than Firestone.

At terrific speeds the cars plunge into the treacherous turns—tires are braced against the scorching brick track—so hot the tires fairly smoke at times—they give—yield and stretch—every conceivable force works to tear the tire to pieces, yet Firestone High Speed Tires "come back" on the straightaways. Not once during the entire race did a tire fail.

Surely this is the most amazing proof ever known of Extra Strength, SAFETY and dependability. Call on the Firestone Service Dealer or Service Store nearest you TODAY. Equip your car with New Firestone High Speed Tires for 1934.

Rubber has advanced 442%! Cotton 190%!
Yet you can buy this amazing new Firestone High Speed Tire at our present low prices and save money.

KELLER CLASS PLANS LADIES FIELD DAY

Something entirely different in the line of amusement is being planned by the Keller Class of Shavertown M. E. Church School.

With Mrs. Howard Ide as chairman, arrangements have been completed for a Ladies Field Day and Lawn Social to be held on Downers lawn, Main Street, Shavertown, the afternoon and evening of Tuesday, June 26.

Everybody is invited to attend and all ladies present will be divided in sides, orange on one side and blue on the other, and will participate in a series of contests that have been planned. Mrs. Herbert Ray will be captain of the Orange, and Mrs. Guy Downers, captain of the Blue. The schedule of events follow: 3 p. m., Potato Race; 3:30 p. m., Paper Plate Race; 4:00 p. m., Shuttle Race; 4:30 p. m., Over the Top Race; 5:00 p. m., Jack Rabbit Relay; 5:30 p. m., Still Race; 6:00 p. m., Eats; 6:30 p. m., Quoit Contest; 8:00 p. m., The Ladies Chorus will compete with the Men's Chorus in a friendly competition of voices.

People of Dallas and surrounding towns are especially invited to join in the fun.

There will be the following eats for sale: Ice Cream and cake, hot toasted sandwiches, (ham or cheese), hot dogs, coffee, soft drinks, chocolate milk, pardeops and home made candy. The proceeds will apply on an obligation of the church which has been assumed by the Keller class.

Fred Baur who has been spending some time in Philadelphia where his brother Robert is engaged in the manufacture of greeting cards and decorative lamp shades, has returned to his home here. In company with his brother, Fred spent two weeks travelling the New England states as far as northern Maine displaying their line of products to department stores and gift shops.

Fred Eek in company with Daniel Richards, Jean Keithline of Shavertown and Thelma Graham of Forty Fort spent Sunday at Lake Wallenpaupack.

John Girvan of Ashland, Ky., is visiting his parents, Mr. and Mrs. J. A. Girvan of Dallas.

Kill Aphis (Plant Lice) and other insect pests with

Black Leaf 40
Here's how to use it
● In the Back Yard—Use Black Leaf 40 on roses, lilacs, ferns, sycamores, catalpas, chrysantheums, golden-glows, nasturtiums, other flowers, vines, snowballs, boxwood, hollyhocks and other shrubs. Pests killed include beetles, caterpillars, cutworms, grasshoppers, potato beetles, corn borers, cankerworms, waterbugs, aphids, and scale insects. Do away with them. Use Black Leaf 40 on fruit trees to destroy Aphis and other sucking insects. It also kills the young of many chewing insects and helps to keep infestation down.
● In the Farm Yard—Use to destroy scab lice and ticks on calves also stomach worms in sheep. Recommended by the U. S. Department of Agriculture. Do not feed to livestock. Complete dipping directions are on the labels of the 10-lb., 5-lb. and 2-lb. sizes.
● In the Garden—Protect your garden by spraying or dusting with Black Leaf 40. Many insects will attack the garden unless carefully sprayed or dusted. Vegetables and fruits are safe to eat within a few days after applying Black Leaf 40.
● In the Orchard—Orchardists use Black Leaf 40 on fruit trees to destroy Aphis and other sucking insects. It also kills the young of many chewing insects and helps to keep infestation down.
● In the Poultry Yard—Paint the roosts lightly with Black Leaf 40 just before the birds go to roost. Bodylice will be destroyed while the flock roosts. Use according to directions for mites.

Another Valuable Bug Killer

ARSON CASE

(Continued from Page 1)
Elijah Harvey, Washington Township, Emma McKane, Tunkhannock; Judson, Fitz, Tunkhannock; Anna Spencer, Falls; Mildred Lewis, Tunkhannock. Sidelights On The Trial.

Although Derby was found guilty of the charges of arson, the fire insurance on the property must be paid to Derby's wife according to Stanley Doll, local agent, who sold the policy. The policy was made out in the name of Mrs. Clarence Derby who owned the property. Insurance on the furnishings will not be paid because this policy was in Derby's name.

Both Derby and Terry are noted throughout the mountainous region of Wyoming and Luzerne county for their prowess as hunters and trappers. Last fall Derby is said to have trailed three cubs and a bear to a cave on North Mountain where they had taken refuge. Derby went in the cave after them. All of the bears were killed.

Among the character witnesses called to vouch for Traver were Chief Ira Stephenson of the Harvey's Lake police force; W. B. Risley of Dallas; Thomas Wright, Noxen; Ralph Davis, Alderson; and Claire Williams of Harvey's Lake.

The court room was crowded with residents of Noxen. Commenting on the Spectators, Robert Traver said "I bet if you'd put half this audience on one side of the court room I'd know them all. I tell you the Travers have got a lot of relations."

Squire Elmer Miller of Noxen was a good witness for the defense of Traver. He disagreed with the testimony given by Leo Pope, deputy fire marshal for the prosecution.

Because of the heavy rains on Monday and Tuesday preventing farm throughout Wyoming County took work, many farmers from districts those days to attend the trials. There was a considerable falling off of attendance when the sun shown bright on Wednesday.
