

Michael Fiegler's Tire Sale To Be Continued

Despite a general increase of ten per cent in automobile tire prices during the past week, Hillside Tire Service company of Truckville will continue its ten percent reduction sale for at least another week according to Michael Fiegler, manager of the company. Vets Missing At Camp Ground Meeting

A generation ago the War Veterans' Reunion marked the opening day of Patterson Grove Camp Meeting and was one of the biggest events of the season. This year there was no veteran of the Civil War present on Veterans' Day. The Maple Grove Drum Corps whose music has been a feature of Veterans' Day for the past thirty years was present and played tunes reminiscent of the day when hundreds of Civil War Veterans made a gala occasion of the Grove's Opening Day.

Social

A number of the friends of Mr. and Mrs. John Girvan held a covered dish social at the newly-renovated Sunset View, to mark the formal opening of that place, on Wednesday night.

Commenting on business conditions, Mr. Stewart said that the Bessemer railway had expected a pick-up in business this summer this railroad being one of the important ore carriers from the Great Lakes. This pick-up in business did not, however materialize because of the low ebb of the iron and steel industry which uses the great bulk of the ore hauled.
