The wedding of Marguerite Griffith of 188 Church Street, Edwardsville, and Lloyd A. McHenry, formerly of Dallas and now of Kingston, was announced this week.

The ceremony took place in North Philadelphia on Labor Day, September 3, with Rev. R. G. Davis officiating.

Mr. McHenry is a native of Kansas and came East after completing his education there. He took graduate work at New York University. He has been extremely active in local affairs and was president of Dallas Rotary Club for a time. Although he has moved to Kingston and resides now at 208 Pierce Street he has continued his affiliations in this section and has a wide acquaintance here.

Mrs. McHenry is the daughter of John W. Griffith of 188 Church Street,

Edwardsville, and is well-known in that community. She is active in the affairs of the Welsh Congregational Church there and is a member of Order of Eastern Star.

Mr. McHenry's many friends in this section wish the couple the best of luck and happiness.

The guests were Miss Ellen Platt of Philadelphia, Miss Gertrude Wilson, Miss Dorothy Patterson, Miss Betty Culbert, Miss Taylor, and Miss Rood.

R. H. Rood spent Friday at Lock Haven, Clinton County.

One hundred nine persons attended the corn and wolver roast held at the home of Mr. and Mrs. George Frantz of Dallas on Wednesday evening. The affair was sponsored by Miss Florence Frantz's Missionary group from the First Christian Church of Plymouth.

Exhibits Pictures At Chicago World's Fair

Albert Williams, Jr., photographer of Lehigh street, Trucksville, has received word from the art committee at Century of Progress Exposition of Chicago that three of his photographic enlargements have been accepted and are on exhibition in the art section at the Fair where they will remain on exhibition through November.

The first of the prints is a view near Benton, Columbia County. It is a very beautiful pictorial print and resembles in its treatment a Corot. Another print is of three clusters of Concord Grapes. The third print is a portrait of his daughter which he made when she was forty-four hours of age.

Mr. Williams has been quite successful in having his prints accepted and hung in exhibitions and photographic contests, six prints recently returned to him have been exhibited in 32 cities of the United States, and he has placed seven prints in the Canadian National Exposition at Toronto, in five years, many of the prints being bits of local scenery. Mr. Williams is a member of the Wilkes-Barre Camera Club and is employed in the offices of the Lehigh Valley Coal Company.

Dallas Council 224, Daughters of America, celebrated the second anniversary of the organization at Odd Fellow's Hall, on Friday night with a large number of members present.

To Secure New Athletic Field

School Board And Council Co-operate In Obtaining Tract

Through co-operation of the Dallas Borough Council and the School Board plans were started this week for the obtaining of a plot of ground on Center Hill Road for an athletic field.

First action was taken at the meeting of the borough council on Tuesday night in response to a request made by Henry Disque, president of the local school board.

The plot to be used by the borough schools will include about 15 or 20 acres of the 100-acre plot, on which taxes have been unpaid for a number of years. In return for the land, taxes on the property will be cancelled.

Council adopted a motion to release the taxes on the 15 or 20 acres desired, providing that the County Commissioners will agree to the action, and Councilman Parrish said he will be willing to buy the remaining land for borough and county taxes.

A. L. Turner, borough solicitor, advised council that the county can sell any particular property which the council desires to be sold for taxes.

A week's work will be done on the road from Weiss's farm to the borough line to put it into passable condition.
