#### Record Attendance At Borough Meeting Tuesday

A record-breaking attendance estimated at 150 persons heard Attorney Albert Brobst, Wilkes-Barre school director address the Dallas Borough Parent-Teacher Association on Tuesday night. Mr. Brobst's subject was The Child's Triangle, School, Church, and Home.

James Ayre, president, presided. Miss Lola Pittman sang two solos, accompanied by Mrs. William Baker.

The entertainment was provided by pupils from the third and fourth grades who sang several selections and also gave an entertaining Town Circus, in custom. A feature of the circus was the tap dancing of Janet Garinger.

Attendance honors went to the third grade, Miss Marian Barney, teacher.

Principal Calvin McHose spoke briefly, asking the attendance of the parents at the next Anthem-Assembly Forum presentation which will be held in the high school auditorium on Tuesday afternoon at 2:30. On this occasion, Frank P. Douglas will give his exciting story of the great Klondike gold rush. Mr. McHose also spoke of the Booster Day to be held in the near future for the benefit of the high school athletic association.

At the close of the meeting, refreshments were served to those present by the refreshment committee. Mrs. Charles Stookey and Mrs. Laverne Race were assisted by Miss Hill and Miss Patterson and the parents of children from the first and twelfth grade.

### -OUTLET-

Outlet basketball team played Meeker last Sunday and what a game it was.

The score was 11-3 in favor of Meeker.

Outlet was completely outclassed. In the first inning Meeker had four runs and after that Outlet never got started. They didn't seem to know what it was all about. They fumbled and erred all through the game. The only way they could hit the ball at all was with their bodies. Four of five of them were hit with the ball. Steve Hollowitch made several clever catches out in the field. He was the only one of the Outlet players that showed any form at all. The four Salansky brothers from Jackson played with Meeker and how they can play ball. They slammed the ball all over the lot and when they were in their positions on the field they were on the job every second. By the way, the Salansky boys are nephews of Joe Salansky, manager of the Outlet team.

It must have been a hard blow for Joe to have his team so badly beaten by his own nephews. If Joe wants a real baseball team next year he will have to have the Salansky boys with him.
