

### Shorter Season No Wet Blanket On Enthusiasm

Hunters Expected To Turn  
Out In Record Numbers  
Next Month

#### RULES REVIEWED

Despite the inroads made on small game by the severe winter of 1935-'36 and the curtailed season, early indications in this section point to another record-smashing number of hunters in the field this year.

Last year more hunters were afield locally than in any time in the history of the section.

Although the large number of hunters and the hard winter depleted the game supply near here there has been an excellent breeding season and the Board of Game Commissioners has planted a large number of game purchased and reared at Game Farms.

So far since the last hunting season the Commission has released more than 20,000 ringneck pheasants, 1,300 wild turkeys, 300 quail, 52,000 rabbits, 200 raccoons and 100 wild ducks.

More hunters are securing licenses earlier this year than for a number of years. Incidentally, Dallas sportsmen can secure their licenses conveniently this year through B. and B. Hardware Store on Main Street.

Because of the scarcity of the popular Snowshoe Rabbit, the season has been closed. A census will be taken of these species. There will be no season on Hungarian partridges, Chukar partridges or Reeves pheasants.

The season and bag limits for all small game and fur-bearers is as follows:

Wild turkeys, male ringneck pheasants, ruffed grouse, quail, blackbirds, rabbits and squirrels; November 6 to 26; Raccoons, November 6-31, Minks, Opposums, and skunks, November 6 to February 28; muskrats, December 1 to March 15; beavers, March 1 to March 15.

Traps may not be set before 9 a. m. the first day. On all other days they may be set at the usual time. Muskrats and beavers may be taken by trapping only.

#### PLENTY OF DEER

Prospects for large game hunting, particularly deer, are exceptionally good, notwithstanding the heavy losses during the past severe winter. Plenty of deer are being observed, and in most instances the bucks are in racks.

Old-time bear hunters endorse the drastic reductions on the season for these sagacious creatures. Black bears may be hunted only three days - November 23 to 26. Cubs are protected.

District Officers Selected At Rally

New officers of the Dallas sub-district, Epworth League, were named at a fall rally held at Alderson M. E. Church last Wednesday night, with about 175 present.

They are: President, Sheldon F. Gay, Carverton; first vice president, Fred Finney, Trucksville; second vice president, Bethia Allen, Alderson; third vice president, Florence Weaver, Center Moreland; fourth vice president, Lydia Smith, Idetown; secretary, Dorothy Wilcox, Huntsville; treasurer, Robert Snyder, Orange.

### LUZERNE G. O. P. SLOW TO BUY CERTIFICATES FINANCING CAMPAIGN

Luzerne County Republicans are slow to contribute to the Republican campaign fund through the purchase of "Dollar Certificates".

This week's issue of the "Dollar Certificate News", a four-page pamphlet which reports on the progress of the "Dollar Certificate" campaign throughout the State, lists this county among "The Ten Worst".

Luzerne County was given a quota of 9,010 certificates. To date, The News says, there have been only 1,448 buyers, a percentage of sixteen.

### Death Takes Third Member Of Family

Joseph Ferguson Follows  
Wife And Granddaughter  
To Grave

Heart-broken since the death of his wife last June, Joseph Ferguson, 67, DeMunds Road, DeMunds, passed away last Thursday afternoon. His funeral was held on Saturday afternoon at 2.

A lifelong and highly respected resident of this section, Mr. Ferguson had been in excellent health until the death of his wife four months ago. About a month later his granddaughter, Mrs. Frances Rogers, who resided with Mr. and Mrs. Ferguson, was stricken. She died on August 31 and the two deaths affected Mr. Ferguson so deeply he collapsed at the grave during the funeral and was removed to his home. He had not left it before his death.

Rev. Fedor Ether, Center Moreland, officiated at the service on Sunday. Interment was in Marsh Cemetery, Center Moreland.

Surviving Mr. Ferguson are three daughters, Mrs. Stanley Scott, Philadelphia; Mrs. Walter Willoughby, Parsons; and Mrs. Ethel Eyett, at home. There are also three grandchildren and one great grandchild.

### Adult Classes Hold Interest At Schools

One of the most popular features of courses such as that being planned for this section next month to train Sunday school workers is the class stressing work among adults.

The local school, which will be held at Lehman M. E. Church six succeeding Wednesday nights, beginning November 4, will have an adult class led by Rev. Percy Davis, pastor of Westmoor Church of Christ. Rev. Mr. Davis, who is superintendent of Leadership Training for the entire county, has had wide experience in such work and his class is bound to be one of the most popular.

Other leaders, all experts, are Rev. Guy S. Leinthal of Alderson, who will teach New Testament; Rev. Harry S. Savacool, Trucksville, church history, and Mrs. Howard Crosby, Lehman, classes for Sunday school work among younger children.

#### LOCUST GROW FAST

The locust is the fastest growing hardwood tree in northwestern United States, or that reason, it is a good tree to plant in gullies. The locust makes good fence posts and, being a legume, improves the soil. It grows well on almost any type of soil.
