Review Of Easter Services Locally

At the Easter services held in the Methodist Churches of Centermoreland the following young persons were baptized by the minister, Rev. Fedor C. Ether: Misses Doris Alberta Siperko, Audrey Louise Siperko, Marion Weaver Jackson, Adah Weaver Jackson.

Following the baptism these young persons and Mildred Schoonover, Keith Kresge and Louis Kresge were received into the membership of the church.

At Dymond Hollow Church Clifford Coolbaugh, Clara Coolbaugh, Marion Dymond, Arlene Eyer, Russell Eyer, Edgar Barth and Warren Scott were received into church membership.

Services in the churches next Sunday: Centermoreland—Church School at 10 a. m.; preaching, 8 p. m.; DeMunds Corners, School and preaching, 10:30 a. m.; Dymond Hollow, school and preaching at 2 p. m. with a baptism service.

Rev. and Mrs. F. C. Ether and daughter, Helen, attended the Wilkes-Barre Ministers' Association meeting Tuesday afternoon at Deer Memorial Church, at Wilkes-Barre.

The cast for the coming Ladies' Aid play is rehearsing this week. The play will be given Thursday and Friday evenings, April 8 and 9, at the Grange Hall.

The Ladies' Aid society at the church last Friday was well attended. Dr. George M. Bell, district superintendent, preached an excellent sermon and Rev. Lyon of Courtdale gave a very interesting talk.

Miss Florence Dailey is home for the Easter vacation.

Mollie Besteder, daughter of Mr. and Mrs. Francis Besteder, is seriously ill. Dr. Winters of Harding is the attending physician.

Mrs. Robert Baird of Kingston was a visitor in this place recently.

Miss Frances Gay of Dallas spent the week end with Miss Minnie Schrader.

The family of Walter Frantz are quarantined for scarlet rash.

Mrs. Ella Montross Mathers has been making a farewell visit to relatives in this place before moving to New York State.

Mrs. Herman Gay and Mrs. Ben Ferry of Johnson City are visiting relatives in this place. Marian and Wilma Gay spent Easter with their grandmother.

PUBLIC NOTICE

Notice is hereby given in accordance with Act approved July 18, 1935, P. L. 389, that the Board of School Directors of Dallas Borough School District has prepared a proposed budget. Copies will be posted in public places in the School District in the same manner that audits are posted, and a copy will be in the hands of the secretary.

Public hearing on the budget will be held at the high school building at 8:15 P. M., Wednesday, May 5, 1937, at the regular May meeting of the Board.

By order of the Board of School Directors.

D. A. WATERS,
Secretary.

Let's All Work Together Now!

--- and get the Luzerne By-pass This Summer

Our compliments to Thomas Heffernan of the Wilkes-Barre Sunday Independent for a splendid editorial . . . close to the hearts and pocketbooks of all of us.

Not for the Back Mountain region alone, but for all of us . . . residents of the Back Mountain region, Luzerne and Wyoming Valley . . . do we need a new highway through Luzerne.

We in these communities need a new, modern highway to make our homes more accessible and to assure the population growth that is certain to follow the removal of the present bottle neck at Luzerne. Our growth is now retarded by traffic congestion, inconvenient and destructive highways.

Luzerne Borough needs this new highway. 50 per cent of its business comes from the rural region and any population growth in this area will be reflected in increased business in Luzerne stores, where traffic congestion, lack of parking facilities and inconvenience now drive business away.

Wyoming Valley must have this new highway as an important link in the great new highway system now under construction on route 92 from Tunkhannock to Dallas, and thence to Wyoming Valley. This route reduces the time and driving distance from up river communities, Wyoming, Sullivan and Susquehanna counties to Wyoming Valley. It deflects business from the Scranton area to Luzerne and Wilkes-Barre. Wyoming Valley also needs the new highway to make its summer homes and recreation at Harvey's Lake more accessible.

Now is the time to strike and to get this new highway. Let us all work together to assure construction of the new Luzerne highway this summer. Unfortunate the man or group of men who oppose this project, which means so much to the progress, development, convenience and prosperity of all of us. No one can stand in its way without being overwhelmed by an aroused public sentiment that not only wants but demands the new highway.

A Timely Editorial From The Independent

The Luzerne By - Pass

Poor highway arteries are a heavy liability to the most progressive community. Nothing so lowers its prestige in the eyes of visitors or capitalists in search of a place in which to locate a manufacturing plant or mercantile enterprise. Activities of the local motor organization and men of broad vision have brought to Wyoming Valley many notable highway improvements in the past four years. This splendid result was largely due to the hearty cooperation that was never lacking in every progressive step that was taken.

The motorists and general public are grateful for all that has been accomplished, but they will be in no mood to sing psalms of thanksgiving until that exasperating by-pass at Luzerne is made an unpleasant memory. For several years Senator Sordani drew upon every influence within reach to give the rapidly growing population of the Back Mountain territory the convenience and pleasure of a modern highway. In the face of discouragements from the Luzerne County commissioners or the Harrisburg authorities he remained on the job for four years.

While still earnestly interested he turned over leadership in the drive to Senator Mundy as soon as the Earle Administration took over the seats of power in State government. Luckily for the service clubs and progressive spirits of the community, Senator Mundy is just as sincerely interested in giving the people of the Back Mountain country an up-to-date highway as was Senator Sordani. He has accepted leadership at the Harrisburg end and is working hand in hand with Chairman C. L. Albert of the Dallas Rotary Club in the new campaign just launched.

There's no need of wasting newspaper space in calling the attention of local people to the demands of the residents of Luzerne, Kingston Township, Dallas and all the other expanding communities in the Harvey's Lake area for just treatment in the apportionment of highway improvements. As the local committee in charge of the new drive has so well pointed out, "the hardships in the use of the present route are innumerable and the cost to motorists for automobile repairs impossible to estimate." No one is in position to appraise the cost in inconvenience and nerve strain that results to the 200,000 automobile drivers who visit Harvey's Lake every summer. It's a common thing for 2,000 machines an hour to visit the lake every Sunday during the vacation season.

The new road is an absolute necessity if the Back Mountain territory is to continue the steady, substantial growth it has maintained the past ten years. In this brief period more than two thousand heads of families have built attractive homes in Kingston Township, Dallas, and in the two townships that border Harvey's Lake. Nor is it to be forgotten that in the same territory is now located and prospering the leading college for girls in Northeastern Pennsylvania, College Misericordia. Irem Temple Country Club also attracts thousands of visitors seven months of the year.

All in all, there is every sound reason why the new campaign now in full swing should not bring the highway relief desired the coming summer. And with the energetic Senator Mundy on the job and utilizing his influence to the utmost we are confident that it will.

Every motorist in the Back Mountain Section, Luzerne and Wyoming Valley should get behind this crusade now! Give your co-operation to General Chairman Charles Albert and to the civic clubs, community organizations and other groups that are working diligently to make the new Luzerne highway a reality.
