

Greatest Circus Is Coming Soon

Barnum & Bailey To Play
At Wilkes - Barre On
June 10

The world's mightiest amusement enterprise on tour—the Ringling Bros. and Barnum & Bailey combined circus—with its 1937 seven-ring-and-stage program, star studded and liberally interspersed with new thrillers from Europe and Asia, featuring among its array of new wonders the most gorgeous introductory spectacle in its brilliant history, India, is definitely scheduled to exhibit in Wilkes-Barre, Thursday, June 10.

India is not just another circus spectacle. It is not merely a glittering parade to open the Big Show performances. It is the result of a year's planning, a really staggering expenditure and much research on the part of Sam W. Gumpertz, general manager of The Greatest Show on Earth. Costly fabrics were purchased in car load lots. Color schemes blend in lovely perspectives. Every one of two thousand people and animals taking part wears a small fortune on his or her back. All have towering headdresses of exquisite beauty. One group of 170 horses, with girl riders, is like nothing ever before offered, for the horses, wearing medieval bejeweled blankets of velvet, carry gorgeous canopies over the girls' heads. India is a torrent of the hippodrome track and the seven

color and flashing jewels, flowing over rings and stages. It is the last word in pageantry.

In aerial and equestrian displays The Greatest Show on Earth has outdone itself this year, while the ground acrobatic numbers are the largest and finest ever presented in any land or age.

The Ringling Bros. and Barnum & Bailey combined circus will arrive on four long trains of 100 double-length steel railroad cars, carrying 1600 people, 1009 menagerie animals, 7 herds of elephants and 700 horses.

Bucknell Offers 8 Scholarships

High School Graduates In
Upper Two-Thirds Are
Eligible

Bucknell University Junior College announces that through the generosity of several citizens of Wilkes-Barre eight competitive scholarships, ranging from \$50 to \$100 each for a period of one year, will be awarded for the year 1937-1938.

High school graduates who rank in the upper two-fifths of the graduating class and who are recommended by their principal are eligible for the competition. Graduates should apply

before June 7 through the high school principal.

Of interest to the community is the fact that the examinations will be given on June 19 in Chase Hall, 184 South River Street, the home recently given to Bucknell University by Admiral Stark. The administrative offices will be moved to Chase Hall early in June.

CONCRETE

DRIVING through the night with your family, how much safer you feel when concrete "ribbon of light" stretches out ahead!

Hazards stand out clearly against the light grey surface—shoulders, ditches, obstructions, pedestrians are clearly defined. Eye strain is reduced by the absence of glare.

Brakes are at their best on the gritty non-skid surface of concrete. Low crows make the

entire road width usable. Traffic doesn't hug the center of the road. You drive in comfort . . . relaxed. Every car is a better car on concrete.

Concrete's better visibility, safety and comfort are not luxuries because first cost of concrete is less than that of any other pavement of equal load-carrying capacity. Maintenance cost is far lower. And motorists save in gas, tires and car repairs on concrete.

LEMON CHIFFON PIE FEATURE IN FAMOUS MOVING PICTURE

★ In the new cooking-school moving picture, "The Bride Wakes Up", Lemon Chiffon Pie makes a big hit. This delicious pie will make a hit at your house, too. Dad will say it's the best pie he ever tasted. It is made with genuine Knox Sparkling Gelatine—the plain gelatine that blends with all of nature's fruits and vegetables.

LEMON CHIFFON PIE
(One 9-in. Pie—uses only 1/4 package)

1 envelope Knox Sparkling Gelatine
1/4 cup cold water
1/2 teaspoonful salt
4 eggs
1 cup sugar
1/2 cup lemon juice
1 teaspoonful grated lemon rind

Add one-half cup sugar, lemon juice and salt to beaten egg yolks and cook over boiling water until of custard consistency. Pour cold water in bowl and sprinkle gelatine on top of water. Add to hot custard and stir until dissolved. Add grated lemon rind. Cool. When mixture begins to thicken fold in stiffly beaten egg whites to which the other one-half cup sugar has been added. Fill baked pie shell or Graham cracker crust and chill. Just before serving spread over pie a thin layer of whipped cream.
