Educator Eulogizes Father Of Country

Prof. Henry F. Jones of Plymouth Borough Schools gave an inspiring talk on "The Life and The Man, George Washington" before Kingston Township Parent-Teacher Association on Monday night.

In contrast to present day writers, who seem to enjoy attacking the lives of our early heroes and founders of our country, Professor Jones gave a talk which was appreciated and considered as one of the finest the audience had ever heard.

After the speaker, the business meeting was held. The chairman of the Milk Fund reported 36 grade pupils are being served with free milk.

Bills amounting to \$33.29 were paid. A long discussion was held with reference to asking the school board for permission to allow milkmen to sell milk in the township grade schools...
